Selmi, Raymond J. Gallagher, Eugenia R. Mora-Flores, 2014-08-12 Early Childhood Curriculum for All Learners Integrating Play and Literacy Activities is designed to teach early childhood professionals about the latest research on play and early literacy and then to show them practical methods for adapting this research to everyday classroom practices that will encourage the development of learning skills. The authors link solid play based research to specific developmentally appropriate practices. By combining these two areas the text demonstrates that academic learning and play activities are highly compatible and that children can and do develop academic skills through play. In addition the text focuses on socio dramatic play a recently acknowledged essential aspect of child initiated play interactions. It provides specific strategies that link these interactive behaviors with the early academic skills needed for the initial primary grades. Implementation of the information presented in this book will enable children to experience a richer transition into primary education classrooms. **Screen-Free Childhood: A Parent's Guide to Digital Balance** Adrian Ferruelo, 2025-05-26 In a world dominated by screens helping children overcome digital addiction is more important than ever. A must read for anyone looking to reclaim childhood and promote long term well being for their children. [Introduction to YouTube Kids](#) Gilad James, PhD, 2021 YouTube Kids is a video streaming platform that is specialized for children under the age of 13 providing a safe and age appropriate environment to explore videos channels and playlists. The app was launched in 2015 offering a tailor made interface that is more intuitive and easy to navigate than the regular YouTube app. YouTube Kids has a wide range of content including educational videos cartoons music gaming and more all curated by a team of human reviewers to ensure that it is appropriate for young audiences. YouTube Kids offers a variety of features that are designed to enhance safety and parental control such as restricted mode which filters out explicit content pause watch history and timer settings that limit screen time. Parents can also customize the app's content based on their child's age and interests using the grown ups only area. Additionally YouTube Kids also provides parents with the ability to limit the search function to only pre approved videos and enable a timer to monitor how long the child has been using the app. Overall YouTube Kids is a valuable tool for parents who want to give their children access to online video content without the concerns of exposing them to inappropriate or harmful material. **Herbal Activities for**
