

Robert Lowell And America

Amy Lowell

Robert Lowell And America:

Robert Lowell and America Jerome Mazzaro, 2002 **Robert Lowell in a New Century** Thomas Austenfeld, 2019
New essays providing fresh insights into the great 20th century American poet Lowell his writings and his struggles

Robert Lowell Ian Hamilton, 1982 Born in 1917 into an aristocratic Boston family Robert Lowell was not yet thirty when his first major collection of poems *Lord Weary's Castle* won the Pulitzer Prize With *Life Studies* his third book he found the intense highly personal voice that made him the foremost American poet of his generation He held strong complex and very public political views His private life was turbulent marred by manic depression and troubled marriages But in this superb biography the poet Ian Hamilton illuminates both the life and the work of Lowell with sympathetic understanding and consummate narrative skill Hamilton an English poet who knew Lowell well during his last years in England writes with the authority of personal acquaintance and personal sympathy as well as with critical interest in his works He deftly weaves the life story and literary criticism covering his childhood the years at Harvard and Kenyon the influence of John Crowe Ransom Peter Taylor Allan Tate and Caroline Gordon his three marriages and a discussion of his poems *The Letters of Robert Lowell* Robert Lowell, 2007-03-20 These letters document the evolution of Lowell's work and illuminate another side of his life his deep friendships with other writers his manic depression his marriages to three prose writers and his involvement with the antiwar movement of the 1960s **Robert Lowell's Life and Work** Richard Tillinghast, 1995 Robert Lowell was regarded by many as the greatest American poet of his generation Somehow or other in the middle of our worst century so far his contemporary and friend Elizabeth Bishop wrote we have produced a magnificent poet The scion of a distinguished New England family Lowell crafted his poetry to comment on the nation's fate and even to influence the course of American politics Along with Anne Sexton John Berryman and Sylvia Plath he was a pioneer in the movement later known as Confessional Poetry and his political gestures were often timely and controversial his refusal of President Johnson's invitation to the White House came to symbolize the opposition of writers and intellectuals to the Vietnam War Since Lowell's death in 1977 his reputation has suffered a decline yet arguably no poet living today writes with the same authority the same sense of grandeur Robert Lowell's *Life and Work* Damaged Grandeur is a critical memoir by acclaimed poet Richard Tillinghast a friend and student of Lowell's in the 1960s Tillinghast shows how Lowell's gift for the grand gesture was tragically intertwined with the manic depressive illness that afflicted him throughout his adult life hence the damaged grandeur of the title This book offers a radical re-examination of Lowell's poetic career and argues for the restoration of this complex and troubled poet to a pre-eminent position in American letters Richard Tillinghast's books of poetry include *Our Flag Was Still There* *Sewanee in Ruins* *The Knife and Other Poems* and *Sleep Watch* He writes regularly for *The New York Times* *Atlantic Monthly* and *The New Republic* He is Professor Emeritus of English University of Michigan and is the recipient of a fellowship from the John Simon Guggenheim Foundation *Words in Air* Elizabeth Bishop, Robert Lowell, 2010-03-16 Robert

Lowell once remarked in a letter to Elizabeth Bishop that you have always been my favorite poet and favorite friend The feeling was mutual Bishop said that conversation with Lowell left her feeling picked up again to the proper table land of poetry and she once begged him Please never stop writing me letters they always manage to make me feel like my higher self I've been re-reading Emerson for several days Neither ever stopped writing letters from their first meeting in 1947 when both were young newly launched poets until Lowell's death in 1977 Presented in Words in Air is the complete correspondence between Bishop and Lowell The substantial revealing and often very funny interchange that they produced stands as a remarkable collective achievement notable for its sustained conversational brilliance of style its wealth of literary history its incisive snapshots and portraits of people and places and its delicious literary gossip as well as for the window it opens into the unfolding human and artistic drama of two of America's most beloved and influential poets **Collected**

Poems Robert Lowell, 2003-06-30 For the first time the collected poems of America's preeminent postwar poet Edmund Wilson wrote of Robert Lowell that he was the only recent American poet if you don't count Eliot who writes successfully in the language and cadence and rhyme of the resounding English tradition Frank Bidart and David Gewanter have compiled a definitive edition of Lowell's poems from the early triumph of Lord Weary's Castle winner of the Pulitzer Prize to the brilliant willfulness of his Imitations of Sappho Baudelaire Rilke and other masters to the late spontaneity of his History winner of another Pulitzer and of his last book of poems Day by Day The book will also include several poems never previously collected as well as a selection of Lowell's intriguing drafts As poet and critic Randall Jarrell said You feel before reading any new poem of his the uneasy expectation of perhaps encountering a masterpiece Lowell's Collected Poems will offer the first opportunity to view the entire range of his astonishing verse **Robert Lowell** Steven Axelrod, Helen Deese, 1986 Robert

Lowell is one of the most widely recognized and influential poets of the second half of this century Yet his career is problematical and raises many questions about direction and quality particularly in light of his repeated reorientation of thematic concern and poetic technique Many previous studies of the poet have accounted for these radical differences in Lowell's work by examining the poet's private life but this collection of essays attempts to reassess Lowell's poetry and to restimulate critical thinking about it by focusing on his texts to raise new questions and discussions about the work The twelve essays in this volume by many of the most distinguished scholars in the field offer a chronological review of Robert Lowell's career as a poet The book includes pieces on major works such as Lord Weary's Castle Life Studies For the Union Dead Skunk Hour Notebook the sonnets of 1969-73 as well as four essays devoted to Lowell's last complete and often neglected work Day by Day Employing a variety of methodologies the essays arrive at innovative and often controversial interpretations of Lowell's poems Robert Lowell Jay Martin, 1970 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible to scholars students researchers and general readers Rich with historical and cultural value these works are published unaltered from the original University of Minnesota Press editions The books

offered through Minnesota Archive Editions are produced in limited quantities according to customer demand and are available through select distribution partners

Robert Lowell's Imitations and the Cold War Simon van Schalkwyk, 2025-08-07 The first book length study focusing on Robert Lowell's career long preoccupation with the liberal mode of translational adaptation known as imitation Robert Lowell's *Imitations and the Cold War* argues that Lowell's imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination secrecy and security post imperial U S expansion and Empire It departs from studies focused solely on *Imitations* 1961 Lowell's book length collection of translational adaptations by demonstrating how imitation shadows Lowell's work from his earliest collections *Land of Unlikeness* 1944 and *Lord Weary's Castle* 1946 through his celebrated mid career collections *Life Studies* 1959 and *For the Union Dead* 1964 and to later works such as *Near the Ocean* 1969 and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology *Poets on Street Corners* 1967 Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career In so doing he shows how imitation enacts at the level of form Lowell's restless investment in Cold War geopolitics and literary networks in ways that inform develop and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession As literary sites at which containment's dualities porosities leakages and contaminants are most clearly displayed Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation with the personal regional and national frameworks through which Lowell has commonly been understood

Robert Lowell and the American Past Norbert Krapf, 1979 Modern American Poetry: Robert Lowell (1917-1977), The Department of English of the University of Illinois at Urbana Champaign presents information about the life and works of American poet Robert Lowell 1917 1977 as part of Modern American Poetry MAPS The information includes descriptions of Lowell's work a biographical sketch and provides access to additional resources

Robert Lowell's Language of the Self Katharine Wallingford, 2018-08-25 Katharine Wallingford's incisive study treats Robert Lowell's work as a poetry of self examination and explores the ways in which he used methods common to psychoanalysis and other forms of psychotherapy in his poetry Although he was never psychoanalyzed in a strictly Freudian sense Lowell spent many years in psychotherapy Wallingford stresses not the pathological aspects of Lowell's work however but rather his lifelong process of self examination a process with ethical as well as psychological dimensions She links this process to the tradition of self scrutiny that Lowell inherited from his New England Puritan ancestors Through close readings of the poetry and of unpublished drafts of several poems as well as letters from Lowell to George Santayana Allen Tate and his cousin Harriet Winslow Wallingford treats Lowell's use of specific psychoanalytic techniques free association repetition concentration on the relation between the poet and the other to whom

he addresses himself and the use of memory to probe the past The book considers as well the role the narrative plays in these psychoanalytic and poetic techniques Lowell believed firmly in the identity of self and language one life one writing and this study brings us closer to an understanding both of the poet and of his dense and moving poetry It enriches our reading of Lowell s poetry by calling attention to the ways in which his poetic techniques are analogous to and to some extent derived from psychoanalytic techniques techniques that have in our time become integrated into our culture as a whole Originally published in 1988 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Tendencies in Modern American Poetry Amy Lowell,1917 *The Undergraduate's Companion to American Writers and Their Web Sites* Larry G. Hinman,2000-12-15 An outstanding research guide for undergraduate students of American literature this best selling book is essential when it comes to researching American authors Bracken and Hinman identify and describe the best and most current sources both in print and online for nearly 300 American writers whose works are included in the most frequently used literary anthologies Students will know exactly what information is available and where to find it **The Unraveling of America** Allen J. Matusow,2009 In a book that William E Leuchtenburg writing in the Atlantic called a work of considerable power Allen Matusow documents the rise and fall of 1960s liberalism He offers deft treatments of the major topics anticommunism civil rights Great Society programs the counterculture making the most throughout of his subject s tremendous narrative potential Matusow s preface to the new edition explains the sometimes critical tone of his study The Unraveling of America he says was intended as a cautionary tale for liberals in the hope that when their hour struck again they might perhaps be fortified against past error Now that they have another chance a look back at the 1960s might serve them well **American Poetry since 1945** Eleanor Spencer-Regan,2017-09-16 This book features a collection of essays on some of the key poets of post war America written by leading scholars in the field All the essays have been newly commissioned to take account of the diverse movements in American poetry since 1945 and also to reflect retrospectively on some of the major talents that have shaped its development In the aftermath of the Second World War American poets took stock of their own tumultuous past but faced the future with radically new artistic ideals and commitments More than ever before American poetry spoke with its own distinctive accents and declared its own dreams and desires This is the era of confessionalism beat poetry protest poetry and avant garde postmodernism This book explores the work of John Berryman Robert Lowell Elizabeth Bishop Adrienne Rich and Sylvia Plath as well as contemporary African American poets and new poetic voices emerging in the 21st century This New Casebook introduces the major American poets of the post war generation evaluates their achievements in the light of changing critical opinion and offers lively incisive readings of some of the most challenging and enthralling poetry of the modern era **From Tragedy to Apocalypse in**

American Literature Lin Atnip, 2024-06-15 From Tragedy to Apocalypse in American Literature Reading to Make Sense of Our Endings argues that imaginative literature is essential to comprehending contemporary threats to the survival of the human species and the preservation of our humanity Atnip outlines a theory of reading which directs us to realities and imperatives that are ignored denied or distorted by dominant social conventions and habits of cognition She then puts this theory into practice through readings of postwar American works by Robert Lowell Wallace Stevens Cormac McCarthy and Norman Maclean This book argues that these texts collectively educate us to a new ground of sense the apocalyptic sublime and the need for an unending effort to comprehend what it means to live a human life against this inhuman background

The Catholic Imagination in American Literature Ross Labrie, 1997 A concluding chapter examines the significance of the corpus of Catholic American writing in the years 1940 to 1980 considering it parallel in substance to the body of Jewish American literature of the same period

Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States
