Arcangel I: Nathaniel The Fourth

Frank Hill Miranda,2012-09-10 This was a time Before History Before Man knew of the value or meaning Of God First came the Angels It was their world to rule and reign Almost gods themselves In a world That had almost forgotten the Warrior Angel Known as Nathaniel the fourth Arcangel And all the angels were Warriors Elite the perfect creations of God Whether they had evolved as far as they were able Man will never know In their time Heaven had never known dissent or disobedience until Heaven found that day It was the day that man was created in the image of his Creator as well as in the likeness of Angels Man was born to be Innocent of all that was created before him but lesser than the angels man was granted the protection of his angel brothers

as teachers and guides from the moment of man's birth. Perhaps it was jealousy that created the events that followed that sided angel against angel until Lucifer the greatest of all angels and once the crest of the Arc himself led the revolt against the decision of their Creator. His vow was to destroy the very heart of man's purity thereby proving his lesser worth for no angel shall bow to the wishes of man. Even though Man's spirit was blessed to one day stand alongside the very throne of all creation and beside His only Son The Christ. This was the time that shaped Man's fate until the time of Man's birth when he would be delivered by the Love of Christ Himself. For the infant soul of man had been gifted with the very light essence of the Creator Himself. It was a gift not considered when the angels themselves were created eons before. However this was a new time and a new beginning. Man was blessed to be the inheritor of all creation and considered to be of soul and spirit in rebirth to a new age in a new world and more importantly in a new vision a reflection of the Creator Himself so had begun. Born without the powers of complete knowledge as his angel brothers man was still given freedom of will to choose for himself his own destiny and therefore too granted the power to procreate and grow within himself to find his own reasons to be.

Art-Union ,1861 ADVENTURES OF ARABELLA AND THE SEVEN MAIDENS Dorothy Angkahan,2025-01-28

Arabella is off on her second journey to help people who are oppressed in the world. The child doesn't know where her next journey is taking her but she is looking forward to more adventures and to help others if she can. When Arabella is finally transported to another faraway land she becomes astonished about her second goodwill mission to help people from a dire situation because she must go with her new companion whom Arabella will meet in her second journey and they must travel around the world to collect the seven keys from the seven maidens. Afterward Arabella and her companion return where her companion is from to free the people there from a devastating curse that has plagued the land the king's southern part of his kingdom. While the two girls travel to each maiden's territory they're faced with perils and trials on the way. So no one can say that the girls don't have their hands full yet during their goodwill mission they'll meet wonderful people of foreign tongues and cultures between the maidens territories. Also Arabella and her companion will develop a meaningful relationship with each other that's binding for life. They both have strong faith for their age but they would have to because without faith and divine intervention their goodwill mission won't be successful. This Arabella learned from her first journey and more so in this second journey. One thing the girls will have in common with their perils and trials they both will see their faith grow and through perseverance they both will gain wisdom yet maintaining humility and a heart of charity on the way. If Arabella is thinking her first and previous journey was overwhelming then she'll surely find this second journey surpasses her first with amazing and incomprehensible adventures and perils on the way so her and new companion's faith may be tested. Thus with each goodwill mission her faith will grow stronger and the values she learns from her journeys are indeed preparing her to rule wisely and justly as baroness of the Wellington dynasty someday.
