## **Present Concerns:**

*Present Concerns* Clive Staples Lewis, 1986 Nineteen essays on democratic values threats to educational and spiritual fulfillment literary censorship and other topics all displaying Lewis's characteristic sanity and persuasiveness Introduction by Walter Hooper      *Detaining Time* Eric P. Levy, 2016-10-20 *Detaining Time* is the first book to investigate the representation of time in literature in terms of the project to reconceptualize time so that its movement no longer threatens security Focusing on the nature consequences and resolution of resistance to temporal passage Eric P. Levy offers detailed and probing close readings enriched by thorough yet engaging explication and application of prominent philosophical theories of time Philosophy is here employed not as a rigid model to which literature is forced to conform but instead as a lens through which elements crucial to the literary texts can be isolated and clarified even as they concern ideas different from those expounded in philosophy The literary texts treated include *Hamlet* *Hard Times* *Ulysses* *Mrs Dalloway* *To the Lighthouse* a wide range of Beckettian works and *Enduring Love* texts distinguished by their challenging relentless original and dramatic depiction of the struggle with temporality The philosophies of time covered include those of Aristotle Kant Bergson John McTaggart C. D. Broad Edmund Husserl and Gilles Deleuze      *Pest Management Strategies: Summary* United States.

Congress. Office of Technology Assessment, 1979      **Gadamer and the Social Turn in Epistemology** Carolyn Culbertson, 2024-06-01 While some take Gadamer's *Truth and Method* to be a departure from epistemological questions and concerns author Carolyn Culbertson reads Gadamer's work as offering a valuable reflection on the nature of understanding one that is deeply resonant with the recent social turn in epistemology Like social epistemologists Gadamer worries about the epistemic irresponsibility that we encourage when we treat an attitude of objectivity wherein the inquirer lacks any awareness of their social and historical situation as an epistemic ideal Like social epistemologists too Gadamer argues that understanding that one is socially and historically situated does not mean believing that one is fated to simply repeat traditional ideas without critique or modification a concern frequently raised in response to critiques of Enlightenment epistemology By developing such parallels *Gadamer and the Social Turn in Epistemology* offers seasoned readers of Gadamer a new context in which to appreciate his discussion of understanding in *Truth and Method* and readers unfamiliar with

Gadamer a productive point of access into his major work      **Evaluation of Novel Approaches to Software Engineering** Raian Ali, Hermann Kaindl, Leszek A. Maciaszek, 2022-02-10 The present book includes extended and revised versions of a set of selected papers from the 16th International Conference on Evaluation of Novel Approaches to Software Engineering ENASE 2021 held as an online event from April 26 to 27 2021 The 15 revised full papers presented were carefully reviewed and selected from 96 submissions The papers included in this book contribute to the understanding of relevant trends of current research on novel approaches to software engineering for the development and maintenance of systems and applications specifically with relation to model driven software engineering requirements engineering empirical software

**Toward Curriculum for Being** Louise M. Berman, Francine H. Hultgren, Diane Lee, Mary S. Rivkin, Jessie A. Roderick, 1991-01-01 Five teacher scholars examine in a series of papers written over several years what it means to teach to work together to seek new forms of curriculum and to engage in interpretive inquiry Some of the metaphors that surfaced in their conversations and writing are Education as Journey Language as Meaning and Teacher as Pilgrim Themes that grew out of their dialogue about these metaphors and their implications for curriculum and teaching include The Meaning of Questioning Alienation Detour Caring and Dwelling

Thinking Past a Problem Professor Preston King, Preston King, 2013-10-31 Professor King s concept of the philosophy of history leads him to offer this demonstration of the incoherence even absurdity of the notion that the past can have nothing to teach us whether posed by those who argue that history is unique or that it is merely contextual

**Handbook of Motivational Counseling** W. Miles Cox, Eric Klinger, 2004-03-05 Motivation is a pervasive force that can affect well being in a variety of life situations from the more minor through to the ability to overcome addictions and other serious psychological problems This book presents empirically supported theories featuring current concerns theory questionnaires based on these theories highlighting the Motivational Structure Questionnaire and varied interventions based on these with special emphasis on Systematic Motivational Counselling but also including chapters on such approaches as Personality Systems Interaction Theory expectancy based approaches Motivational Interviewing logotherapy and several others

*Process, Sensemaking, and Organizing* Tor Hernes, Sally Maitlis, 2012-05-31 Process Sensemaking and Organizing is the first in a series of volumes which explore perspectives on process theories an emerging approach to the study of organizations that focuses on

understanding activities interactions and change as essential properties of organizations rather than structures and state an approach which prioritizes activity over product change over persistence novelty over continuity and expression over determination Process and sensemaking may be seen as mutually interlocking phenomena and as such are cornerstones in process thinking This volume brings together contributions from an international group of scholars energized by process organization studies The collection offers perspectives from different disciplines insights from diverse theoretical traditions and contexts and parallels made with a range of cultural forms including art poetry and cookery At the same time the chapters exhibit a clear emphasis on a process ontology process theorizing and narrative thinking Across this rich and varied collection recurrent themes emerge that distinguish process theorizing from the more logico scientific variance oriented research that dominates organization studies today This book will appeal to academics researchers and graduate students in management organization studies and sociology who wish to better understand the emergent changing and flow like character of organizational life and expand their understanding of the nature of sensemaking as a basis for organizing

**After Emerson** John T. Lysaker, 2017-05-22 The author of Emerson Self Culture shares essays covering such themes as identity experience ethics poetry philosophy history and race John T Lysaker works between and weaves together questions and replies in philosophical psychology Emerson studies and ethics in this book of deep existential questioning Each essay in this atypical philosophical book employs recurring terms phrases and questions that characterize our contemporary age Setting out from the idea of where we are in an almost literal sense Lysaker takes readers on an intellectual journey into thematic concerns and commitments of broad interest such as the nature of self and self experience ethical life poetry and philosophy and history and race In the manner of Emerson Cavell and Rorty Lysaker s vibrant writing is certain to have a transformative effect on American philosophy today An original and stimulating book manifesting a level of reflection and existential concern of the highest order It is intellectually and personally honest Robert E Innis author of Susanne Langer in Focus There is something fresh and hence refreshing in the manner in which John T Lysaker takes up familiar topics He shows with both arresting details and an evolving design how the conduct of life to use Emerson s expression demands a form of thought frequently at odds with contemporary fashions and preoccupations with institutionally entrenched approaches and all too rigidly policed discourses Vincent Colapietro author of Experience Interpretation and Community Acknowledged as one of his generations premier Emerson scholars Lysaker goes beyond his earlier work Emerson Self Culture T he writing is stimulating vibrant challenging risky and fecund Recommended D B Boersma Choice **John Dewey's Great Debates - Reconstructed** Shane Ralston, 2011-11-01 Confirming his moniker as America s philosopher of democracy John Dewey engaged in a series of public debates over the course of his lifetime vividly demonstrating how his thought translates into action These debates made Dewey a household name and a renowned public intellectual during the early to mid twentieth century a time when the United States fought two World Wars struggled through an economic

depression experienced explosive economic growth and spawned a grassroots movement that characterized an entire era Progressivism Unfortunately much recent Dewey scholarship neglects to situate Dewey s ideas in the broader context of his activities and engagements as a public intellectual This project charts a path through two of Dewey s actual debates with his contemporaries Leon Trotsky and Robert Hutchins to two reconstructed debates with contemporary intellectuals E D Hirsch and Robert Talisse both of whom criticized Dewey s ideas long after the American philosopher s death and finally to two recent debates one on home schooling and the other on U S foreign policy in which Dewey s ideas offer a unique and compelling vision of a way forward Health Care Ethics: Critical Issues for the 21st Century Eileen E.

Morrison,2008-03-20 The Past is a Foreign Country - Revisited David Lowenthal,2015-10 A completely updated new edition of David Lowenthal s classic account of how we reshape the past to serve present needs *Shakespeare Left and Right* Ivo Kamps,2015-06-18 Shakespeare Left and Right brings together critics strikingly different in their politics and methodologies who are acutely aware of the importance of politics on literary practice and theory Should for example feminist criticism be subjected to a critique by voices it construes as hostile to its political agenda Is it possible to present a critique of feminist criticism without implicitly impeding its politics And in the light of recent political events should the Right pronounce the demise of Marxism as a social science and interpretive tool The essays in Shakespeare Left and Right first published in 1991 present a tug of war about ideology acted out over the body of Shakespeare Part One focuses on the challenge thrown down by Richard Levin s widely discussed Feminist Thematics and Shakespearean Tragedy Part Two considers these issues in relation to critical practice and the reading of specific plays This book should be of interest to undergraduates and academics interested in Shakespeare studies *Assessment Strategies for Cognitive-Behavioral Interventions* Philip C. Kendall,Steven D. Hollon,2013-09-25 Assessment Strategies for Cognitive Behavioral Interventions is a collection of original contributions provided by leaders in the field who consider the theoretical and applied assessment issues related to the expanding field of cognitive behavioral interventions Chapters in the present volume designed as a companion volume to an earlier text Cognitive Behavioral Interventions Theory Research and Procedures focus on the issues inherent in the measurement of cognitive and behavioral events and processes The book opens with an overview of recent growth in the field Attention is devoted to examining several goals of the new assessment endeavors some suggestions related to the proposed methods and certain problems inherent in cognitive behavioral assessments Separate chapters follow that deal directly with a variety of specific content areas These include a conceptualization of attributions as well as describing their measurement and speculating as to their role in both the etiology and treatment of psychological disturbance and suggestions for assessment in clinical interviews and for using psychometric instruments and discusses belief systems and irrationality Subsequent chapters focus on special populations and procedures **Agroecological Management of Weeds - Minimizing Chemical Herbicides in Arable Cropping** Bärbel Gerowitt,Rick Llewellyn,Carol

Mallory-Smith ,Elba De La Fuente,2024-09-19 Weeds have a strong impact on arable production causing yield quantity and quality losses Adequately controlling them is fundamental in arable cropping However weeds develop strategies to survive control For decades the dominating method to manage weeds was the use of chemical herbicides Weeds becoming resistant against these chemical herbicides is an obvious and global reaction together with undesired environmental consequences this creates increasing pressure to overcome chemical herbicide use Therefore foreseeing weed management demands exploiting and evaluating novel methods to replace them Since each single method will probably be less effective than chemical herbicides systematic integration and upscaling on levels like fields farms cropping systems landscapes and socio economics is required in research Agro ecological management of weeds stands for this ambition *Understanding Behavior in the Context of Time* Alan Strathman,Jeff Joireman,2006-04-21 *Understanding Behavior in the Context of Time* reviews the research on temporal orientation and brings together the disparate social behaviors influenced by time perspective Organized into four sections each chapter includes theory research applications and directions for future research Some chapters outline novel theoretical approaches that help to expand and or integrate existing theories The second part focuses on individual level processes and reviews the conceptualization measurement and lifespan development of time orientation the outcomes associated with various time orientations and how temporal factors influence attitudes and persuasion Part three explores the role of time within interpersonal and group level processes as applied to such areas as close relationships group cooperation aggression organizational behavior pro environmental behavior and cultural issues This book will be of interest to social and personality psychologists and the book s applied emphasis will appeal to health environmental and industrial psychologists Émilie Du Châtelet in Relation to Leibniz and Wolff Clara Carus,Jeffrey K. McDonough,2025-05-23 This book offers the first detailed comparison between milie Du Ch telet s philosophy and her predecessors G W Leibniz and Christian Wolff It highlights the similarities and the differences between her work and the ideas of Leibniz and Wolff The book s chapters explore a wide range of key concepts and topics including freedom love space extension certainty probability the continuum time eternity the world apart doctrine and the principle of sufficient reason The book as a whole situates Du Ch telet s thought in the context of her predecessors and highlights how Du Ch telet s understanding of her sources laid the foundations for the development of her own ideas This edition will be of crucial interest to the growing community of scholars working on Du Ch telet s thought as well as scholars of Early Modern Philosophy more generally
