Narrow Road To The Interior:

Narrow Road to the Interior Bashō Matsuo, 1991 Matsuo Basho was the greatest of the Japanese haiku poets whose genius elevated the haiku to an art form of intense spiritual beauty This one of the most revered classics of Japanese literature is a diary of Basho s journey to the northern interior of Japan The Narrow Road to the Interior: Poems Kimiko Hahn, 2006 A collection of over thirty poems by American poet Kimiko Hahn in which she explores her various identities

Narrow Road to the Interior Matsuo Basho, 2019-05-14 A masterful translation of one of the most loved classics of Japanese literature part travelogue part haiku collection part account of spiritual awakening Bash 1644 1694 a great luminary of Asian literature who elevated the haiku to an art form of utter simplicity and intense spiritual beauty is renowned in the West as the author of *Narrow Road to the Interior* a travel diary of linked prose and haiku recounting his journey through the far northern provinces of Japan This edition part of the Shambhala Pocket Library series features a masterful translation of this celebrated work It also includes an insightful introduction by translator Sam Hamill detailing Bash s life and the art of haiku three other important works by Bash *Travelogue of Weather Beaten Bones* *The Knapsack Notebook* and *Sarashina Travelogue* and two hundred and fifty of his finest haiku making this the most complete single volume collection of Bash s writings The Shambhala Pocket Library is a collection of short portable teachings from notable figures across religious traditions and classic texts The covers in this series are rendered by Colorado artist Robert Spellman The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible reader friendly and applicable to everyday life **Narrow Road to the Interior** Matsuo

Basho, 2006-11-14 A masterful translation of one of the most loved classics of Japanese literature part travelogue part haiku collection part account of spiritual awakening Bash 1644 1694 a great luminary of Asian literature who elevated the haiku to an art form of utter simplicity and intense spiritual beauty is renowned in the West as the author of *Narrow Road to the Interior* a travel diary of linked prose and haiku recounting his journey through the far northern provinces of Japan This edition features a masterful translation of this celebrated work It also includes an insightful introduction by translator Sam Hamill detailing Bash s life and the art of haiku three other important works by Bash *Travelogue of Weather Beaten Bones* *The Knapsack Notebook* and *Sarashina Travelogue* and two hundred and fifty of his finest haiku making this the most complete single volume collection of Bash s writings Traces of Dreams Haruo Shirane, 1998 Basho 1644 94 is perhaps the best known Japanese poet in both Japan and the West and this book establishes the ground for badly needed critical discussion of this critical figure by placing the works of Basho and his disciples in the context of broader social change

Basho's Narrow Road Matsuo Basho, 2013-06-15 A stimulating exploration of the haiku masterpiece Matsuo Basho 1644 94 is considered Japan s greatest haiku poet *Narrow Road to the Interior* *Oku no Hosomichi* is his masterpiece Ostensibly a chronological account of the poet s five month journey in 1689 into the deep country north and west of the old capital Edo

the work is in fact artful and carefully sculpted rich in literary and Zen allusion and filled with great insights and vital rhythms In Basho s Narrow Road Spring and Autumn Passages poet and translator Hiroaki Sato presents the complete work in English and examines the threads of history geography philosophy and literature that are woven into Basho s exposition He details in particular the extent to which Basho relied on the community of writers with whom he traveled and joined in linked verse renga poetry sessions an example of which A Farewell Gift to Sora is included in this volume In explaining how and why Basho made the literary choices he did Sato shows how the poet was able to transform his passing observations into words that resonate across time and culture

Classical Japanese Prose Helen Craig McCullough,1990 This volume brings together in convenient form a rich selection of Japanese prose dating from the ninth to the seventeenth centuries a period during which the preeminent cultural and aesthetic values were those of the Heian court It contains 22 works representing all the major indigenous literary forms either complete or in generous excerpts and is particularly rich in writing by women and in autobiographical writings This anthology contains longer selections than the only other available anthology which was published in the 1950s and each selection is preceded by an introduction reflecting the most recent scholarship With three exceptions all the translations are by the compilers and almost all of them are published here for the first time Because of space limitations the compiler has omitted the two long masterpieces of the age The Tale of Genji and The Tale of Heike which deserve to be read in their entirety and which are available in paperback English translations The book contains an extensive general introduction thirteen illustrations five maps a glossary and a selected bibliography of works in English translation

Exophony Yoko Tawada,2025-06-03 An electrifying new side of the National Book Award Winner Yoko Tawada her first book of essays in English I am trying to learn with my tongue sounds that are unfamiliar to me A foreign sounding word learned out of curiosity is not imitation per se All of these things I learn leave traces that slowly grow to coexist with my accent And that balancing act goes on changing indefinitely How perfect that Yoko Tawada s first essay in English dives deep into her lifelong fascination with the possibilities opened up by cross hybridizing languages Tawada famously writes in both Japanese and German but her interest in language reaches beyond any mere dichotomy The term exophonic which she first heard in Senegal has a special allure for the author I was already familiar with similar terms immigrant literature or creole literature but exophonic had a much broader meaning referring to the general experience of existing outside of one s mother tongue Tawada revels in explorations of cross cultural and intra language possibilities and along the way deals several nice sharp raps to the primacy of English The accent here as in her fiction is the art of drawing closer to the world through defamiliarization Never entertaining a received thought Tawada seeks the still to be discovered truths as well as what might possibly be invented entirely whole cloth Exophony opens a new vista into Yoko Tawada s world and delivers more of her signature erudite wit at once cross grained and generous laser focused and multidimensional slyly ironic and warmly companionable

The Ghost Forest Kimiko Hahn,2024-10-15 Borrowing from such writers as Elizabeth

Bishop and Chimako Tada featuring ghosts and geoglyphs writing in form and free verse Kimiko Hahn's broad and eclectic approach reveals a mind as vast as the terrains it traverses Nicole Sealey Poetry magazine Opening with forty three new formally inventive poems and leading the reader back in time through selections from her ten previous volumes The Ghost Forest offers a contemplative and haunting narrative of a writer's artistic journey through craft and form while illuminating her personal history Exploring the mysteries of science nature and the experiences of contemporary womanhood Hahn both reinvents classic Japanese forms and experiments with traditional Western ones Braided into the poems and narrative thread a series of photos transforms the new and selected into a hybrid autobiography This arresting collection derives new beauty from long gone remnants A Riotous Disorder She mistakes one word for another Something her brain naturally concocts Her unruly gray matter and her heart Mistake one word for an other Razor for river cistern for sister Even cock for clock She mistakes one word for a mother A safe her brain naturally unlocks **A Haiku Journey** Bashō Matsuo,1974
