Prentice Hall La Nacion Americana:

The Spanish American Regional Novel Carlos J. Alonso, 1990 This study provides a radical re examination of the regional novel which played a central part in the development of Latin American fiction in the first half of the twentieth century Professor Alonso presents his argument through challenging readings of three works Rivera s *La Voragine* Gallegos s *Dona Barbara* and Guiraldes s *Don Segundo* *Rural Transport of Food Products in Latin America and the Caribbean* Food and Agriculture Organization of the United Nations, 2008-01-01 The agrifood transport sector in Latin America and the Caribbean is a key component of the food supply chain making a significant contribution to gross domestic product in these countries Well developed efficient food transport systems are crucial to the survival of thousands of people and pivotal to the success or failure of key economic sectors such as agriculture and other major national and international commercial activities This publication presents a detailed study of problems encountered covering seventeen countries The study focuses primarily on stumbling blocks faced by small farmers and suggests possible policy and programme interventions to improve the situation in the neediest areas with repercussions for the population as a whole Also published in Spanish *Social and Political Transitions During the Left Turn in Latin America* Karen Silva-Torres, Carolina Roza-Higuera, Daniel S.

Leon, 2021-09-09 *Social and Political Transitions During the Left Turn in Latin America* provides fourteen contributions to understand from a multidisciplinary perspective processes of socio political reconfigurations in the region from the early 2000s to the mid 2010s The Left Turn was the regional shift to left of center governments and social movements that sought to replace the neoliberal policies of the 1990s This volume aims to answer the overarching research question how do state and societal national and transnational actors trigger and shape processes of political and socio economic transitions in Latin America from the rise to the decline of the Left Turn The book presents case studies in which transitions are moments of change and uncertainty which one cannot predict their definitive outcomes The various case studies presented in the book place actors and processes in specific historical and socio political contexts which are influenced directly or indirectly by the historical trajectory of Latin America s Left Turn This book is essential reading for students and scholars of Social and Political History Latin American History and those interested in the social and political developments in Latin America more broadly
