Robert Penn Warren Klaus Poenicke, Leonard Casper, Robert Penn Warren, 1959 **Robert Penn Warren** Paul West, 1964 Explores Warren's poetry and prose writings to reveal his philosophical concerns as well as the pattern of his career **The Blood-Marriage of Earth and Sky: Robert Penn Warren's Later Novels** Leonard Casper, 1997 **The Poetic Vision of Robert Penn Warren** Victor H. Strandberg, 2021-12-14 Though it has won the Pulitzer Prize the National Book Award and the Bollingen Prize the poetry of Robert Penn Warren still is not widely or well understood In this study Victor H Strandberg redresses this imbalance by providing a comprehensive survey of the poetic canon of this gifted complex and much neglected poet Warren writes in the tradition of Western poets concerned with the painful experience of a forced one way passage from innocence into the world's stew of time and loss This passage Strandberg explains results for Warren in bifurcation of the self into warring segments a clean idealistic surface ego and a polluted undiscovered self in the unconscious Revelation of the dirty part of human personality is tellingly evoked in many of Warren's major works As the poet's vision expands however these conflicting elements are unified in a mystic osmosis of being whereby the world which once provoked fear and disgust may now be totally loved In addition to close analysis both of individual poems and of the poet's overall development Strandberg reviews critical opinion of Warren's poetry over the last three decades and assesses his place among fellow poets Both as prophecy and as art he concludes Robert Penn Warren's poetry is so significant versatile and excellent as to rank him among the finest and most fertile talents of his age The American Vision of Robert Penn Warren William Bedford Clark, 2014-10-17 In 1976 the bicentennial year Robert Penn Warren told Bill Moyers that he was in love with America but his love for the nation was more often than not troubled and angry Warren once remarked that any intelligent person is inclined to criticize his country more strongly than he will criticize anything else And he should It's a way of criticizing himself too Trying to live more intelligently and more fully In *The American Vision of Robert Penn Warren* a noted Warren scholar traces the evolution of our first poet laureate's distinctive stance toward the American experiment in democracy showing how Warren sought to balance off the claims of self and society in the New World This book surveys the full six decades of Warren's career combining close reading with a historian's eye for social and political context While pointedly avoiding the reductive pitfalls of the new historicism Clark documents the informing role the Great Depression played in shaping Warren's attitudes toward art and politics and he demonstrates the necessity of regarding Warren's major achievements in fiction and verse as forms of public speech Read in this light Warren's vision offers a set of possibilities for renegotiating America's covenant with its Founders on new and pragmatic terms Based solidly on the best previous commentary on Warren and his work Clark's study represents a new approach to its subject and incorporates insights and information garnered from the Warren Papers at Yale A wide ranging account of the interplay between an author's imagination and contemporary history this book should prove of interest to all students of American culture especially those

concerned with the interrelationships of literature politics and ideology Written in a lively and direct style it will appeal to specialists and general readers alike

Selected Letters of Robert Penn Warren Robert Penn Warren, 2006 Selected Letters of Robert Penn Warren Volume three provides an indispensable glimpse of Warren the writer and the man covering a crucial decade in his life Edited by Randy Hendricks and James A Perkins and introduced by William Bedford Clark this collection of largely previously unpublished letters and newly discovered material documents Warren's time at the University of Minnesota his writing and publication of the Pulitzer Prize winning novel All the King's Men his appointment as Consultant in Poetry at the Library of Congress and his divorce from Emma Cinina Brescia and subsequent marriage to the writer Eleanor Clark The period 1943-1952 also saw the publication of A Poem of Pure Imagination World Enough and Time The Ballad of Billie Potts At Heaven's Gate and Selected Poems 1923-1943 Warren's letters shed new light on those works and on his close relationship with his editors Lambert Davis and Albert Erskine Included too is correspondence concerning Warren's collaboration with Robert Rossen on the movie production of All the King's Men which received the Academy Award for best picture in 1949 The list of friends and colleagues with whom Warren communicated reads like a roll call of major twentieth century literary figures and clearly shows his ever widening influence on the world of letters Spanning a remarkable range in both style and tone the letters disclose Warren's attitudes toward his work as a teacher and his thoughts on the events of World War II the Korean War and the political conflicts in postwar Europe Thoroughly annotated and scrupulously researched Volume Three captures Warren in an extraordinary phase in his life and career reaching his maturity and making many commitments at once yet pursuing them all with a seemingly boundless energy

Hugh Holman Award A central figure in twentieth century American literature Robert Penn Warren 1905-1989 was appointed by the Library of Congress as the first Poet Laureate of the United States in 1985 Although better known for his fiction especially his novel All the King's Men it is mainly his poetry spanning sixty years fifteen volumes of verse and a wide range of styles that reveals Warren to be one of America's foremost men of letters In this indispensable volume John Burt Warren's literary executor has assembled every poem Warren ever published with the exception of Brother to Dragons including the many poems he published in The Fugitive and other magazines as well as those that appeared in his small press works and broadsides Burt has also exhaustively collated all of the published versions of Warren's poems which in some cases appeared as many as six different times with substantive revisions in every line as well as his typescripts and proofs And since Warren never seemed to reread any of his books without a pencil in his hand Burt has referred to Warren's personal library copies This comprehensive edition also contains textual notes lists of emendations and explanatory notes Warren was born and raised in Guthrie Kentucky where southern agrarian values and a predilection for storytelling were ingrained in him as a young boy By 1925 when he graduated from Vanderbilt University he was already the most promising

of that exceptional set of poets and intellectuals known as the Fugitives Warren devoted most of the 1940s and 1950s to writing prose and literary criticism but from the late 1950s he composed primarily poetry with each successive volume of verse that he penned demonstrating his rigorous and growing commitment to that genre The mature visionary power and technical virtuosity of his work in the 1970s and early 1980s emanated from his strongly held belief that only insofar as the work of art establishes and expresses a self can it engage us Many of Warren's later poems which he deemed some of my best rejoice in the possibilities of old age and the poet's ability for continually expanding in a vital process of definition affirmation revision and growth a process that is the image we may say of the life process **Robert Penn Warren's All**

the King's Men Jane Yarbrough, 1985 A guide to reading All the King's Men with a critical and appreciative mind encouraging analysis of plot style form and structure Also includes background on the author's life and times sample tests term paper suggestions and a reading list **The War Within** Daniel Joseph Singal, 2014-02-01 The years after World War I saw a different sort of war in the American South as Modernism began to contest the New South Creed for the allegiance of Southern intellectuals In *The War Within* Daniel Joseph Singal examines the struggle between the characteristic culture of twentieth century America and the South's tenacious blend of Victorianism and the Cavalier myth He explores the lives and works of historians Ulrich B Phillips and Broadus Mitchell novelists Ellen Glasgow William Faulkner and Robert Penn Warren publisher William T Couch sociologists Howard Odum Rupert Vance Guy Johnson and Arthur Raper and Agrarian poets John Crowe Ransom Donald Davidson and Allen Tate The drama Singal unfolds is as much national as regional in its implications His sophisticated and original analysis of the complex relationship between these southern writers and their heritage enables him to trace the transition to Modernism with unusual clarity and to address questions of major importance in American intellectual history How did Modernism come into being Does it display a fundamental underlying pattern What are its essential values beliefs and assumptions Singal marshals archival and published sources and combines them with oral history interviews to trace this process of change on the levels of both formal thought and individual experience He uses the interwar South as the locale for a pioneering examination of the momentous change that has affected all of Western culture
