Frank Minirth,Alan Horewell,Virginia Neal,2005 Yet the marketplace of natural healing can be a highly unregulated one full of hearsay trends and half truths Too much misinformation Few trusted sources are available to clearly explain both the good and bad sides of the herb and supplement story The Christian s Guide to Natural Products Remedies offers the respected integrity of Dr Frank Minirth and collective wisdom of his associates for a thorough Bible informed approach to mind and body health Dynamic commentary and Q A chapters address natural healing from every direction followed by invaluable sections on herb and supplement profiles drug and herb interaction studies and much more Book jacket *Medical Book Guide* ,1974 Physical Activity as a Natural Cure for Non-Communicable Diseases Bojan Masanovic,Stevo Popovic,Selcuk

Akpinar,Szabolcs Halasi,Dusan Stupar,2023-06-28 The modern way of life is to a large extent connected with a number of problems that occur in the field of public health and non communicable diseases are one of them It is well know that non communicable diseases are chronic diseases that tend to be of long duration and are the result of a combination of genetic physiological environmental and behavioral factors The main types of non communicable diseases are cardiovascular diseases cancers chronic respiratory diseases and diabetes while the main risk factors are modifiable behavioral risk factors such as tobacco use physical inactivity unhealthy diet and the harmful use of alcohol and metabolic risk factors such as raised blood pressure overweight obesity hyperglycemia and hyperlipidemia According to WHO data non communicable diseases kill more than 40 million people each year which is equivalent to 71% of all deaths globally It is also true that more than 15 million people die each year from non communicable diseases between the ages of 30 and 69 years According to the same source other cardiovascular diseases account for most non communicable deaths annually about 17 9 million people but deaths caused by cancers about 9 3 million respiratory diseases about 4 1 million and diabetes about 1 5 million are not far away This indicates the need for further focus on this very important social issue in the 21st century also to be address as part of the United Nations 2030 agenda Although ancient physicians including those from China and Ancient Greece believed in the value of physical activity for health a diametrically opposite view has prevailed instead by the twentieth century Since the first rigorous epidemiologic studies investigating physical inactivity and chronic disease risk has been conducted in the last century a large body of evidence has clearly documented the many health benefits of physical activity however a large proportion of the world s population remains physically inactive For this reason this Research Topic aims to continue developing knowledge of the effects of physical in activity on major non communicable diseases and a better understanding of genetic physiological environmental and behavioral factors which are convincingly related Dowsing Manual Harald W. Tietze,2004 Natural Remedies: Simple Guide For Natural Cures Katie O'Sullivan,2013-07-25 As the level of awareness increases on the benefits of using natural remedies many persons are trying to find some kind of guide to help them figure out what would be beneficial for them If that is the situation that you are in then you need to have a copy of Natural Remedies Simple Guide For Natural Cures This book can act as a guide to finding the best natural solutions that you need to remain healthy and get the body back in balance The author has had personal experience with trying to find accurate guides on the best natural remedies It was this that drove her to create something that was not so simple that persons would not want to read it or so technical that many will not understand it The aim she has is to appeal to as many individuals as possible teaching them the many benefits of natural remedies About the Author If you have had any challenges finding the right remedies to alleviate certain problems then you are in the same situation that Katie O Sullivan was in She had numerous challenges which ranged from maintaining the correct weight to recurring urinary tract infections As she struggled with the various situations going from one doctor to the next she decided that she simply has to solve the problem

As the traditional forms of medicine were not working she made the decision to try some natural remedies as that really was the only option left Under the guidance of her doctor she did just that and soon found out that it worked like a charm She immediately shared her solution with close friends and even some family members With their encouragement and the full support of her husband she took things a step further and created a book that would outline some of the main benefits to other persons
