Psalms (Understanding the Bible Commentary Series) Craig C. Broyles, 2012-07-01 Craig Broyles examines the Psalms as a diverse collection of poems whose main roots are in Jerusalem's worship services. Both in the past and in the present they provide dynamic liturgies through which the worshipper encounters God often with vigorous dialogue and finds meaning for life. Broyles makes the best of contemporary scholarship on the Psalms accessible to both general readers and serious students.

Psalms - Everyday Bible Commentary Robert L. Alden, 2019-03-05 There is nothing that can speak to the Christian's heart quite like the Psalms. These cherished songs lead us into worship, guide our lament and teach us to pray. But they are even more vibrant when we understand the context, author's intent and recognize what this means for our lives today. This is what the best preachers do, but you don't have to wait until Sunday's sermon. Encounter the beautiful depth of Psalms through an enlightening chapter by chapter commentary from Robert L. Alden that's both straightforward and insightful. This single volume commentary is helpfully divided into three thought-provoking sections: Songs of Devotion, Songs of Dedication, Songs of Discipleship. You don't have to go to seminary to encounter God in exciting new ways through His Word. Discover how much more enjoyable your personal study will be with understandable quality Bible commentary for everyday life.

Minor Prophets II (Understanding the Bible Commentary Series) John Goldingay, Pamela J. Scalise, 2012-07-01 The Minor Prophets are those dozen Old Testament books that in the time of Jesus were usually written on one scroll since they were all fairly brief The late Elizabeth Achtemeier prepared the New International Biblical Commentary on the first six Hosea Joel Amos Obadiah Jonah and Micah This second volume deals with the final six books John Goldingay writes on Nahum Habakkuk Zephaniah and Haggai Pamela Scalise takes on the longest Zechariah and the last Malachi Like the authors of other volumes in the NIBC Goldingay and Scalise utilize what is referred to as believing criticism when examining the biblical texts Based on fidelity to critical analysis and sensitivity to the faith of both ancient and contemporary readers this balanced approach enriches both the academy and the church Following the series guidelines the authors clearly explain the texts with additional notes regarding interpretation and practical reflection For example Goldingay issues a reminder that when the prophets spoke against the arrogance and sins of Assyria and Babylon the Israelites needed to hear the word of God as a caution against their own pride and wickedness He goes on to suggest that modern readers must remember as well that the same attitudes and actions that led to the downfall of these ancient Middle East empires can fall upon any and all who follow their example The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated A separate section of notes at the close of each chapter provides additional textual linguistic cultural and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes *Deuteronomy*
