Effective Communication Skills Kulbhushun Kumar, Globalization has brought in numerous opportunities for the teeming millions with more focus on the students' overall capability apart from academic competence. Many students, particularly those from non-English medium schools, find that they are not preferred due to their inadequacy of communication skills and soft skills despite possessing sound knowledge in their subject area along with technical capability. Keeping in view their pre-employment needs and career requirements, the book will help the students to change their traditional mindsets from controlling to creativity to employee empowerment and organizational learning to gain skills in the language which has become the international lingua franca, a language of global economy. All the chapters are full of gems and rubies, but the chapters based on resume writing, group discussion, conducting meetings, interview skills, grammar, etc. are the black pearls in the treasure trove. Also, the chapters are dainty, detectable, and delightful as part and parcel of your reading, writing, and speaking skills. This book will surely empower students with the language and life skills they need to carry out their career goals. It also provides ample opportunities for the students to build awareness and practice the language in real life scenarios. Its integrated skills approach develops the students' self-confidence to survive and succeed in professional and social encounters within the English speaking global community.
