Sleepover Similarities, 2020-09-26 In the second book of *The Pattern Pals* series, Zoe the Parrot goes to Clara the Chameleon's house for her first sleepover. They're both excited for this new adventure, but Zoe misses her own home. Fortunately, through the power of patterns and imagination, Clara reveals how similar their houses really are. This book shows children that some unfamiliar situations can be fun and help them grow. Not only is it a hopeful story about friendship, but the book has been designed to help young children learn early patterning skills. It shows that things using different colors or shapes can still have the same pattern, building off lessons taught in *Birthday Beeps and Boops*, the first book in the series. *Sleepover Similarities* also has questions built onto each page to help adults expand on the conversation and introduce early math concepts to children.
