In the Presence of Angels Gail S. Lentz, 2023-02-09 Many of my poems were written because I was in the presence of angels I would awaken in the middle of the night with a line of poetry in my head I would then grab a pencil and pad and begin writing The first time it happened I thought Mmm IaEUR tm ll jot that down tomorrow When I awoke I couldnaEUR tm t even remember the first word of the line much less anything else about it After that happened I got up and wrote all of what was on my mind I would then fall back to sleep Amazingly in the morning I had very little need of corrections Sometimes there were words that were unfamiliar to me When I looked them up they fit perfectly This behavior continued through more than fifty poems I also write when praying or observing a sunset I would have a line of poetry in my head which had to be recorded Many times on my way to work I had to pull off the road to write down on a paper bag what I was thinking This usually was when I was having a discussion with God I have often said to friends when sharing my poetry aEURoeI am only the messenger aEUR My poems are messages to those who are suffering and suggestions on how to live a more fulfilling life God is always available and will see you through any crisis Trust Him for He loves us all *The Salvation of Angels* Michael

This beautiful romance obviously written from the heart will have you believing in love and the presence of angels Old Book Barn Gazette An emotionally stirring Regency romance that reaches deep down inside and touches the reader's soul Stardust Sprinklings of Romance **The Hum of Angels** Scot McKnight, 2017-02-07 Would You Recognize an Angel if You Saw One The majority of earth's inhabitants believe in Angels Yet so few of us can claim to have seen one Why Perhaps it's because in order to encounter one we first have to learn what to look for and how to look We live in a world where the natural and supernatural overlap Angels are constantly on mission from God and constantly at work in this world From the Garden of Eden to the Book of Revelation Scripture is filled with hundreds of references to these wondrous creatures In this creative work Scot McKnight explores what the Bible says and doesn't say about these majestic beings And that's deeply important because angels are still on mission today They express God's love confirm His presence and even lead humans in redemptive worship Don't just believe in angels Learn how to recognize these messengers of God that are all around us and know how God might be using them to affect our lives Most People Believe in Angels It's What we Believe About them that Matters Believing in angels is one thing But how can we know what angels are really like especially when our preconceived notions have been mostly shaped by sensationalized misinterpretations of these wondrous beings To help sort things out Scot McKnight untangles fact from fiction on topics such as Do loved ones become angels when they die Can we hear from angels Is there a hierarchy of angels Do we have a specific guardian angel Should we be scared of angels Are cherubs and seraphs different creatures than angels Do angels have wings Are angels worship leaders The Hum of Angels illuminates what the Bible says about these heavenly beings and it helps you to understand the deepest truths about one of God's most magnificent and yet misunderstood creations In the Presence of Angels E.
