James pioneering study *The Varieties of Religious Experience* 1902 and his four marks of the mystic state ineffability noetic
quality transience and passivity Excerpt All men at one time or another have fallen in love with the veiled Isis whom they
call Truth With most this has been a passing passion they have early seen its hopelessness and turned to more practical
things But others remain all their lives the devout lovers of reality though the manner of their love the vision which they
make to themselves of the beloved object varies enormously Some see Truth as Dante saw Beatrice an adorable yet
intangible figure found in this world yet revealing the next *Annual List of Books Added to the Public Library of Cincinnati.*
