Name Dropping Jane Heller,2016-04-26 This tale of murder and mistaken identity in a Manhattan apartment building is a rollicking and delectable read by a New York Times bestselling author People A teacher at a fancy Manhattan preschool Nancy Stern spends her days cleaning spills moderating bathroom breaks and preventing that one kid in the back of the room from eating glue With America s precious future in her hands Nancy rises to the occasion but sometimes she yearns for something a little more glamorous Meanwhile another woman by the name of Nancy Stern has moved into her apartment building and as if the constant mail mix ups aren t annoying enough every mistaken delivery and misdirected message reminds her that the other Nancy Stern is outshining her by far That pile of exclusive party invitations spilling out of her mailbox Not for her The stunning coat that s arrived straight from the cleaners Not a chance And that smooth voice on the other end of the line calling to ask Nancy out on a blind date Now that is something the penthouse floor Nancy Stern doesn t have to find out about But while her night out with the hunk stirs up a romance The other Nancy gets murdered And suddenly the real identity of not just the killer but the intended victim is a mystery in desperate need of solving Very funny When teacher Nancy accepts a blind date meant for the other Nancy things rapidly spiral out of control Murder and mayhem follow all in Heller s trademark witty and entertaining style Library Journal A charmingly improbable love story USA Today
