The Portable MBA Kenneth M. Eades,Timothy M. Laseter,Ian Skurnik,Peter L.

Rodriguez,Lynn A. Isabella,Paul J. Simko,2010-05-03 A totally revised new edition of the bestselling guide to business school basics The bestselling book that invented the MBA in a book category The Portable MBA Fifth Edition is a reliable and information packed guide to the business school curriculum and experience For years professionals who need MBA level information and insight but don t need the hassle of business school have turned to the Portable MBA series for the very best

most up to date coverage of the business basics This new revised and expanded edition continues that long tradition with practical real world business insight from faculty members from the prestigious Darden School at the University of Virginia With 50 percent new material including new chapters on such topics as emerging economies enterprise risk management consumer behavior managing teams and up to date career advice this is the best Portable MBA ever Covers all the core topics you d learn in business school including finance accounting marketing economics ethics operations management management and leadership and strategy Every chapter is totally updated and seven new chapters have been added on vital business topics Includes case studies and interactive web based examples Whether you own your own small business or work in a major corporate office The Portable MBA gives you the comprehensive information and rich understanding of the business world that you need **The Portable MBA** Robert F. Bruner, 2003-02-07 Table of contents Prentice-Hall Business Digest Prentice-Hall, inc, 1922 **Handbook of Strategy and Management** Andrew M Pettigrew, Howard Thomas, Richard Whittington, 2006-04-27 New in Paperback Publishing February 2006 If you had to read only one book to understand the roots and branches of the study of strategy it is also remarkably well organized and future oriented having the right balance between focus and diversity By critically taking stock of the field and by discussing future paths of strategy this Handbook will serve as an important stimulus for intellectual development for years to come Nicolai Foss Copenhagen Business School Finally We have a comprehensive reflective and critical overview of the field of strategy in the new Handbook of Strategy and Management The strategy literature has come of age with this mapping of the terrain by Andrew Pettigrew Howard Thomas and Richard Whittington The Handbook provides an useful overview of different streams of thought with contributions by leading scholars and researchers Equally importantly this Handbook provides us with reflections on the past and insights into the future of the field Such a critique is an important aid in understanding and researching strategy for newcomers and experienced scholars alike Cynthia Hardy Head of Department of Management University of Melbourne The Handbook presents a major retrospective and prospective overview of the strategic management field and will be an important benchmark volume for management scholars worldwide The Handbook frames assesses and synthesizes the work in the field and helps to define and shape its current and future development The editors combine focus with diversity in the material and approaches covered thus providing a powerful critical analysis and synthesis of diverse disciplinary contributions to this rapidly growing body of knowledge Each of the four parts of this book concentrates on a specific area of strategy and management Within these parts leading international scholars provide historical overviews of the key strands delineating the topography of their particular themes address the central problems and approaches which have characterized these critically assess the state and quality of current theory and knowledge and set out agendas for future theoretical and empirical development The resulting volume is a unique overview of the inputs and dynamics that shape the core ideas and practices of strategy and management *American Book Publishing Record* , 2006

Critical Management Research in Eastern Europe M. Kelemen, M. Kostera, 2002-10-23 The process of transition in Eastern European countries is one in which ideas of the past and present both local and Western meet and conflict Presenting a wealth of new ethnographic and interview based research Critical Management Research in Eastern Europe argues that the reform process in Central and Eastern Europe has been dominated by the traditional Western view of management practice However this approach overlooks the fact that certain managerial and organizational practices developed in Central and Eastern Europe may still be appropriate and indeed effective within this particular setting The book brings together authors from both East and West Europe to evaluate how the two systems can best be harmonized which is particularly important in the context of EU enlargement
