Narrative Of Thomas Smallwood Coloured Man:

A Narrative of Thomas Smallwood (coloured Man) : Giving an Account of His Birth, the Period He was Held in Slavery, His Release and Removal to Canada, Etc. : Together with an Account of the Underground Railroad

Thomas Smallwood, Stephens, J. (Toronto, Ont.), 1851 *A Narrative of Thomas Smallwood (coloured Man)* Thomas Smallwood, 1851 *A Narrative of Thomas Smallwood (Coloured Man)* Thomas Smallwood, 2000 The only ex slave narrative to be written and published in Canada **Odysseys Home** George Elliott Clarke, 2017-06-22 *Odysseys Home* Mapping African Canadian Literature is a pioneering study of African Canadian literary creativity laying the groundwork for future scholarly work in the field Based on extensive excavations of archives and texts this challenging passage through twelve essays presents a history of the literature and examines its debt to and synthesis with oral cultures George Elliott Clarke identifies African Canadian literature's distinguishing characteristics argues for its relevance to both African Diasporic Black and Canadian Studies and critiques several of its key creators and texts Scholarly and sophisticated the survey cites and interprets the works of several major African Canadian writers including Andr Alexis Dionne Brand Austin Clarke Claire Harris and M Nourbese Philip In so doing Clarke demonstrates that African Canadian writers and critics explore the tensions that exist between notions of universalism and black nationalism liberalism and conservatism These tensions are revealed in the literature in what Clarke argues to be paradoxically uniquely Canadian and proudly apart from a mainstream national identity Clarke has unearthed vital but previously unconsidered authors and charted the relationship between African Canadian literature and that of Africa African America and the Caribbean In addition to the essays Clarke has assembled a seminal and expansive bibliography of texts literature and criticism from both English and French Canada This important resource will inevitably challenge and change future academic consideration of African Canadian literature and its place in the international literary map of the African Diaspora *Published by the Author* Bryan Sinche, 2024-04-10 Publication is an act of power It brings a piece of writing to the public and identifies its author as a person with an intellect and a voice that matters Because nineteenth century Black Americans knew that publication could empower them and because they faced numerous challenges getting their writing into print or the literary market many published their own books and pamphlets in order to garner social political or economic rewards In doing so these authors nurtured a tradition of creativity and critique that has remained largely hidden from view Bryan Sinche surveys the hidden history of African American self publication and offers new ways to understand the significance of publication as a creative reformist and remunerative project Full of surprising turns Sinche's study is not simply a look at genre or a movement it is a fundamental reassessment of how print culture allowed Black ideas and stories to be disseminated to a wider reading public and enabled authors to retain financial and editorial control over their own narratives **The Voyageur Canadian History 2-Book Bundle** Benjamin Drew, 2014-03-14 *Voyageur Classics* is a series that issues special new versions of Canadian classics with added material and

special introductions In this bundle we find two classic works of Canadian historical writing During three extraordinary years 1805-1808 Simon Fraser undertook the third major expedition across North America culminating in his famous journey down the river in British Columbia that now bears his name Fraser's exploratory efforts helped lead to Canada's boundary later being declared at the 49th parallel In this new volume librarian and archivist W Kaye Lamb provides a detailed introduction as well as illuminating annotations to Fraser's journals In the early 1850s white American abolitionist Benjamin Drew was commissioned to travel to Canada West now Ontario to interview escaped slaves from the United States In the course of his journeys in Canada Drew visited Chatham Toronto Galt Hamilton London Dresden Windsor and a number of other communities Originally published in 1856 Drew's book is the only collection of first hand interviews of fugitive slaves in Canada ever done It is an invaluable record of early black Canadian experience Includes **The Refugee The Letters and Journals of Simon Fraser 1806-1808** Ronald Cummings, Natalee Caple, 2022-05-15 Historic freedom fighter and conductor of the Underground Railroad Harriet Tubman risked her life to ferry enslaved people from America to freedom in Canada Her legacy instigates and orients this exploration of the history of Black lives and the future of collective struggle in Canada Harriet's Legacies recuperates the significance of Tubman's time in Canada as more than just an interlude in her American narrative it is a new point from which to think about Black diasporic mobilities possibilities and histories Through essays and creative works this collection articulates new territory for Tubman in relation to the Black Atlantic archive connecting her legacies of survival freedom and cultural expression within a transnational framework Contributors take up the question of legacy in ways that remap discourses of genealogy and belonging positioning Tubman as an important part of today's freedom struggles Integrating scholarship with creative and curatorial practices the volume expands conversations about culture and expression in African Canadian life across art literature performance politics and public pedagogy Considering questions of culture community and futures Harriet's Legacies explores what happened in the wake of Tubman's legacy and situates Canada as a key part of that dialogue **The Underground Railroad** Adrienne Shadd, Afua Cooper, Karolyn Smardz Frost, 2005-11-28 The Underground Railroad Next Stop Toronto stands out as an engaging and highly readable account of the lives of Black people in Toronto in the 1800s Adrienne Shadd Afua Cooper and Karolyn Smardz Frost offer many helpful points of entry for readers learning for the first time about Black history in Canada They also give surprising and detailed information to enrich the understanding of people already passionate about this neglected aspect of our own past Lawrence Hill Writer The Underground Railroad Next Stop Toronto a richly illustrated book examines the urban connection of the clandestine system of secret routes safe houses and conductors Not only does it trace the story of the Underground Railroad itself and how people courageously made the trip north to Canada and freedom but it also explores what happened to them after they arrived And it does so using never before published information on the African Canadian community of Toronto Based entirely on new research carried out for the experiential theatre show The

Underground Railroad Next Stop Freedom at the Royal Ontario Museum this volume offers new insights into the rich heritage of the Black people who made Toronto their home before the Civil War It portrays life in the city during the nineteenth century in considerable detail This exciting new book will be of interest to readers young and old who want to learn more about this unexplored chapter in Toronto s history *Slavery, Fatherhood, and Paternal Duty in African American Communities over the Long Nineteenth Century* Libra R. Hilde,2020-10-01 Analyzing published and archival oral histories of formerly enslaved African Americans Libra R Hilde explores the meanings of manhood and fatherhood during and after the era of slavery demonstrating that black men and women articulated a surprisingly broad and consistent vision of paternal duty across more than a century Complicating the tendency among historians to conflate masculinity within slavery with heroic resistance Hilde emphasizes that while some enslaved men openly rebelled many chose subtle forms of resistance in the context of family and local community She explains how a significant number of enslaved men served as caretakers to their children and shaped their lives and identities From the standpoint of enslavers this was particularly threatening a man who fed his children built up the master s property but a man who fed them notions of autonomy put cracks in the edifice of slavery Fatherhood highlighted the agonizing contradictions of the condition of enslavement and to be an involved father was to face intractable dilemmas yet many men tried By telling the story of the often quietly heroic efforts that enslaved men undertook to be fathers Hilde reveals how formerly enslaved African Americans evaluated their fathers including white fathers and envisioned an honorable manhood **Longing for Connection** Andrew Burstein,2024-04-23 This work presents the first emotional history of the United States analyzing the writings left behind by Americans in the decades leading from the Revolution to the Civil War in order to better grasp their private feelings stored ambitions and mortal fears
