Hamilton,2014-02 This title is a comprehensive survey of maritime archaeology as seen through the eyes of nearly fifty scholars at a time when maritime archaeology has established itself as a mature branch of archaeology     Design & Applied Arts Index ,1991     **The Old War Horse** Myron J. Smith, Jr.,2024-02-13 With a unique prewar history as a snagboat and James B Eads noted catamaran salvage vessel the Benton survived a tumultuous government acquisition process and conversion to become flagship of the Union s Civil War Western river navy From Island No 10 through the Vicksburg and Red River campaigns the revolutionary ironclad participated in both combat and administrative activities earning a prominent place in nautical legend and literature This first book length profile of the warship reveals little known details of both her prewar and wartime career and reviews her final disposal     **The American Experience in World War II: The atomic bomb in history and memory** Walter L. Hixson,2003 World War II changed the face of the United States catapulting the country out of economic depression political isolation and social conservatism Ultimately the war was a major formative factor in the creation of modern America This unique twelve volume set provides comprehensive coverage of this transformation in its domestic policies diplomatic relations and military strategies as well as the changing cultural and social arenas The collection presents the history of the creation of a super power prior to during and after the war analyzing all major phases of the U S involvement making it a one stop resource that will be essential for all libraries supporting a history curriculum This volume is available on its own or as part of the twelve volume set The American Experience in World War II For a complete list of the volume titles in this set see the listing for The American Experience in World War II ISBN 0 415 94028 1     **Journal of Glass Studies** ,1999     *The Children's Civil War* James Alan Marten,2000-10-01 The Children s Civil War is an exploration of childhood during our nation s greatest crisis James Marten describes how the war changed the literature and schoolbooks published for children how it affected children s relationships with absent fathers and brothers how the responsibilities forced on northern and especially southern youngsters shortened their childhoods and how the death and destruction that tore the country apart often cut down children as well as adults     **Japanese Defence** Syed Javed Maswood,1990 This book focuses on the defence policy of the Nakasone administration and attempts to provide an explanation for the policy measures which its administration implemented or initiated It suggests that the widening disparity between economic interests and political power forced Japan to review the traditional bases for defence policy making and prompted the search for a balance that would allow the country a more active role in the international sphere The book is organized around the central theme that Nakasone s defence policy can be understood as an attempt to rehabilitate Japan as a normal state and end the state of affairs that had relegated it to a unique and low position     *Dictionary Catalog of the*

*Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries, 1979     Inside the Spanish-American War James M. McCaffrey, 2009-04-22 This is the story of the Spanish American War told not from the perspective of generals policy makers or politicians but from that of the soldiers sailors and marines in the field and the reporters who covered their efforts Concentration on the daily lives of these people provides insight into the often overlooked facets of a soldier s life detailing their training and interaction with weaponry their food clothing and medical supplies and their personal interactions and daily struggles While the Spanish American War set the stage for America s emergence as a global power this is its history on an individual scale as seen through the eyes of those upon whom the war had the most immediate impact     Contemporary and Historical Archaeology in Theory Laura McAtackney, Matthew M. Palus, Angela Piccini, 2007 *Studies in Contemporary and Historical Archaeology* 4     **Serials in the British Library** , 2006     **American Aviation Historical Society Journal** American Aviation Historical Society, 1988     *The Standard Periodical Directory* , 1992     **Technology and Culture** , 1989     Who's who in the West , 1992     **Union List of Serials of the California State University** California State University, 1991     **AAHS Journal** American Aviation Historical Society, 1989     **Linguistics and Language Behavior Abstracts** , 1993
