Narrative Reading, Narrative Preaching Joel B. Green, Michael Pasquarello, III, 2003-12-01 There is often an unfortunate division between the technical work of biblical scholars and the practical work of preachers who construct sermons each week These two fields of study which ought to be mutually informed and supportive are more often practically divided by divergent methods interests and goals Narrative Reading Narrative Preaching aims to bridge that divide Using narrative as an organizing theme the contributors work through the New Testament offering examples of how interpretation can rightly inform proclamation Three pairs of chapters feature an exemplary reading by a New Testament scholar followed by a sermon informed by that reading Introductory and concluding chapters provide guidance for application of the model Pastors and seminarians will find here a uniquely practical work that will help them with both the reading and preaching of Scripture

From Story Interpretation to Sermon Crafting Charles R. Dickson, 2012-01-09 From Story Interpretation to Sermon Crafting was written by a preacher for preachers who have to deal with the competing demands of pastoral ministry It takes some of the gains of the last seven decades of the literary approach to Scripture and applies them to a vital aspect of pastoral ministry preaching The book presents a text centered and theological approach to analyzing Old Testament narratives This approach lays a solid basis for interpreting the narratives and demonstrates that the movement from examining the text to crafting the sermon is a continuous process Making use of many examples based on narrative passages from the Old Testament that facilitate grasping the methodology this approach to sermon crafting is rooted in the text shaped by the text and is characterized by sound and controlled exegesis It provides the pastor with an approach that enables Old Testament historical narrative to speak to Christian believers in contemporary society in a way that addresses the issues concerns and struggles faced by the church and Christians The writer to the Hebrews says of righteous Abel though he is dead he still speaks 11 4 Similarly these ancient stories do speak and can still speak today To make them heard effectively and relevantly is the purpose of the book

Preaching from Inside the Story Jeffrey W. Frymire, 2022-06-02 Preaching from Inside the Story is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle s foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture Preaching from Inside the Story breaks new ground by encouraging preachers to move inside stories and tell them from the inside out providing a positive effect thereby affording non narrative

preachers to connect with storytelling principles Ultimately it is filled with examples of how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching
