Nature Of British Local Government

Gerry Stoker

Nature Of British Local Government:

The Nature of British Local Government John Stewart, John David Stewart, 2000-01 Based on the author's unparalleled in depth knowledge and experience this major new book provides a systematic assessment of the diversity and common features of British local government today set in a clear historical context Local Government in the United Kingdom David Wilson, Chris Game, 2011-04-12 During its 13 years of office Labour's modernization agenda transformed the world of UK local government Amidst a starkly altered political and economic climate the coalition government formed in 2010 pledged to implement equally radical changes to the system Taking account of the coalition's programme for government and its first round of spending cuts the completely revised and updated fifth edition of this popular and established text is timed to take full advantage of this historic juncture David Wilson and Chris Game provide readers with systematic coverage of the UK's local government The book examines its defining features its history changing structure operations functions financing and its relations with central government The fifth edition gives additional emphasis to local government in the devolved regions of the UK and provides more extensive analysis of centre local government relations The authors deliver a thorough critique of Labour's third term in office Looking ahead the book anticipates the future of local government under the coalition government Two themes look likely to dominate policy making decentralization and cuts to public spending With its clear accessible non technical style and popular illustrations Local Government in the United Kingdom will be essential reading for students practitioners and anyone with an interest in local politics Explaining Local Government J. A. Chandler, 2007 In this work J A Chandler explains how local government in Britain has evolved from a structure that appeared to be relatively free from central government interference to as John Prescott observes one of the most centralised systems of government in the Western world **Exploring British Politics** Mark Garnett, Philip Lynch, 2014-06-03 Concise comprehensive and accessible Exploring British Politics presents an insightful approach to British politics with a special emphasis on developments since the 2010 general election and the formation of Britain's first coalition government since 1945 Designed to stimulate critical analysis and provoke lively debate it provides new perspectives on two key themes the health of British democracy and the transition from traditional models of government to more flexible forms of governance **New Century Local Government** Graham Sansom, Peter McKinlay, 2013-09-30 Democratic decentralisation through conventional institutions of local government is facing increasing challenges whether from financial pressures questions of representativeness difficult central local relations and from a perhaps growing belief that local government has failed to realise its potential and there may be better ways of achieving societal goals It is clear there is need to contemplate quite radical change to ensure local government becomes or remains fit for purpose This collection of papers illustrates the way in which the role of local government is evolving in different parts of the Commonwealth and provides practical examples of new local government at work It showcases emerging practice and highlights success stories from new

ways of working and challenges confronting local government in both developed and developing countries New Century Local Government makes a very valuable contribution to helping understand the changing role of local government and will ensure that practitioners are up to date with the most innovative initiatives in local government planning and administration

New Public Administration in Britain John Greenwood, Robert Pyper, David Wilson, 2005-08-05 This edition highlights recent developments in the field such as managerialism privatisation consumerism charters contracting and regulation

Building on previous success it includes a new chapter on the influence of Europe **Transforming Local Governance** Gerry Stoker, 2017-03-14 Drawing on the author's unrivalled experience and expertise in both research and policy making this important new book provides a systematic assessment of the changing nature of local governance in Britain and a conceptual framework for understanding the new governance of localities The author analyzes in detail what New Labour has been trying to do to local governance and management and assesses how and why it has achieved only a mixed record of change The book concludes by providing a vision of good local governance and an assessment of future challenges for research and reform

The Student's Companion to Social Policy Pete Alcock, Margaret May, Sharon Wright, 2012-01-30 These essays convey the immediacy of social policy's intellectual and political engagements with the world and its practical applications in research and employment They also provide an overview of resources available to students *The Nature of British Local Government* John Stewart, 2000

The Reorganisation of British Local Government John Dearlove, 1979-09-20 This volume was first published in 1979 just a few years after the Local Government Act of 1972 redrew the map of British local government Local authorities were also encouraged to change their organization and methods of work anxiety was expressed about finance councillor calibre and the credibility of the whole system itself and neighbourhood councils and public participation in planning were introduced John Dearlove's aim is to make sense of these changes and the discussion they generated He does this by showing that both the official case for reorganization and the academic discussion of it have hindered their own understanding by uncritically accepting superficial traditional wisdoms which fail to reveal the concealed ideological positions behind reorganization Thus he aims to develop a truly political perspective on reorganisation which is rounded out and given greater depth by the insertion at appropriate points of comparative material drawn from American experience and studies

Spatial Planning Systems of Britain and France Philip Booth, Michelle Breuillard, Charles Fraser, Didier Paris, 2007-03-12 Exploring the similarities and differences between the spatial planning in Great Britain and France this book draws on the outcomes of the Franco British Planning Study Group It features detailed analysis and case studies

Local Government in Britain Since Reorganisation Alan Alexander, 2024-10-01 Originally published in 1982 this book was the first comprehensive critical assessment of the outcome of the controversial reorganisation of British local government outside London which took place between 1973 and 1975 The book deals with the new systems in England Wales and Scotland drawing upon the results of almost 100 in depth interviews with leading members and officers from Shetland to

Cornwall from major cities to rural districts Liaison between the tiers the effects of corporate management the spread of the office of chief executive the increasing levels of partisanship and the changing face of central local relations are examined on the basis of close observation and practical experience rather than theoretical preconceptions **Decolonizing Nature**

William Adams, Martin Mulligan, 2012-04-27 British imperialism was almost unparalleled in its historical and geographical reach leaving a legacy of entrenched social transformation in nations and cultures in every part of the globe Colonial annexation and government were based on an all encompassing system that integrated and controlled political economic social and ethnic relations and required a similar annexation and control of natural resources and nature itself Colonial ideologies were expressed not only in the progressive exploitation of nature but also in the emerging discourses of conservation At the start of the 21st century the conservation of nature is of undiminished importance in post colonial societies yet the legacy of colonial thinking endures What should conservation look like today and what indeed whose ideas should it be based upon Decolonizing Nature explores the influence of the colonial legacy on contemporary conservation and on ideas about the relationships between people politics and nature in countries and cultures that were once part of the British Empire It locates the historical development of the theory and practice of conservation at both the periphery and the centre firmly within the context of this legacy and considers its significance today It highlights the present and future challenges to conservationists of contemporary global neo colonialism The contributors to this volume include both academics and conservation practitioners They provide wide ranging and insightful perspectives on the need for and practical ways to achieve new forms of informed ethical engagement between people and nature **Dictionary of Travel, Tourism and Hospitality**

S. Medlik, 2012-06-25 This new edition combines within two covers A dictionary of 2500 terms Descriptions of 300 organizations A biographical dictionary of 100 personalities Explanations of 1200 acronyms and abbreviations Key data for well over 200 countries A concise bibliography listing more than 100 useful sources of further information The author's long and wide experience of these fields makes this an indispensable companion for students and teachers and those employed in relevant businesses and organizations as well as for the travellers tourists and guests who are the raison d'être of it all **The Urban Geography Reader** NICK FYFE, JUDITH KENNY, 2020-04-15 Drawing on a rich diversity of theoretical approaches and analytical strategies urban geographers have been at the forefront of understanding the global and local processes shaping cities and of making sense of the urban experiences of a wide variety of social groups Through their links with those working in the fields of urban policy design urban geographers have also played an important role in the analysis of the economic and social problems confronting cities Capturing the diversity of scholarship in the field of urban geography this reader presents a stimulating selection of articles and excerpts by leading figures Organized around seven themes it addresses the changing economic social cultural and technological conditions of contemporary urbanization and the range of personal and public responses It reflects the academic importance of urban geography in terms of both its

theoretical and empirical analysis as well as its applied policy relevance and features extensive editorial input in the form of general section and individual extract introductions Bringing together in one volume classic and contemporary pieces of urban geography studies undertaken in the developed and developing worlds and examples of theoretical and applied research it provides in a convenient student friendly format an unparalleled resource for those studying the complex geographies of urban areas Nature ,1883

The English Local Government System J. H. Warren,2024-11-01 First Published in 1946 The English Local Government System has undoubtedly been one of the most successful introductory books on this subject The purpose of this book is not so much to describe the various local government services but rather to discuss the machinery and methods utilized in the provision of these services It discusses crucial themes like business yardsticks the constitutional setting judicial control the associations of local authorities the financial basis state grants and providing for capital expenditure the local authority s constitution the impact of politics on administration delegation of powers to committees the need for reform and central local relationships This is an important historical reference work for students of public administration and British government and politics *Muslims in British Local Government* Eren Tatari,2014-06-05 This book investigates whether the presence of Muslim representatives in city councils improves substantive representation of Muslim interests across 32 London boroughs It theorizes that descriptive representation of minorities leads to improved responsiveness to minority interests contingent on the percentage of minority representatives the proportion of minorities in the district level of party fragmentation among minority representatives their political incorporation and the electoral competitiveness of the district It uses multivariate regression analysis to test the effects of these five explanatory variables It validates the quantitative findings with case studies of three London boroughs while also investigating the role of representational styles of Muslim councillors on their political attitudes and behavior 7000-7999, Social sciences, 8000-8999, Natural sciences; 9000-9999, Technology Princeton University. Library,1920

Theories of Urban Politics David Judge,Gerry Stoker,Harold Wolman,1995-07-11 This textbook provides a comprehensive overview of the main theories which structure debate about urban politics It looks at aspects of power taking in both traditional and more recent theories It considers the nature of public bureaucracy and the importance of those officials with a leadership role in city government It examines the way that citizens are involved in the processes of urban politics and it puts urban politics in context in terms of the social and economic environment and the complex architecture of government in which it has to operate Adapt du r sum de l diteur

Nature Of British Local Government Introduction

In today's digital age, the availability of Nature Of British Local Government books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nature Of British Local Government books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nature Of British Local Government books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nature Of British Local Government versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nature Of British Local Government books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nature Of British Local Government books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nature Of British Local Government books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and

making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nature Of British Local Government books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nature Of British Local Government books and manuals for download and embark on your journey of knowledge?
