Myths Of The Seven Sleepers Of Ephesus:

Myths of the Seven Sleepers of Ephesus Sabine Baring-Gould, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *Curious Myths of the Middle Ages* Sabine Baring Gould, 1872 *Curious Myths of the Middle Ages* Sabine Baring-Gould, 2020-09-28 I do not refer to the first illustration as striking where the Jewish shoemaker is refusing to suffer the cross laden Savior to rest a moment on his door step and is receiving with scornful lip the judgment to wander restless till the Second Coming of that same Redeemer But I refer rather to the second which represents the Jew after the lapse of ages bowed beneath the burden of the curse worn with unrelieved toil wearied with ceaseless travelling trudging onward at the last lights of evening when a rayless night of unabating rain is creeping on along a sloppy path between dripping bushes and suddenly he comes over against a wayside crucifix on which the white glare of departing daylight falls to throw it into ghastly relief against the pitch black rain clouds For a moment we see the working of the miserable shoemaker s mind We feel that he is recalling the tragedy of the first Good Friday and his head hangs heavier on his breast as he recalls the part he had taken in that awful catastrophe Or is that other illustration more remarkable where the wanderer is amongst the Alps at the brink of a hideous chasm and seeing in the contorted pine branches the ever haunting scene of the Via Dolorosa he is lured to cast himself into that black gulf in quest of rest when an angel flashes out of the gloom with the sword of flame turning every way keeping him back from what would be to him a Paradise indeed the repose of Death Or that last scene when the trumpet sounds and earth is shivering to its foundations the fire is bubbling forth through the rents in its surface and the dead are coming together flesh to flesh and bone to bone and muscle to muscle then the weary man sits down and casts off his shoes Strange sights are around him he sees them not strange sounds assail his ears he hears but one the trumpet note which gives the signal for him to stay his wanderings and rest his weary feet I can linger over those noble woodcuts and learn from them something new each time that I study them they are picture poems full of latent depths of thought And now let us to the history of this most thrilling of all medi val myths if a myth If a myth I say for who can say for certain that it is not true Verily I say unto you There be some standing here which shall not taste of death till they see the Son of Man coming in His kingdom are our Lord s words which I can hardly think apply to the destruction of Jerusalem as commentators explain it to escape the difficulty That some should live to see Jerusalem destroyed was not very surprising and hardly needed the emphatic Verily which Christ only used when speaking something of peculiarly solemn or mysterious import Besides St Luke s account manifestly refers the coming in the kingdom to the Judgment for the saying stands as follows Whosoever shall be ashamed of Me and of My words of him shall the Son of Man be ashamed when He shall come in His own glory and in His Father s and of the holy angels But I

tell you of a truth there be some standing here which shall not taste of death till they see the kingdom of God *The anonymous Old English legend of the seven sleepers* Hugh Magennis,1994 The Mythology of the Arian Nations by George W. Cox ,1870 *The Mythology of the Aryan Nations in Two Volumes* by *George W. Cox* ,1870 *The Mythology of the Aryan Nations* George William Cox,1878 **John Donne** Harold Bloom,2009 Presents a critical analysis of some of the works of John Donne with a short biography Myths and Myth-makers John Fiske,1865 **Index to Fairy Tales, Myths, and Legends** Mary Huse Eastman,1926 This title index is arranged with the primary entries using the best known title while offering cross references to variant titles Titles suitable for young readers are marked with an asterisk making this a useful resources for school librarians
