*The Simple and Natural Way to Vibrant Health* George X. Yu, 2009-10-16 *The Simple and Natural Way to Vibrant Health* is the product of over a decade of investigation and research that has drastically transformed the author's life. Chronic conditions such as high blood pressure, allergies, obesity, and diabetes have skyrocketed worldwide in recent decades. In fact, most people have at least one health problem, big or small. Surprisingly, the root causes of chronic diseases are rarely explored and often regarded as unknown. Without understanding the causes, disease prevention is difficult, if not impossible. Indeed, the majority of people are not aware of the fact that they are the authors of their own health and they have full control over their well-being. By revealing the fundamental causes of chronic diseases, this book presents a simple and natural way to get well and stay fit. These timeless secrets are not based on the latest hype, such as red wine or dark chocolate, and they will not go out of fashion like fad diets. Furthermore, the book goes beyond food and drink and covers every aspect of one's lifestyle important to one's health, including air, sun, physical activities, emotional well-being, personal care products, cell phone use, detoxification, and much more. Unlike the complex and sometimes contradictory information in the public domain, the natural eating and living principles in this book are remarkably simple and clear. They have been tested by time, substantiated by science, and demonstrated by personal healing experiences. *The Simple and Natural Way to Vibrant Health* lets you take control of something that is rightly yours: your health.

**Perfect Health and Fruits** Padmini Singla, 2025-07-19. Why do we often encounter various diseases once we reach forty or earlier? Is it nature's intention for us to suffer in later life, or is it due to our lifestyle choices? Despite consuming nutritious food, leading active lives, and enjoying relaxation, we still face ageing and illness. Shouldn't health be as effortless for us as it is for other creatures on Earth? Who else on earth needs to try hard to be fit and healthy? Should health not be our essential nature? The reality is that our diet plays a crucial role in our health. Fruitarianism, a diet rooted in love, respect, and compassion for all living beings, is not just a key to our well-being but a fountain of youth. Through *Perfect Health Fruits*, I share my journey and insights into the Essentials of Perfect Health and our species-specific diet. By embracing healthy living practices and a natural diet of fruits, we can not only prevent disease but also rejuvenate our bodies, remaining energetic and youthful well into our 70s and 80s, much like in our youth. This book is a compilation of all the questions that have been on my mind regarding health and a fruit diet. Therefore, I chose to write it in a question and answer format. Think a question, and you'll find the answer here. It can be read from any page to any page. Like precision-engineered spacecraft, our bodies, which serve us until the day we are alive, deserve the highest quality fuel and healthy living practices. This book challenges mainstream beliefs, presenting well-researched truths accepted and appreciated by those who value uncommon common sense. It is for those who seek nothing but the best for themselves.

**The Natural Way to Vibrant Health** Norman W. Walker, 1972. *Harmonious Healing and the Immortal's Way* Jasmuheen, 2006-05. Just Lighten Up is dedicated to everyone in the world who has ever had a bad day. On one such occasion, I met Mobley, one of the Lighten Up Angels, who reminded me that life is an opportunity for us to experience joy, laughter, love, peace, and harmony. Each little angel in this coloring book is demonstrating a tool we can all use to help us lighten up during the day. If we really want to be grumpy and unhappy, we can. But it is very difficult to stay that way when the Lighten Up Angels start revealing themselves in our lives. So call on these angels. Ask them to laugh and play with you to help you see the humor in all experiences you create. Release negative thoughts, feelings, and emotions as you color these lighthearted little angel pictures. Laughter is the best medicine, and these little angels can brighten any day.
