Commentary on the New Testament Robert H. Gundry, 2010-07-01 Verse by verse explanations with a literal translation Shouldn't a Bible commentary clarify what God's Word actually says Going beyond questions of authorship date sources and historicity respected linguist and teacher Gundry offers a one volume exposition of the New Testament that focuses on what is most useful for preaching teaching and individual study what the biblical text really means Providing interpretive observations in a breezy style that's easy to read and adaptable for oral use in pulpit or classroom presentations Gundry directs his book to an evangelical audience His crisp translation of the New Testament inserts various phrasings of passages in brackets allowing for smooth transition from original text to alternative and contemporary readings SAMPLE TEXT OF TRANSLATION JOHN'S PREDICTING A MORE POWERFUL BAPTIZER THAN HE Mark 1:18-1:3 The beginning of the gospel of Jesus Christ God's Son according as it's written in Isaiah the prophet Behold I'm sending my messenger before your face ahead of you who'll pave your way the road you'll travel the messenger who is the voice of one crying out in the wilderness Prepare the way of the Lord Make his paths straight Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's non technical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations of the NT Scriptures A trustworthy guide for anybody wanting to delve deeper into God's Word SAMPLE TEXT OF COMMENTS Gospel means good news Jews would associate this good news with Isaiah 52:7 Non Jews would think of the good news of an emperor's accession to power birthday visit to a city military victory or bringing of prosperity to the empire But Mark's good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message the voice of one crying out not a book though because books like Mark's contain that proclaimed message the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel **Preparing the Bride** James A. Cousineau, 2011-02-14 Jesus promised He would come again to take us to be with Him to a place He has prepared for us and scripture states it is an incredible place and life He has for us

Sinwell,1986 A resource guide for designing facilitating and conducting Sunday morning catechumenate sessions and for assisting personal reflection during the catechumenate **Judas** James J. Sporleder,2022-11-02 Judas The What If Story of Redemption is the tragic and unfortunate narrative of the path the man that betrayed Jesus took This book describes a life of potential and the what if story of salvation and ministry he could have had with Jesus This book shows that his life was not destined for destruction but for a much greater purpose Jesus did not pick Judas to betray him but to be a man of God and a fisher of men His poor decisions allowed his flesh to control him so he never lived up to his calling Jesus never gave up on trying to help Judas He witnessed to him many times in word and deed to show him the truth and the error of his way The choices Judas made were to get the things he wanted These decisions led him to a place he did not want to be Because he did not have a close relationship with Jesus he did not have the spiritual depth to stand against the temptations that faced him nor did he have the hope to cry out to God in true repentance Therefore he suffered the consequences for those decisions that he will regret for eternity Let this book show you how Judas was deceived so that you may learn from his example and see the areas in your life that may be hindering you and the signs from God he is
