Presence And Prophecy:

Presence and Prophecy, 2002 How does theological education equip people to face the challenges of mission and ministry in a changing world How does Christian presence in society make a difference and how can the Churches speak prophetically of God's purposes today This book suggests how theological education can provide essential opportunities to find encouraging and helpful answers to these questions It explores the kind of world we live in and asks what kind of teaching and learning experiences help Christians to become people with hearts for mission It takes a fresh look at elements of the theological curriculum and suggests a new vision and hope for all the Churches It is also accompanied by a study guide

Presence and Prophecy Simon Barrow, 2002 Presence and Prophecy is an extensive resource for everyone involved in theological education to help rethink its challenges Students and teachers in theological colleges seminaries courses and schemes will find it useful but it is also relevant to those involved with Christian basics courses local church study groups and other informal educational events This Study Guide will help many different groups tackle the different issues raised in Presence and Prophecy It lays out some ways of engaging with the ideas in the book linking the themes and joining in an important conversation about how the Churches in mission can really make a difference in people's lives Whilst this Study Guide contains a summary of the material in the main book it will be difficult to use to full effect without a copy of the full report Presence and Prophecy

Realms of the Prophetic Naim Collins, 2019-06-18 Speak forth Heaven's secrets Since the beginning of time God's desire has been to share Heavenly secrets with His friends These hidden truths are freely given to every believer as they operate in the gift of prophecy The prophetic anointing allows you to hear God's voice speak forth His words and release His power into the

Christian Prophecy Niels Christian Hvidt, 2007-04-19 Throughout the Hebrew Bible God guides and saves his people through the words of his prophets When the prophets are silenced the people easily lose their way What happened after the incarnation death and resurrection of Christ Did God fall silent The dominant position in Christian theology is that prophecy did indeed cease at some point in the past if not with the Old Testament prophets then with John the Baptist with Jesus with the last apostle or with the closure of the canon of the New Testament Nevertheless throughout the history of Christianity there have always been acclaimed saints and mystics most of them women who displayed prophetic traits In recent years the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt Mainstream systematic theology both Protestant and Catholic has mostly marginalized or ignored the gift of prophecy In this book however Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church Prophecy never died he argues but rather proved its dynamism by mutating to meet new historical conditions He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it

Throughout though there is always an awareness of the critical discernment required when evaluating the charism of prophecy The debate about prophecy Hvidt shows leads to some profound insights about the very nature of Christianity and the church For example some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God s salvation in Christ is still far away This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work *On the Question of the "Cessation of Prophecy" in Ancient Judaism* L. Stephen Cook,2011 Revised version of the author s thesis Ph D Catholic University of America Washington D C 2009 titled The question of the cessation of prophecy in ancient Judaism *Dictionary of Biblical Prophecy and End Times* J. Daniel Hays,J. Scott Duvall,C. Marvin Pate,2009-05-26 All you wanted to know about biblical prophecy from A to Z the Dictionary of Biblical Prophecy is a comprehensive reference tool It is targeted for those who truly desire to understand prophecy and the end times Starting with Abomination of Desolation and continuing through hundreds of articles until Zionism this book provides helpful and interesting discussions of the entire range of biblical prophecy all at your fingertips This exhaustive work contains articles on a broad sweep of topics relevant to the study of biblical prophecy and eschatology The articles are based on solid scholarship yet are clear and accessible to the lay reader illuminating even the most complicated issues The dictionary also strives for a balanced presentation by laying out differing positions along with their strengths and weaknesses while not pushing any specific theological or interpretive agenda other than a firm commitment to seeking to understand the Scriptures This is a valuable tool you will refer to time and again **The Practice of Prophecy** Li Ming Dennis Lum,2018-03-26 The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of Johannes van der Ven utilizing both a qualitative and a quantitative study The results provide a rich description of the actual reception delivery and judging of prophecy Significant findings include relationships between prophecy and courage love personality types prayer types and evangelism

Gentile,1999-06-01 A thorough yet practical study that shows how the biblical gift of prophecy can build up today s churches and individual Christians *Reclaiming Prophecy* Darin Slack,2015-05-16 Is there a way to experience prophetic ministry in a God honoring way without all the mess and confusion Prophetic ministry is the Holy Spirit s gift to the Church Yet this gift has been abused confused and misused making it difficult for today s Church leaders to embrace With biblically sound delivery Darin Slack offers a compelling perspective based on his thirty years of experience in prophetic ministry He challenges indifference and complacency while discouraging doctrinal disorder in the administration of the gift Slack provides a powerful and much needed balance that will allow Church leaders to see the great potential for blessing in the prophetic while reducing the risk Through Scripture Slack offers leaders from all doctrinal backgrounds a faith building process for realizing prophecy that leads to Church edification 1 Cor 14 3 This book is a must have for every pastor or Church leader who desires to scripturally understand and implement prophetic ministry Transparencies Church of England. Fighting for Your Prophetic Promises Barbara Wentroble, 2011-08 The fulfillment of prophetic promises from God is not automatic Here s how to make sure they re fulfilled and to rightly understand the amazing prophetic gift **The Word Among Us** Terry L. Burden, 2022-07-19 The Word Among Us Theologies of the Hebrew Bible Old Testament is a topical approach to the study of the Judeo Christian Bible Each topic is a survey of the many theological themes we encounter in the Biblical narrative such as the theology of Biblical History Torah Moses Election Covenant Land Kingship Prophecy and many more Special topics include The Theology of the Fall of Israel Theology of Messianic Expectations and The Theology of Israel Of particular interest is The Theology of Story which introduces the story oriented literary discipline At the center of Biblical theology is the tragic fall of the Northern Kingdom of Israel in 722 B C E and the Southern Kingdom of Judah in 586 B C E From these periods many of the theological motifs such as covenant law and prophecy arise to address and to explain these tragedies in Israelite history The primary purpose of the present study is a better understanding of the theological function of these motifs or themes A theological function is the power of a Biblical narrative to constitute and to restore the Israelite people who were struggling to survive the late period of Biblical history A special feature of my study are the several promptings from Biblical topics of the many discussions that relate to the New Testament and Christian teachings My approach to the study of the Hebrew Bible Old Testament is unique among other introductions to the Hebrew Bible This book therefore is very important to both the Jewish and the Christian reader *Cultic Prophecy in the Psalms* John W. Hilber, 2012-02-13 Doubts about the contribution of cult prophetic speech to psalmody remain in debate Psalms containing first person divine speech exhibit numerous features and suggest life settings that conform to actual prophetic speech Alternative explanations lack comparable examples external to psalms On the other hand Assyrian cultic prophecies parallel the characteristics of prophetic speech found in psalms The Assyrian sources support possible composition and performance scenarios that overcome objections raised against the compatibility of genuine prophecy with psalmody A model of cultic prophecy remains the best explanation for the origin of psalms containing first person divine speech *What Was Authoritative for Chronicles?* Ehud Ben Zvi, Diana V. Edelman, 2011-06-30 The essays published here are revised versions of papers presented in 2008 and 2009 in the section devoted to Israel and the Production and Reception of Authoritative Books in the Persian and Hellenistic Period at the annual meeting of the European Association of Biblical Studies The various contributors explore what was authoritative for Chronicles and what authoritative might have meant for the Chronicler from different perspectives The volume includes chapters by Yairah Amit Joseph Blenkinsopp David J Chalcraft Philip R Davies David A Glatt Gilad Louis Jonker Mark Leuchter Ingeborg L wisch Lynette Mitchell Steven J Schweitzer Amber K Warhurst and the two editors Diana V Edelman and Ehud Ben Zvi This volume will be of particular interest to scholars and students of biblical literature and all who are interested in ancient Israelite historiography in Chronicles in the intellectual history of Israel in the Persian early Hellenistic period and in issues of biblical proto canonicity authority and criticism Prophecy

and Politics in South African Pentecostalism Mookgo Solomon Kgatle, 2023-12-28 This book is an interdisciplinary study of the relationship between prophecy and politics in South African Pentecostalism The role and the power of prophecy in enhancing the presence of politicians in the church square are unpacked through historical examples as well as case studies of contemporary prophets Solomon Kgatle argues that the influence of prophecy in politics has the potential to weaken the prophetic voice of the church in general and the Pentecostal movement in particular He proposes a Pentecostal political theology of prophecy This theology is developed by taking into cognizance the theoretical and theological frameworks of prophetic imagination and pneumatological imagination In addition this theology seeks a balance between prophecy and power and prophecy and sovereignty
