A Prophetic Manifesto for the New Era Patricia King,2020-12-15 Prophetic Strategies and Warnings for the Next 10 Years At the inauguration of the year 2020 Christian prophets unanimously recognized that the Church was not merely entering a new year or season but an entirely new era To align with God and His purposes for this new era it is vital that every Christian is aware of God's **The Mystical and Prophetic Thought of Simone Weil and Gustavo Gutiérrez** Alexander Nava,2001-10-25 Two Christian thinkers philosopher Simone Weil and theologian Gustavo Gutiérrez are brought together here While very different in background situation and in their writings Weil and Gutiérrez display striking points of

contact in their lives and work Author Alexander Nava finds that together the two provide a philosophical and theological vision that integrates the mystical and the prophetic two dimensions of the Christian tradition that are often considered mutually exclusive Exploring the thought of Weil and Gutierrez this book shows that both are suspicious of forms of mysticism that minimize the harsh reality of suffering and violence and that both have a serious mistrust of prophetic traditions that deny the contributions of mystical interpretations practices and ways of speaking to and about the Divine mystery Nava proposes that dialogue between the thought of Weil and Gutierrez and between the mystical and prophetic traditions can lead to a more authentic understanding of the diversity and creativity of religious thought

Thoughts of the Heart Tammy Lynn Robinson, 2013-01-25 Thoughts of the Heart is a collection of snapshots from my personal moments It was written to encourage every reader to have a good journey in spite of the difficult days you face It is an easy read and it offers practical points for dealing with everyday life The reflections are of poems prayers passions keepsakes and short stories It provides a variety of feelings expressed in a slightly poetic way It has an uncommon twist for reasoning with hidden thoughts It reveals them Wait I know there are some things that we must keep to ourselves and believe me I will We all know that many thoughts are better off left unsaid And we should constantly pray down the evil ones Nevertheless these thoughts are out And as you read you witness my love my inspiration my fears my tears my hopes my dreams and my desire to be open with you In fact I gift you with my found treasure In a nutshell this book reveals me in a uniquely different and real way I hope you will find comfort embrace love and become moved to action as much as I was compelled to write Ultimately I pray you will be inspired to believe that all things are possible through Jesus Christ think outside of the box of limits and become motivated to share the amazing gift that God has given you I encourage you to share your one of a kind self the self that you were created to share Straight from the heart We can't do anything about the past and we don't know what the future holds but we can decide to make the most of the precious moments that we have left And as you journey on to the end show the love make a difference and highlight your lessons learned then pass them on In the meantime remember to be simply you and to find positive and creative ways to express the desires of your heart Because keeping sentiments emotions and love pinned up inside aches the heart despairs the mind and keeps you from experiencing your many possibilities I trust that my perspective will somehow connect with your innermost thoughts and aspirations in one way or another I hope to spark a positive reaction within you that is unforgettable So fasten your seat belt and get ready to travel with me through some of my Memorable Moments one page at a time Please know I wish you well And whenever you need Christ He will always be there for you I promise

Bonds of Love R. Abma, 2018-03-20 Bonds of love offers a fresh interpretation of a selection of prophetic texts that present the covenant relationship as a marital relationship The accent in this study is on method historical and biographical categories such as the prophet and his career are left aside in order to concentrate on the composition and internal cohesion of the text The reading strategy developed in this book is both synchronic and communication oriented

Since prophetic texts essentially consist of speech it is insufficient to study the text in abstraction from the audience that it addresses The texts have a communication purpose and a three part model is developed in order to investigate the communication effects of the text on the implied audience and the contemporary reader The studies of Isaiah 50 and 54 Hosea 1 3 and Jeremiah 2 3 reveal that a synchronic interpretation of these texts can be very fruitful Larger patterns of coherence come to the surface when one refrains from the procedure of atomizing the texts in original and secondary parts The final chapter is devoted to the theological implications of the marriage imagery What intriguing model of divine and human partnership is presented here And what sort of intimate interaction between Yhwh and Israel is precisely envisioned
