

Verily in these things there are signs for those who understand! (at their Sign if thou dost marvel is their Sign of faith), strange is their saying: "When we are (actually) dead, shall we indeed then be in a position renewed?" They are those who deny their Lord! They are those whose necks will be yokes of servitude): they will be Companions of the Fire, to dwell therein (for ever).

They ask thee to hasten on the evil in preference to the good that have come to pass, before them, (many) exemplary punishment. But verily thy Lord is full of wisdom for mankind for their wrong-doing. And verily thy Lord is most strict in punishment. And the Unbelievers say: "Why is not a Sign sent down to him from his Lord?" But thou art only a warner, and to every people only a guide.

Allah doth know what every female (womb) doth bear, by how much the wombs fall short (of their time or number) or do exceed. Every single thing is with Him in (just) proportion.

He knoweth the Unseen and that which is open: He is the Great, the most High.

It is the same (to Him) whether any of you conceal his speech or declare it openly: whether he lie by night or walk forth freely by day.

For each (such person) there are (angels) in succession, before and behind him; they guard him by command of Allah. Verily never will Allah change the condition of a people until they change what is in themselves but when (once) Allah wills a people's punishment, there can be no turning it back, nor will they find, besides Him, any to protect.

It is He Who doth show you the lightning, by way both of fear

Powers,2011-06-03 The Islamic claim to supersede Judaism and Christianity is embodied in the theological assertion that the office of prophecy is hereditary but that the line of descent ends with Muhammad who is the seal or last of the prophets While Muhammad had no natural sons who reached the age of maturity he is said to have adopted a man named Zayd and mutual rights of inheritance were created between the two Zayd b Muhammad also known as the Beloved of the Messenger of God was the first adult male to become a

Muslim and the only Muslim apart from Muhammad to be named in the Qur'an. But if prophecy is hereditary and Muhammad has a son David Powers argues then he might not be the Last Prophet. Conversely if he is the Last Prophet he cannot have a son. In *Muhammad Is Not the Father of Any of Your Men* Powers contends that a series of radical moves were made in the first two centuries of Islamic history to ensure Muhammad's position as the Last Prophet. He focuses on narrative accounts of Muhammad's repudiation of Zayd of his marriage to Zayd's former wife and of Zayd's martyrdom in battle against the Byzantines. Powers argues that theological imperatives drove changes in the historical record and led to the abolition or reform of key legal institutions. In what is likely to be the most controversial aspect of his book he offers compelling physical evidence that the text of the Qur'an itself was altered.
