Myths Of The Nation National Identity And Literary Representations:

Myths Of The Nation Rumina Sethi, Rumina, 2006-06-01 **Myths of the Nation** Rumina Sethi, 1999 Focusing on the construction of forms of historical consciousness in narratives this underscores what goes behind the writing of authentic histories by treating historical fiction as the literary dimension of nationalist ideology National Identity and Cultural Representation in the Novels of Arundhati Roy and Kiran Desai Sonali Das, 2018-04-18 This book is the first of its kind to examine the theories of nation and national identity in both the West according to the theories of Benedict Anderson and Salman Rushdie and in the East in the light of the works of Jawaharlal Nehru as they apply to the novels of Arundhati Roy and Kiran Desai The second part of the twentieth century witnessed a new interface between fiction and history called New History It brought into its purview the hitherto marginalized sections of society like slaves peasants workers women and children Whereas the subalterns in *The Inheritance of Loss* are disempowered by the brunt of globalisation and neo colonialism the subalterns in *The God of Small Things* face the ire of the deep seated divisions based on caste and gender bias in a postcolonial society In addition this book also deals with contemporary social issues like individual identity in a multicultural world where cultures and nature converge into myriad ways of living It will be of immense benefit to MA and MPhil students all over India as well as to PhD scholars and teachers of English literature both in India and abroad

Narratives in East Asia and Beyond Elizaveta Priupolina, Tanja Daniela Eckstein, 2023-05-30 In *Narratives in East Asia and Beyond An Interdisciplinary Perspective on Using Narratives as a Research Method* contributors from diverse fields jointly argue for the interdisciplinary appeal of using narratives as a research method Scholars from the fields of philosophy of narrative ethnographic research linguistics political sciences international relations and area studies reflect on how to approach understand and utilize narratives to comprehend social structures and interactions The volume attempts to reflect on a range of questions including How can narrative studies broaden and deepen the scope of research in other fields What connections exist between narratives and identities individual and collective How does analyzing narratives help us better understand the dynamics of the policy change and the perceptions of self and other The essays range from reflections on the role of narrativity in cognitive processes interview settings and in constructing historical memories to the analysis of narrator and audience perspectives on the Chinese Belt and Road Initiative evaluations of roles and legitimation strategies as well as interpretations of documentary films The authors show the flexibility and fruitfulness of incorporating narratives into research agendas in a wide range of disciplines and highlight the theoretical and empirical research benefits that narrative studies open up **The Postcolonial and Imperial Experience in American Transcendentalism** M. Paryz, 2012-01-30 Analyses literary representations of the American experience in selected works of Ralph Waldo Emerson Henry David Thoreau and Walt Whitman Reveals the ambivalence that underlay the cultural and political development of the United States as a former colony **Writing the Nation** Stefan Berger, 2007-07-12 This book brings together experts on national

history writing from all five continents to discuss the role of history in the making of national identities in a transnational and comparative way The institutionalization and professionalisation of history writing is analysed in the context of history s increasing nationalization *Reading India in a Transnational Era* Rumina Sethi,Letizia Alterno,2021-08-12 This anthology demonstrates the significance of Raja Rao s writing in the broader spectrum of anti colonial postcolonial and diasporic writing in the 20th century In addition to highlighting Rao s significant presence in Indian writing the volume presents a range of previously unpublished material which contextualises Rao s work within 20th century modernist postmodernist and postcolonial trends Exploring both his fictional and non fictional works *Reading India in a Transnational Era* engages with issues of subaltern agency and national belonging authenticity subjectivity internationalism multicultural politics postcolonialism and literary and cultural representation through language and translation A literary volume that discusses gender and identity on both socio political grounds apart from dealing with Rao s linguistic experimentations in a transnational era will be of interest among scholars and researchers of English postcolonial and world literature cultural theory and Asian studies **Cultural Studies in India** Rana Nayar,Pushpinder Syal,Akshaya Kumar,2017-07-05 This volume discusses the development of cultural studies in India It shows how inter disciplinarity and cultural pluralism form the basis of this emerging field It deals with contemporary debates and interpretations of post colonial theory subaltern studies Marxism and post Marxism nationalism and post nationalism Drawing upon literature linguistics history political science media and theatre studies and cultural anthropology it explores themes such as caste indigenous peoples vernacular languages and folklore and their role in the making of historical consciousness A significant intervention in the area this book will be useful to scholars and students of cultural studies and theory literature history cultural anthropology sociology and media and mass communication as well as the general reader **Remembering India's Villages** Santosh K. Singh,2023-07-21 In the time of agrarian crisis and movement *Remembering India s Villages* centralises the rural India examining its stubborn past and dynamic present Departing from the myth of little republics it sees villages in cinema development discourses and debates among the founders of modern India like Gandhi Nehru Tagore and Ambedkar Empirical research multidisciplinary perspective and cross cultural insights are useful aids in this book toward understanding the reality of the rural that comprises structural anomalies and social possibilities The book remembers India s villages under the trope of reconstitution rather than disappearance The book adds to the renewed interest in village studies rural sociology development studies and intellectual history This book is co published with Aakar Books Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan *National Identity, Popular Culture and Everyday Life* Tim Edensor,2020-06-15 The Millennium Dome Braveheart and Rolls Royce cars How do cultural icons reproduce and transform a sense of national identity How does national identity vary across time and space how is it contested and what has been the impact of globalization upon national identity and culture This book examines how national

identity is represented performed spatialized and materialized through popular culture and in everyday life National identity is revealed to be inherent in the things we often take for granted from landscapes and eating habits to tourism cinema and music Our specific experience of car ownership and motoring can enhance a sense of belonging whilst Hollywood blockbusters and national exhibitions provide contexts for the ongoing and often contested process of national identity formation These and a wealth of other cultural forms and practices are explored with examples drawn from Scotland the UK as a whole India and Mauritius This book addresses the considerable neglect of popular cultures in recent studies of nationalism and contributes to debates on the relationship between high and low culture
