TOP 9 WAYS

Children Benefit from Preschool Inclusion

Children with disabilities benefit from inclusive classrooms because...

1

being with typically developing peers can improve social and emotional behaviors

2

they often imitate behaviors and skills of their higher-level peers

3

inclusive classrooms have positive, activities, and opportunities that challenge academic performance

4

the higher expectations lead children to achieve more, gain confidence, and develop independence

5

positive social benefits continue to be seen in K-12 general education classrooms

6

inclusion has long and meaningful impacts

Typically developing children who are exposed to inclusion at an early age...

7

become more understanding

8

develop positive attitudes towards their diverse peers

Handbook of Prevention Science Beth Doll, William Pfohl, Jina S. Yoon, 2012-03-07 Prevention research has traditionally focused on preventive interventions tied to specific disorders e g substance abuse conduct disorders or

criminality This produced silos of isolated knowledge about the prevention of individual disorders but not about interventions that work across disorders This handbook is the first to comprehensively describe current research and practice in mental health prevention programs that is organized around comprehensive prevention systems that reach across all disorders and all institutions within a community Throughout the book preventive interventions are seen as a necessary component of effective mental health programs not as a replacement for therapeutic interventions Provided by publisher
