The 1960s Cultural Revolution John C. McWilliams, 2020-12-02 The 1960s Cultural Revolution is a highly readable and valuable resource revisiting personalities and events that sparked the cultural revolutions that have become synonymous with the 1960s The 1960s Cultural Revolution A Reference Guide is an engagingly written book that considers the forces that shaped the 1960s and made it the unique era that it was An introductory historical overview provides context and puts the decade in perspective With a focus on social and cultural history subsequent chapters focus on the New Left the antiwar movement the counterculture and 1968 a year that stands alone in American history The book also includes a wealth of reference material a comprehensive timeline of events biographical profiles of key players primary documents that enhance the significance of the social political and cultural climate a glossary of key terms and a carefully selected annotated bibliography of print and nonprint sources for further study

A Companion to Post-1945 America Jean-Christophe Agnew, Roy Rosenzweig, 2008-04-15 A Companion to Post 1945 America is an original collection of 34 essays by key scholars on the history and historiography of Post 1945 America Covers society and culture people and movements politics and foreign policy Surveys and evaluates the best scholarship on every important era and topic Includes book review section on essential readings

The Truman Years, 1945-1953 Mark S. Byrnes, 2014-07-30 The Truman Years is a concise yet thorough examination of the critical postwar years in the United States Byrnes argues that the major trends and themes of the American history have their origins during the presidency of Harry S Truman He synthesizes the recent Truman literature and explains the links between domestic U S political and social trends and cold war foreign policy

Present Tense Michael Schaller, Virginia Scharff, Robert D. Schulzinger, 1992 Respected for its coverage of foreign policy and domestic politics Present Tense also provides a thorough examination of social and cultural history This edition includes a greater focus on the 1970s and 1980s and increased coverage of recent immigration Co author Karen Anderson of the University of Arizona specializes in women's history in the modern period

Ronald Reagan Michael Schaller, 2011 In this era of polarized politics the image of President Ronald Reagan stands as a litmus test for party loyalty To the conservative right Reagan is the Great Communicator a venerated icon of independent American spirit who restored national pride and power To those on the left he is an amiable dunce who distracted voters with anecdotes while dismantling the government to serve corporate interests But as Michael Schaller reveals in his eye opening biography both extremes fall short of capturing the true essence of this captivating and contradictory man This succinct eloquent narrative reveals the dramatic force of the man behind the image Schaller provides a poignant account of Reagan's struggles and achievements from his small town upbringing in rural Illinois the son of an itinerant alcoholic to his cinematic success in Hollywood entry into California politics and meteoric rise to the White House Following the path of his life Schaller illuminates Reagan's appeal to Americans of all regions and backgrounds highlights his momentous impact on American politics and describes his determination once in

power to live up to his firm long established beliefs and ideals A fast paced compact narrative filled with fascinating and often surprising details Ronald Reagan sheds light on Reagan s real accomplishments at home and abroad and what they mean for America today *The Growth of a Superpower* Britannica Educational Publishing,2012-06-01 So rapid has been the growth of the United States since the mid 20th century and so profound the changes it has experienced that its current superpower status in the world sometimes obscures the radical social political economic and technological transformations it has experienced in that time Although international and domestic challenges from the Cold War to the war on terror to healthcare as well as successes on each front have alternately stunted and accelerated the country s ascent its role in world affairs is undeniable With seminal documents of the each era complementing relevant text this engrossing volume examines the trajectory of American history between the administrations of Harry Truman and Barack Obama and the factors that have shaped and sustained its development Historical Dictionary of the Nixon-Ford Era Mitchell K. Hall,2008-02-22 The presidential administrations of Richard Nixon and Gerald Ford encompassed some of the most turbulent and significant years of the 20th century Nixon was elected near the end of a decade characterized by struggles for civil rights years of war in Vietnam and widespread cultural rebellion Although he promised during his campaign to bring the country together Nixon s administration was more confrontational than compromising and ultimately deepened national divisions Gerald Ford worked to restore integrity to the White House but never fully established a program separate from his predecessor His pardon of Nixon and the 1975 fall of South Vietnam kept him linked to the past rather than establishing the beginning of a new era The Nixon Ford Era witnessed one of the most controversial presidential eras yet despite all of the turmoil progress was made The Vietnam War eventually wound down the Cold War went through a phase of détente relations were established with China civil rights progressed the situation of African Americans and Native Americans improved and Women s Liberation altered the status of half of the population The Historical Dictionary of the Nixon Ford Era relates these events and provides extensive political economic and social background on this era through a detailed chronology an introduction appendixes a bibliography and several hundred cross referenced dictionary entries on important persons events institutions policies and issues **What's Going On?** Marcia A. Eymann,Charles Wollenberg,Oakland Museum of California,2004-08-26 Eymann presents a richly illustrated collection of essays on the history of California as both microcosm and magnification of the national experience during the Vietnam War African American Political Thought: Confrontation vs. compromise, from 1945 to the present Marcus D. Pohlmann,2003 Providing comprehensive coverage of major and minor figures in the history of African American Politics from Colonial America to the present this collection includes a vast array of original articles speeches statements and documents *Democratic Empire* Jim Cullen,2016-03-15 DEMOCRATIC EMPIRE DEMOCRATIC EMPIRE The United States Since 1945 Democracy and empire often seem like competing even opposing concepts And yet since the end of World War II the United States has integrated elements of both in the process of becoming a dominant

global power Democratic Empire The United States Since 1945 explores the way democracy and empire have converged and been challenged both at home and abroad surveying the nation's recent cultural political and economic history This account pays particular attention to mass media the fine arts and intellectual currents in the era of the American Dream Concise and engagingly written Democratic Empire presents a unique analysis of US history since 1945 and the egalitarian and imperial forces that have shaped contemporary America *Nixon in the World* Fredrik Logevall, Andrew Preston, 2008-07-11 In the 1970s the United States faced challenges on a number of fronts By nearly every measure American power was no longer unrivalled The task of managing America's relative decline fell to President Richard Nixon Henry Kissinger and Gerald Ford From 1969 to 1977 Nixon Kissinger and Ford reoriented U S foreign policy from its traditional poles of liberal interventionism and conservative isolationism into a policy of active but conservative engagement In *Nixon in the World* seventeen leading historians of the Cold War and U S foreign policy show how they did it where they succeeded and where they took their new strategy too far Drawing on newly declassified materials they provide authoritative and compelling analyses of issues such as Vietnam détente arms control and the U S China rapprochement creating the first comprehensive volume on American foreign policy in this pivotal era **Present Tense**, 1975 **Africana Cultures and Policy Studies** Z. Williams, 2009-06-08 This book introduces Africana Cultures and Policy Studies as an interdisciplinary field of study rooted in the historical experience of people of African descent and focusing on policy development analysis and practical application *Writers Directory* NA NA, 2016-03-05 *Congressional Record* United States. Congress, 1983 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789-1824* the Register of Debates in Congress 1824-1837 and the Congressional Globe 1833-1873 **Western Europe's Democratic Age** Martin Conway, 2022-06-14 A major new history of how democracy became the dominant political force in Europe in the second half of the twentieth century What happened in the years following World War II to create a democratic revolution in the western half of Europe In *Western Europe's Democratic Age* Martin Conway provides an innovative new account of how a stable durable and remarkably uniform model of parliamentary democracy emerged in Western Europe and how this democratic ascendancy held fast until the latter decades of the twentieth century Drawing on a wide range of sources Conway describes how Western Europe's postwar democratic order was built by elite intellectual and popular forces Much more than the consequence of the defeat of fascism and the rejection of Communism this democratic order rested on universal male and female suffrage but also on new forms of state authority and new political forces primarily Christian and social democratic that espoused democratic values Above all it gained the support of the people for whom democracy provided a new model of citizenship that reflected the aspirations of a more prosperous society This democratic order did not however endure Its

hierarchies of class gender and race which initially gave it its strength as well as the strains of decolonization and social change led to an explosion of demands for greater democratic freedoms in the 1960s and to the much more contested democratic politics of Europe in the late twentieth century Western Europe's Democratic Age is a compelling history that sheds new light not only on the past of European democracy but also on the unresolved question of its future *Foreign Policy and the 1996 Presidential Election*, *Miami Vice* James Lyons, 2009-12-15 *Miami Vice* captures the glitter and glamour embodied by Crockett and Tubbs and offers students an anatomy of a ground breaking work in the police procedural genre Explores *Miami Vice*'s combination of disparate influences MTV film noir soap opera high concept action films as well as the social cultural and industrial moments when it burst onto the network Introduces readers to major components of televisual analysis style storytelling the television show as commodity and ideological critique that illustrate the show's unique features Provides a model for students own assessment of other shows and confirms precisely how and on what terms *Miami Vice* redefined the police drama and an era Present Tense Third Edition, Custom Publication Schaller, 2006-07

LBJ Randall Bennett Woods, 2007 This dramatic reappraisal of one of the most significant and least understood presidents in American history is based on extraordinary interviews and documents revealing a Lyndon Baines Johnson as never seen before
