Subcommittee on Department of the Interior and Related Agencies,2001 *Policy Expertise in Contemporary Democracies* Stephen Brooks,Dorota Stasiak,2016-04-22 In the world of Wikipedia blogging and citizen journalism where huge masses of information and the capability to disseminate opinions thoughts and ideas is available at the click of a mouse what is the role and impact of political experts The contributors to this insightful and original volume argue that across the western world in general the political expert occupies as important a role today as at any time in the past The ubiquity of information and the fact that the experts and the organizations to which they are affiliated may be viewed as having an ideological agenda has not diminished their role influence or status Governments and the media still rely on them for information and advice whilst organizations in civil society need them in order to provide the evidence arguments and policy recommendations that are essential to having a voice in the public conversation By examining how these policy experts and their think tanks continue to exert influence across a range of modern western democracies a better understanding of the role of policy expertise and an examination of how it may develop and evolve throughout the rest of the world is reached *China and Eurasia* Mher D Sahakyan,Heinz Gärtner,2021-09-23 This book facilitates exchanges between scholars and researchers from around the world on China Eurasia relations Comparing perspectives and methodologies it promotes interdisciplinary dialogue on China s pivot towards Eurasia the Belt and Road initiative the Shanghai Cooperation Organization Beijing s cooperation and arguments with India

the EU Western Balkans and South Caucasus states and the Sino Russian struggle for multipolarity and multilateralism in Eurasia It also researches digitalization processes in Eurasia notably it focuses on China s Silk Road and Digital Agenda of Eurasian Economic Union Multipolarity without multilateralism is a dangerous mix Great power competitions will remain In the Asian regional system more multilateral cushions have to be developed Scholars from different nations including China India Russia Austria Armenia Georgia United Arab Emirates and Montenegro introduce their own independent research making recommendations on the developments in China Eurasia relations and demonstrating that through joint discussions it is possible to find ways for cooperation and for ensuring peaceful coexistence The book will appeal to policymakers and scholars and students in Chinese Eurasian International and Oriental Studies **The Politics of EU-China Economic**

Relations John Farnell,Paul Irwin Crookes,2016-09-23 This book examines the political factors in the economic relationship between the European Union and China that help to explain the apparent stalling of the EU China strategic partnership in policy terms Written by two specialists with long experience of EU China relations this new volume draws on the latest research on how each side has emerged from the economic crisis and argues that promising potential for EU China cooperation is being repeatedly undermined by political obstacles on both sides The work is designed to be an analysis useful for university faculty and students interested in China and the European Union as well as for the general reader providing an empirically led examination that is academically informed and yet also approachable Dissecting key policy areas such as trade research and innovation investment and monetary affairs the conclusion offers a compelling prognosis of how the EU China relationship might develop over the coming years **Unlocking the Bible Story: Old Testament Volume 2** Colin

S. Smith,2016-12-01 For all who are wondering how the pieces fit into the jigsaw of God s revelation Colin Smith has provided an answer which is refreshingly simple biblically accurate and will prove phenomenally helpful to the serious Bible student and the new beginner alike Alistair Begg senior pastor Parkside Church In Unlocking the Bible Story Colin Smith moves gradually through portions of the Bible to explain how it all holds together He tells God s one grand story of salvation and reflects on major themes along the way In volume 2 he moves through the Wisdom and Prophetic books which provide reflections on life with God judgment for sin and the hope of restoration Includes the study guide formerly sold separately One of the most urgent needs in the church today is for a crisp and comprehensive knowledge of the Bible s storyline To grasp how the sacred history moves from Genesis to Revelation not only brings fresh insight into how the Bible hangs together and what each part contributes to the whole but also is crucial for developing a Christian worldview Colin Smith has met these needs admirably I hope these volumes will circulate widely and be read and re read D A Carson research professor New Testament at Trinity Evangelical Divinity School cofounder of The Gospel Coalition Inside Edition ,1996-06

BISNIS Bulletin ,1995 In the Nation's Service Philip Taubman,2023-01-10 The definitive biography of a distinguished public servant who as US Secretary of Labor Secretary of the Treasury and Secretary of State was pivotal in steering the

great powers toward the end of the Cold War Deftly solving critical but intractable national and global problems was the leitmotif of George Pratt Shultz's life No one at the highest levels of the United States government did it better or with greater consequence in the last half of the 20th century often against withering resistance His quiet effective leadership altered the arc of history While political social and cultural dynamics have changed profoundly since Shultz served at the commanding heights of American power in the 1970s and 1980s his legacy and the lessons of his career have even greater meaning now that the Shultz brand of conservatism has been almost erased in the modern Republican Party This book from longtime New York Times Washington reporter Philip Taubman restores the modest Shultz to his central place in American history Taubman reveals Shultz's gift for forging relationships with people and then harnessing the rapport to address national and international challenges under his motto trust is the coin of the realm as well as his difficulty standing up for his principles motivated by a powerful sense of loyalty that often trapped him in inaction Based on exclusive access to Shultz's personal papers housed in a sealed archive at the Hoover Institution *In the Nation's Service* offers a remarkable insider account of the behind the scenes struggles of the statesman who played a pivotal role in unwinding the Cold War
