Preparing To Pray 101 Reflections On Scripture:

Preparing to Pray Pat Collins, 2004 Preparing to Pray will help people who want to engage in Lectio Divina a traditional method of scripture prayer It involves reading and reflecting on the word of God with a view to praying to and contemplating the God of the word This book is designed to help with the first two steps by providing perceptive non academic reflections on thematically chosen scripture texts They seek to answer two questions What do the verses mean in themselves What is their relevance in my life Hopefully the 101 reflections will lead to a prayerful response and an experiential awareness of God This book is a companion to *Prayer in Practice* Columba 2000 It has been written in the firm belief that there will be no genuine renewal in the church without a return to biblical spirituality As Pope John Paul said in par 65 of *The Church in Europe* 2003 Ignorance of the Scriptures is ignorance of Christ May the Holy Bible continue to be a treasure for the church and for every Christian in the careful study of God s word we will daily find nourishment and strength to carry out our mission Book jacket

or both or more God just might offer us at least a small bit of Divine approval or acceptance Eventually realizing the impossibility of getting right with God through our own efforts and tired of futilely going round and round in spiritual circles we may even be inclined to permanently turn away from the Divine In Just as You Are Paul Coutinho SJ helps us move forward in the confidence that God already loves us and simply asks that we embrace this amazing love and live in it on a daily basis A native of India Fr Coutinho combines Eastern sensibilities with Ignatian principles and practices to show us how to open our lives now and always to the infinite unfathomable love of God Filled with thought provoking stories inspiring anecdotes and memorable metaphors Just as You Are makes clear that experiencing the joy and freedom of the Divine journey is the only work we need to do Being in love with the Divine is God's gift that is always available to anyone who is looking for it We have all had a taste of Divine love and our spirits hunger for more But then other voices muffle the unconditional gift of Divine love voices that speak of fear guilt anxiety and unworthiness Falling in love with God begins with an infatuation that penetrates those negative voices and we respond to this either by being more and more attracted to the Divine or we are repulsed by the experience We come closer or we fight to get away In either case our focus is the Divine energy that is drawing us to itself The Divine seducer never gives up but continues to draw us in many different ways to a deeper union and communion with the Ultimate But when all is said and done the falling in love will be up to you So if you really have the will to experience life as one who is in love with the Divine it will happen If you want it you'll find it In fact love will find you Are you willing Are you ready
