your own dreams the happy millionaire the quintessential preacher the excellent career person the best athlete the music star the banker par excellence name it you can be whatever you want to be Basically A Fantastic Cruise To The Zenith is an excellent allegorical guide to the place of your dreams wherever it is But beyond that it also guides you to a point of new discovery the Zenith the state of assured eternal security the realm of abundance and the regime of highest achievements I count you rather blessed and favored to behold this divinely inspired message received in line with my vision to strengthen people especially my generation and those yet to come It is a book of life designed to answer to the needs of many from all cadres and from all ages it will answer to your very need The writing style is absolutely unique and essentially focused on general readership but with a systematic attempt to assert the symptomatic beauty of excellent living demystify the concept of human destiny construct a fulcrum for achieving a healthier happier and more successful human life here on earth and a profitable eternal life for the soul even after the first death A Fantastic Cruise To The Zenith also makes strong reference to my theory of the Democratic Human Tripod which is an elegant attempt to explain the tripartite composition of man with a view to bringing all men to the truth that maketh free The book begins with an acclaimed must read prologue and has six 6 conceptual parts namely 1 A New Beginning 2 The Way 3 The Vehicle 4 The Cruise 5 The Crossing 6 Never To Be Forgotten The 1st part ends with a technical innovation to demystify the concept of Human Destiny and simply relates it to conscious envisioning and mission statements The 2nd part has got another practical innovation The Balanced Success Map BSM which is an attempt to practically guide the reader or Cruiser as he translates most constructively his current feasible dreams and wishes to some very highly achievable goals The 3rd part comes with yet another innovation The Vehicle Destiny 2 07 U20x Model which is arguably the grandest vehicle in town You just can't wait to acquire it The 4th part introduces the reader to the practical applications of the already established principles whereas the 5th part dwells instructively on life after here which to me is the crux of the matter And just before the closure the 6th part appears to be asking Would you be remembered after dust has become dust The overriding implication is that A Fantastic Cruise To The Zenith may not just end at being sold bought and read It may also have to be studied and read over and over again My advice is for it to be by your pillow at night in your bag when on the move on your table at work and in your palms at the least o

**Our Highest Good**

Mary Wiley, 2024-07-30 Do you want to know and love God more deeply Read theology every day When peace seems far from us and when true rest doesn't come we don't need more to do on our list or a set of step by step instructions to help us get there on our own True peace hope and rest only comes by spending time in the presence of God Spend 90 days in His Word focused on who God is and what He is like and find that He is worthy to be trusted at every twist or turn of life He is better than our minds can imagine in control of all things and infinitely good As you do you will find peace in His sovereign care enjoy security in His promise of eternity experience joy in His great love for you rest in the God who never sleeps trust God for your every need find comfort in His Spirit learn to live out your faith as an overflow of His glorious grace God is the

sustainer of the rhythms of the skies and seasons as well as the intricate rhythms of our lives To dwell in His presence is the promise of salvation the abundant life in Christ today and the eternal life with Him in the future While the ways of the world lead to death His invitation is to come and live He truly is our highest good     *It Is Finished* Janice Gaddy, 2017-10-05 IT IS FINISHED Our Lord Jesus spoke these words on the Cross not long before His death Indeed the promise of redemption that was given so long ago was finally fulfilled Now all who would call upon the name of Jesus would be saved forevermore Entering the rest of God was once again a reality No more striving No more toiling In body soul and spirit we could experience the presence and power of God Yet how many Christians truly realize the fullness of their salvation How many continue to live in fear depression condemnation and lack How many understand what was finished and who they truly are in Christ Jesus Through the words in this devotional you will find a beautiful unfolding of truth You will come to understand what was God's heart and plan for you from the beginning what really happened in the Garden of Eden and who you truly are because of what Christ Jesus accomplished on the Cross And as you read and grow each day in experiencing His love for you you will come to know a joy and peace and victory beyond what you have even imagined Truly IT IS FINISHED
