Lee J. Makowski

Nature And Religious Imagination From Edwards To Bushnell:

Nature and Religious Imagination Conrad Cherry,1980 Horace Bushnell on Christian Character Development Lee J. Makowski,1999 Horace Bushnell on Christian Character Development examines the issue of character development in the speculative works and sermons of Horace Bushnell in relation to Orthodox Calvinist Unitarian and contemporary Catholic considerations of the same The author emphasizes the practical purpose of theological investigation to promote the universal cause of personal growth and development He systematically presents Bushnell s thought on that popular issue by way of a critical analysis of his language theory his rhetoric and his understanding of theology as a kind of persuasive art Bushnell proposed a theological alternative to the typical understanding of character development conversion espoused by Orthodox Calvinism Unitarianism and secular humanism His alternative incorporated the strengths of those historically influential bodies of thought and compensated for what he thought to be deficient in them In this book the reader is introduced to a theology that is remarkable for its insights into human interiority its soundness as a proposal for wholesome human living and its ecumenical spirit *The Theology of Jonathan Edwards* Conrad Cherry,1990-02-22 the Edwards of Cherry sits for a n intellectual portrait done with concepts as colors and with reason as the brush It is a picture faithfully and competently drawn New York Times Book Review 1967 this is a very good book It stresses the integral relationship of heart and mind intellect and will throughout Edwards an important book required reading for any student of Edwards Church History 1967

Nature Religion in America Catherine L. Albanese,1991-09-24 Charts the multiple histories of American nature religion and explores the moral and spiritual responses the encounter with nature has provoked throughout American history Traces the connections between movements and individuals Includes figures from popular culture such as the Hutchinson Family Singers and Davy Crockett as well as Thomas Jefferson Ralph Waldo Emerson Henry David Thoreau and John Muir The Philosophical Theology of Jonathan Edwards Sang Hyun Lee,2020-12-08 This book demonstrates the originality and coherence of Jonathan Edwards philosophical theology using his dynamic reconception of reality as the interpretive key The author argues that what underlies Edwards writings is a radical shift from the traditional Western metaphysics of substance and form to a new conception of the world as a network of dispositions active and abiding principles that possess reality apart from their manifestations in actions and events Edwards dispositional ontology enables him to restate the Augustinian Calvinist tradition in theology in a strikingly modern philosophical framework A prime example of Edwards innovative reconstruction in philosophical theology is his conception of God as both eternal actuality and a disposition to repeat that actuality within God and also through creation This view is a compelling alternative to the traditional Western doctrine of God as changeless actuality on the one hand and the recent process theologians excessive stress on God s involvement in change on the other Edwards achievement was that he saw dynamic movement as essential to God s own life without compromising the traditional Christian tenets of God s prior actuality and transcendence The author of this volume also

explicates the way in which Edwards dynamic reconception of reality informs his theories of imagination aesthetic perception the knowledge of God and the meaning of history This expanded edition includes a new preface and a new appendix titled Jonathan Edwards on Nature Law and Providence in Joseph Bellamy's New England Mark R. Valeri,1994 Bellamy was New England s consummate theologian of evangelical Calvinism He conceived the New Divinity movement based on innovations on Edwards s teachings and from 1750 to 1775 enjoyed renown as a popular preacher controversialist leader of church affairs in New England and influential teacher of other pastors Set in the context of an emergent market economy the war against France and the politics of rebellion Bellamy s story illuminates the relationship between religion and public issues in colonial New England and shows how Calvinism spoke to the concerns of ordinary New Englanders during momentous transformations in America s religious social and political life *Princeton Seminary in American Religion and Culture* James H. Moorhead,2012-08-31 The story of Princeton Theological Seminary the Presbyterian Church s first seminary in America begins in 1812 shortly after the United States had entered into its second war against Great Britain Princeton went on to become a model of American theological education setting the standard for subsequent seminaries and other religious higher education institutions Princeton s story is uniquely intertwined with American religious and cultural history the history of theological education the Presbyterian church and conceptions of ministry in general Thus this volume will interest not only those with links to Princeton but also historians of religion Presbyterians leaders within seminaries and Christian colleges and all who are interested in the history of Christian thought in America **Off the Menu** Rita Nakashima Brock,2007-01-01 Asian American Christianity is one of the fastest growing forms of American Christianity and it has already proven to be one of the richest and most innovative movements in North American religion With a deep understanding of their roots in classic Christianity as well as the diversity of Asian culture these theological voices have contributed some of the freshest and most provocative work of recent decades This volume brings together women who are searching for authentic Christian dialogue in a world of hybridity and changing context and it represents one of the most significant areas of growth and vitality in contemporary Christianity **The Culture of Calamity** Kevin Rozario,2007-08-15 Turn on the news and it looks as if we live in a time and place unusually consumed by the specter of disaster The events of 9 11 and the promise of future attacks Hurricane Katrina and the destruction of New Orleans and the inevitable consequences of environmental devastation all contribute to an atmosphere of imminent doom But reading an account of the San Francisco earthquake of 1906 with its vivid evocation of buildings crumbling as one might crush a biscuit we see that calamities whether natural or man made have long had an impact on the American consciousness Uncovering the history of Americans responses to disaster from their colonial past up to the present Kevin Rozario reveals the vital role that calamity and our abiding fascination with it has played in the development of this nation Beginning with the Puritan view of disaster as God s instrument of correction Rozario explores how catastrophic events frequently inspired positive reactions He argues that they

have shaped American life by providing an opportunity to take stock of our values and social institutions Destruction leads naturally to rebuilding and here we learn that disasters have been a boon to capitalism and paradoxically indispensable to the construction of dominant American ideas of progress As Rozario turns to the present he finds that the impulse to respond creatively to disasters is mitigated by a mania for security Terror alerts and duct tape represent the cynical politician s attitude about 9 11 but Rozario focuses on how the attacks registered in the popular imagination how responses to genuine calamity were mediated by the hyperreal thrills of movies how apocalyptic literature like the best selling Left Behind series recycles Puritan religious outlooks while adopting Hollywood s style and how the convergence of these two ways of imagining disaster points to a new postmodern culture of calamity The Culture of Calamity will stand as the definitive diagnosis of the peculiarly American addiction to the spectacle of destruction

The Universalist Movement in America, 1770-1880

Ann Lee Bressler,2001-04-19 In this volume Ann Lee Bressler offers the first cultural history of American Universalism and its central teaching the idea that an all good and all powerful God saves all souls Although Universalists have commonly been lumped together with Unitarians as liberal religionists in its origins their movement was in fact quite different from that of the better known religious liberals Unlike Unitarians such as the renowned William Ellery Channing who stressed the obligation of the individual under divine moral sanctions most early American Universalists looked to the omnipotent will of God to redeem all of creation While Channing was socially and intellectually descended from the opponents of Jonathan Edwards Hosea Ballou the foremost theologian of the Universalist movement appropriated Edwards s legacy by emphasizing the power of God s love in the face of human sinfulness and apparent intransigence Espousing what they saw as a fervent but reasonable piety many early Universalists saw their movement as a form of improved Calvinism The story of Universalism from the mid nineteenth century on however was largely one of unsuccessful efforts to maintain this early synthesis of Calvinist and Enlightenment ideals Eventually Bressler argues Universalists were swept up in the tide of American religious individualism and moralism in the late nineteenth century they increasingly extolled moral responsibility and the cultivation of the self By the time of the first Universalist centennial celebration in 1870 the ideals of the early movement were all but moribund Bressler s study illuminates such issues as the relationship between faith and reason in a young fast growing and deeply uncertain country and the fate of the Calvinist heritage in American religious history

Making Nature Sacred

John Gatta,2004-10-14 This book argues that the religious import of American environmental literature has yet to be fully recognized or understood Making Nature Sacred explores how the quest for natural revelation has been pursued through successive phases of American literary and intellectual history

The Spirit of the Appalachian Trail

Susan Power Bratton,2012-05-30 Want to know what wilderness means to people who live it for over two thousand miles Then read this extremely interesting informative intelligent and thoughtful book Roger S Gottlieb author of Engaging Voices Tales of Morality and Meaning in an Age of Global Warming There is no doubt that Bratton s book will be of value to students and

scholars of leisure studies recreation and religion Those who are familiar with the Appalachian Trail sense intuitively that a journey along its length kindles spiritual awakening this book provides the hard data to prove it s true David Brill author of *As Far as the Eye Can See Reflections of an Appalachian Trail Hiker* The Appalachian Trail covers 2 180 miles passing through fourteen states from Georgia to Maine Each year an estimated 2 3 million people visit the trail and almost two thousand attempt a thru hike walking the entire distance of the path For many the journey transcends a mere walk in the woods and becomes a modern day pilgrimage In *The Spirit of the Appalachian Trail Community Environment and Belief* Susan Power Bratton addresses the spiritual dimensions of hiking the Appalachian Trail AT Hikers often comment on how their experience as thru hikers changes them spiritually forever but this is the first study to evaluate these religious or quasireligious claims critically Rather than ask if wilderness and outdoor recreation have benefits for the soul this volume investigates specifically how long distance walking might enhance both body and mind Most who are familiar with the AT sense intuitively that a trek along its length kindles spiritual awakening Using both a quantitative and qualitative approach this book provides the hard data to support this notion Bratton bases her work on five sources an exhaustive survey of long distance AT hikers published trail diaries and memoirs hikers own logs and postings her own personal observations from many years on the trail and conversations with numerous members of the AT community including the trail angels residents of small towns along the path who attend to hikers need for food shelter or medical attention The abundant photographs reinforce the text and enable visualization of the cultural and natural context This volume is fully indexed with extensive reference and notes sections and detailed appendixes Written in an engaging and accessible style *The Spirit of the Appalachian Trail* presents a full picture of the spirituality of the AT Susan Power Bratton is professor of environmental studies She is the author of *Six Billion and More Human Population Regulation and Christian Ethics Environmental Values in Christian Art and Christianity Wilderness and Wildlife The Original Desert Solitaire* [The Scandal of the Evangelical Mind](#) Mark A. Noll, 2022-03-15 Winner of the Christianity Today Book of the Year Award 1995 The scandal of the evangelical mind is that there is not much of an evangelical mind So begins this award winning intellectual history and critique of the evangelical movement by one of evangelicalism s most respected historians Unsparing in his indictment Mark Noll asks why the largest single group of religious Americans who enjoy increasing wealth status and political influence have contributed so little to rigorous intellectual scholarship While nourishing believers in the simple truths of the gospel why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities the arts and other realms of high culture Over twenty five years since its original publication *The Scandal of the Evangelical Mind* has turned out to be prescient and perennially relevant In a new preface Noll lays out his ongoing personal frustrations with this situation and in a new afterword he assesses the state of the scandal showing how white evangelicals embrace of Trumpism their deepening distrust of science and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship

from many with strong evangelical connections The Savage Side B. Jill Carroll, 2001 In this book B Jill Carroll uses the nature writing of Annie Dillard and the philosophical categories of Emmanuel Levinas to critique the models of God that drive contemporary political theologies especially feminist and liberation theologies These political theologies ignore the amoral and often harsh aspects of our existence in the natural world even though they often align God with the cosmos Political theologies excise from their models of God all notions of violence indifference to social justice or general amorality in favor of models that support and advance specific social political and economic ideologies Such domestication of God does not do justice to the hard facts of our existence in the natural world nor does it fully plumb the depths of using nature to metaphorize God Furthermore Carroll argues that current political models of God do not survive the most important critiques of religion in the modern era namely those leveled by Feuerbach Freud and Nietzsche Instead the God of the oppressed stands tall among any number of gods that exist primarily as projections of our best selves illusions rooted in wish fulfillment and attempts to further our own personal goals by claiming the universe is on our side The Savage Side offers us a glimpse of a natural theology uninterested in apologetics but thoroughly obsessed with using the natural world as a springboard for describing God The God that emerges is wildly beautiful terrifyingly indifferent to political or moral ideology the consummate Other and the ultimate ground of our being This book demands to be read by anyone interested in the relationship between religion and politics especially those who have given themselves to the cause of social justice in the name of God Readers will be challenged to let go of comfortable but outdated notions of deity despite their convenience for the advancement of certain social and political goals like gay and lesbian rights women s rights or third world liberation Indeed the claim that God is on our side emerges as the most problematic claim of contemporary constructive theology Biodiversity Conservation Ethics in Major Religions H. S. A. Yahya, 2010-10-22 Covering three broader issues biodiversity conservation religious doctrine and environment the book Biodiversity Conservation Ethics in Major Religions is the result of a unique approach It attempts to initiate scientific discourse through the fabric of religions Spread across 15 chapters the book covers the essence of 10 religions on biodiversity encompassing a wide range of issues related to conservation The book promises to be a useful resource for biodiversity students researchers and protected area managers and also for religious scholars who are invited to look at the broader themes of religions beyond theology The Open Secret Alister E. McGrath, 2011-09-23 Natural theology in the view of many is in crisis In this long awaited book Alister McGrath sets out a new vision for natural theology re establishing its legitimacy and utility A timely and innovative resource on natural theology the exploration of knowledge of God as it is observed through nature Written by internationally regarded theologian and author of numerous bestselling books Alister McGrath Develops an intellectually rigorous vision of natural theology as a point of convergence between the Christian faith the arts and literature and the natural sciences opening up important possibilities for dialogue and cross fertilization Treats natural theology as a cultural phenomenon broader than Christianity itself yet always possessing a

distinctively Christian embodiment Explores topics including beauty goodness truth and the theological imagination how investigating nature gives rise to both theological and scientific theories the idea of a distinctively Christian approach to nature and how natural theology can function as a bridge between Christianity and other faiths **Three Golden Ages** Alf J. Mapp,1998-11-13 In this intriguing book best selling author Alf Mapp Jr explores three periods in Western history that exploded with creativity Elizabethan England Renaissance Florence and America s founding What enabled these societies to make staggering jumps in scientific knowledge develop new political structures or create timeless works of art

Vacationland William Philpott,2013-08-30 Winner of the Western Writers of America 2014 Spur Award for Best Western Nonfiction Contemporary Mention the Colorado high country today and vacation imagery springs immediately to mind mountain scenery camping hiking skiing and world renowned resorts like Aspen and Vail But not so long ago the high country was isolated and little visited Vacationland tells the story of the region s dramatic transformation in the decades after World War II when a loose coalition of tourist boosters fashioned alluring images of nature in the high country and a multitude of local state and federal actors built the infrastructure for high volume tourism ski mountains stocked trout streams motels resort villages and highway improvements that culminated in an entirely new corridor through the Rockies Interstate 70 Vacationland is more than just the tale of one tourist region It is a case study of how the consumerism of the postwar years rearranged landscapes and revolutionized American environmental attitudes Postwar tourists pioneered new ways of relating to nature forging surprisingly strong personal connections to their landscapes of leisure and in many cases reinventing their lifestyles and identities to make vacationland their permanent home They sparked not just a population boom in popular tourist destinations like Colorado but also a new kind of environmental politics as they demanded protection for the aesthetic and recreational qualities of place that promoters had sold them Those demands energized the American environmental movement but also gave it blind spots that still plague it today Peopled with colorful characters richly evocative of the Rocky Mountain landscape Vacationland forces us to consider how profoundly tourism changed Colorado and America and to grapple with both the potential and the problems of our familiar ways of relating to environment nature and place *God and the Natural World* Walter H. Conser,1993 In his revisionist evaluation Conser reveals the strategies by which a diverse group of influential Protestant theologians energetically reconciled pre Darwinian science with traditional Christian beliefs and in doing so shaped the antebellum discussion of science and religion 10 halftone illustrations A Companion to American Environmental History Douglas Cazaux Sackman,2010-02-12 A Companion to American Environmental History gatherstogether a comprehensive collection of over 30 essays that examinethe evolving and diverse field of American environmental history Provides a complete historiography of American environmentalhistory Brings the field up to date to reflect the latest trends andencourages new directions for the field Includes the work of path breaking environmental historians from the founders of the field to contributions frominnovative young scholars Takes stock of the

discipline through five topically themed parts with essays ranging from American Indian Environmental Relations to Cities and Suburbs

The book delves into Nature And Religious Imagination From Edwards To Bushnell. Nature And Religious Imagination From Edwards To Bushnell is a crucial topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Nature And Religious Imagination From Edwards To Bushnell, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Nature And Religious Imagination From Edwards To Bushnell
 - Chapter 2: Essential Elements of Nature And Religious Imagination From Edwards To Bushnell
 - Chapter 3: Nature And Religious Imagination From Edwards To Bushnell in Everyday Life
 - Chapter 4: Nature And Religious Imagination From Edwards To Bushnell in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Nature And Religious Imagination From Edwards To Bushnell. This chapter will explore what Nature And Religious Imagination From Edwards To Bushnell is, why Nature And Religious Imagination From Edwards To Bushnell is vital, and how to effectively learn about Nature And Religious Imagination From Edwards To Bushnell.
 3. In chapter 2, the author will delve into the foundational concepts of Nature And Religious Imagination From Edwards To Bushnell. This chapter will elucidate the essential principles that need to be understood to grasp Nature And Religious Imagination From Edwards To Bushnell in its entirety.
 4. In chapter 3, this book will examine the practical applications of Nature And Religious Imagination From Edwards To Bushnell in daily life. The third chapter will showcase real-world examples of how Nature And Religious Imagination From Edwards To Bushnell can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Nature And Religious Imagination From Edwards To Bushnell in specific contexts. This chapter will explore how Nature And Religious Imagination From Edwards To Bushnell is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Nature And Religious Imagination From Edwards To Bushnell. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Nature And Religious Imagination From Edwards To Bushnell.

Nature And Religious Imagination From Edwards To Bushnell Introduction

In todays digital age, the availability of Nature And Religious Imagination From Edwards To Bushnell books and manuals for

download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nature And Religious Imagination From Edwards To Bushnell books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nature And Religious Imagination From Edwards To Bushnell books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nature And Religious Imagination From Edwards To Bushnell versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nature And Religious Imagination From Edwards To Bushnell books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nature And Religious Imagination From Edwards To Bushnell books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nature And Religious Imagination From Edwards To Bushnell books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nature And Religious Imagination From Edwards To Bushnell books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nature And Religious Imagination From Edwards To Bushnell books and manuals for download and embark on your journey of knowledge?

FAQs About Nature And Religious Imagination From Edwards To Bushnell Books

What is a Nature And Religious Imagination From Edwards To Bushnell PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Nature And Religious Imagination From Edwards To Bushnell PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nature And Religious Imagination From Edwards To Bushnell PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nature And Religious Imagination From Edwards To Bushnell PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nature And Religious Imagination From Edwards To Bushnell PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various

online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
