Napoleon Paul Johnson, 2006-05-02 From New York Times bestselling author Paul Johnson a very readable and entertaining biography The Washington Post about one of the most important figures in modern European history Napoleon Bonaparte In an ideal pairing of author and subject the magisterial historian Paul Johnson offers a vivid look at the life of the strategist general and dictator who conquered much of Europe Following Napoleon from the barren island of Corsica to his early training in Paris from his meteoric victories and military dictatorship to his exile and death Johnson examines the origins of his ferocious ambition In Napoleon s quest for power Johnson sees a realist unfettered by patriotism or ideology And he recognizes Bonaparte s violent legacy in the totalitarian regimes of the twentieth century Napoleon is a magnificent work that bears witness to one individual s ability to work his will on history

Napoleon Christopher Hibbert, 2002 Profiles the women who were the lovers of Napoleon and whose lives reflected the political and social upheavals of post Revolutionary France

The Age of Napoleon Alistair Horne, 2006-05-09 The age of Napoleon transformed Europe laying the foundations for the modern world Now Alistair Horne one of the great chroniclers of French history gives us a fresh account of that remarkable time Born into poverty on the remote island of Corsica he rose to prominence in the turbulent years following the French Revolution when most of Europe was arrayed against France Through a string of brilliant and improbable victories gained as much through his remarkable ability to inspire his troops as through his military genius Napoleon brought about a triumphant peace that made him the idol of France and later its absolute ruler Heir to the Revolution Napoleon himself was not a revolutionary rather he was a reformer and a modernizer both liberator and autocrat Looking to the Napoleonic wars that raged on the one hand and to the new social order emerging on the other Horne incisively guides readers through every aspect of Napoleon s two decade rule from France s newfound commitment to an aristocracy based on merit rather than inheritance to its civil code Napoleon s most important and enduring legacy to censorship cuisine the texture of daily life in Paris and the influence of Napoleon abroad At the center of Horne s story is a singular man one whose ambition willpower energy and ability to command changed history and continues to fascinate us today

Napoleon's Women Christopher Hibbert, 2004 As a soldier and an emperor Napoleon was ruthless and

determined as a lover he showed the same single minded ferocity *Napoleon* Andrew Roberts,2014-11-04 The definitive biography of the great soldier statesman by the acclaimed author of *Churchill* and *The Last King of America* winner of the LA Times Book prize finalist for the Plutarch prize winner of the Fondation Napoleon prize and a New York Times bestseller A thrilling tale of military and political genius Roberts is an uncommonly gifted writer The Washington Post Austerlitz Borodino Waterloo his battles are among the greatest in history but Napoleon Bonaparte was far more than a military genius and astute leader of men Like George Washington and his own hero Julius Caesar he was one of the greatest soldier statesmen of all times Andrew Roberts s *Napoleon* is the first one volume biography to take advantage of the recent publication of Napoleon s thirty three thousand letters which radically transform our understanding of his character and motivation At last we see him as he was protean multitasker decisive surprisingly willing to forgive his enemies and his errant wife Josephine Like Churchill he understood the strategic importance of telling his own story and his memoirs dictated from exile on St Helena became the single bestselling book of the nineteenth century An award winning historian Roberts traveled to fifty three of Napoleon s sixty battle sites discovered crucial new documents in archives and even made the long trip by boat to St Helena He is as acute in his understanding of politics as he is of military history Here at last is a biography worthy of its subject magisterial insightful beautifully written by one of our foremost historians *Napoleon Bonaparte* Gregory Fremont-Barnes,2012-07-20 Napoleon Bonaparte is renowned as one of the great military commanders in history and the central figure in so many of the events of the French Revolutionary and Napoleonic wars Throughout the first decade of the 19th century he won battle after battle by wielding the Grande Armée decisively against the other powers of Europe Prussia Austria and Russia Yet his fortunes changed in 1812 when the invasion of Russia wrecked his forces and Napoleon suffered his final defeat at Waterloo in 1815 This military biography lifts the lid on the combat history of one of the most famous military commanders of all time Kutuzov Alexander Mikaberidze,2022 A Russian war hero who defeated Napoleon and became a mythic military figure Alexander Mikaberidze s latest book is the first modern English language biography of Mikhail Golenischev Kutuzov the famed Russian Field Marshal and central character of Leo Tolstoy s epic *War and Peace* One of the most important military minds of the period he is credited with defeating Napoleon and saving Russia though his fame is not limited to the Napoleonic wars As it often happens with national heroes Kutuzov gradually became larger than life a messianic character who led Holy Russia against the evils of the Revolution and anarchy the Soviet leaders later exploited his personality for even more grandiose schemes The real Kutuzov was gradually replaced by a mythical character who appeared at a time of great danger to save Russia The impact of this propaganda can be still seen in modern Russia In 2000 the public opinion poll showed that majority of the Russians consider Kutuzov as the Person of the 19th Century far ahead of famous writers Alexander Pushkin and Leo Tolstoy composer Peter Tchaikovsky or scientist Dmitry Mendeleev while the 2017 public opinion poll placed Kutuzov in the top twenty of the most distinguished historical personalities in world

history slightly behind Napoleon As much as Kutuzov is venerated in Russia he remains an overlooked figure in the West with Western historiography comprising of just a handful of titles in English French or German the vast majority of them translations of older Soviet works or derived from them This book provides a new biography of the field marshal examining his personal life and military diplomatic accomplishments and relying on a wide range of primary and secondary sources as well as Russian archival material Mikaberidze offers a fresh look at the historical figure whose character remains elusive but whose accomplishments are irrefutable

Ambition and Desire Kate Williams, 2014-11-04 From CNN's official royal historian a highly praised young author with a doctorate from Oxford University comes the extraordinary rags to riches story of the woman who conquered Napoleon's heart and with it an empire Their love was legendary their ambition flagrant and unashamed Napoleon Bonaparte and his wife Josephine came to power during one of the most turbulent periods in the history of France The story of the Corsican soldier's incredible rise has been well documented Now in this spellbinding luminous account Kate Williams draws back the curtain on the woman who beguiled him her humble origins her exorbitant appetites and the tragic turn of events that led to her undoing Born Marie Jos phe Rose de Tascher de La Pagerie on the Caribbean island of Martinique the woman Napoleon would later call Josephine was the ultimate survivor She endured a loveless marriage to a French aristocrat executed during the Reign of Terror then barely escaped the guillotine blade herself Her near death experience only fueled Josephine's ambition and heightened her determination to find a man who could finance and sustain her Though no classic beauty she quickly developed a reputation as one of the most desirable women on the continent In 1795 she met Napoleon The attraction was mutual immediate and intense Theirs was an often tumultuous union roiled by their pursuit of other lovers but intensely focused on power and success Josephine was Napoleon's perfect consort and the object of national fascination Together they conquered Europe Their extravagance was unprecedented even by the standards of Versailles But she could not produce an heir Sexual obsession brought them together but cold biological truth tore them apart Gripping in its immediacy captivating in its detail *Ambition and Desire* is a true tale of desire heartbreak and revolutionary turmoil engagingly written by one of England's most praised young historians Kate Williams's searing portrait of this alluring and complex woman will finally elevate Josephine Bonaparte to the historical prominence she deserves Praise for *Ambition and Desire* Not just a scholarly work but a page turner Williams is no stranger to creating works on strong and influential women and as in those works here she does an admirable job of demystifying Josephine This engrossing and accessible account is for all readers who enjoy historical biography Library Journal A riveting account Williams perfectly illustrates all that was bizarre and maddening about French life during the reign of Josephine and Napoleon Bonaparte Publishers Weekly Intelligent and entertaining Kirkus Reviews An in depth portrait of the substantive woman behind the throne Booklist Reading *Ambition and Desire* is like watching *Silk Stockings* the 1957 Hollywood masterpiece with Fred Astaire and Cyd Charisse The book flows and jumps taking the reader by the hand through tormented

times in French history without ever letting you go or losing itself in the intricacies of French politics The Times A sparkling account of this most fallible and endearing of women Daily Mail A whirlwind tour of French history The Telegraph

Waterloo Commanders Andrew Uffindell, 2007-07-01 Waterloo is one of the most famous battles in history and it has given rise to a vast and varied literature The strategy and tactics of the battle and the entire Waterloo campaign have been analysed at length The commanders manoeuvres and critical episodes and the intense experiences of the men who took part have all been recorded in minute detail But the organization structure and fighting strength of the armies that fought in the battle have received less attention and this is the subject of Philip Haythornthwaite's detailed authoritative and engaging study Through a close description of the structure and personnel of each of the armies he builds up a fascinating picture of their makeup their methods and their capabilities The insight he offers into the contrasting styles and national characteristics of the forces that came together on the Waterloo battlefield gives a fresh perspective on the extraordinary clash of arms that ended the Napoleonic era
