Altbach, Edith S. Hoshino, 2015-05-08 First Published in 1996 This encyclopedia is unique in several ways As the first international reference source on publishing it is a pioneering venture Our aim is to provide comprehensive discussion and analysis of key subjects relating to books and publishing worldwide The sixty-four essays included here feature not only factual and statistical information about the topic but also analysis and evaluation of those facts and figures The chapters are significantly more comprehensive than those typically found in an encyclopedia Joss Whedon Matthew Pateman, 2018-06-07 This book assesses Joss Whedon's contribution to US television and popular culture Examining everything from his earliest work to his most recent tweets and activist videos it explores his complex and contradictory roles as both cult outsider and blockbuster filmmaker Crucially the

book insists on the wider industrial technological political and economic contexts that have both influenced and been influenced by Whedon rejecting the notion of Whedon as isolated television auteur Using key source material with exclusive access to drafts of many of the episodes across Whedon s career as well as unique correspondence with Whedon collaborator Jane Espenson this book offers unparalleled access to the creative process that helped produce the series Buffy the Vampire Slayer Angel Dollhouse and Firefly Energetic engaging and informed by detailed scholarship and theoretical rigour the book is not just an essential addition to the study of Whedon but a timely and important re invigoration of television studies in general
