Presenting Sue Ellen Bridgers:

Presenting Sue Ellen Bridgers Theodore W. Hipple, 1990 Young adult novelist Sue Ellen Bridgers b 1942 is praised for the subtlety and compassion she brings to her depictions of relationships This first book length critical analysis of her work includes summaries of her five novels *Home Before Dark* *All Together Now* *Notes for Another Life* *Sara Will* and *Permanent Connections* It examines how the author's childhood in rural North Carolina colours her acclaimed novels that have won awards from the American Library Association the Assembly on Literature for Adolescence of the NCTE and others Hipple studies Bridger's use of the third person omniscient narrator to explore her characters' thoughts her emphasis on the multi-generational family and the realistic problems her characters endure *Inspiring Literacy* Sam Leaton Sebesta, Kenneth L. Donelson, 1993-01-01 **Listen Here** Sandra L. Ballard, Patricia L. Hudson, 2013-07-24 A comprehensive and unsurpassed anthology of women writers from Appalachia Exceptional in diversity and scope *Southern Historian* Listen Here Women Writing in Appalachia is a landmark anthology that brings together the work of 105 Appalachian women writers including Dorothy Allison Harriette Simpson Arnow Annie Dillard Nikki Giovanni Denise Giardina Barbara Kingsolver Jayne Anne Phillips Janice Holt Giles George Ella Lyon Sharyn McCrumb and Lee Smith Editors Sandra L. Ballard and Patricia L. Hudson offer a diverse sampling of time periods and genres established authors and emerging voices From regional favorites to national bestsellers this unprecedented gathering of Appalachian voices displays the remarkable talent of the region's women writers who've made their mark at home and across the globe A giant step forward in Appalachian studies for both students and scholars of the region and the general reader Nothing less than a groundbreaking and landmark addition to the national treasury of American literature *Bloomsbury Review* A remarkable accomplishment bringing together the work of 105 female Appalachian writers saying what they want to and saying it in impressive bodies of literature *Lexington Herald Leader* One of the keenest pleasures in *Listen Here* lies in its diversity of voices and genres *Material Culture* Besides introducing readers to many new voices the anthology provides a strong counterpart to the stereotype of hillbillies that have cursed the region *Atlanta Journal Constitution* Full of welcome surprises to those new to this regional literature specifically it includes particularly strong selections from children's fiction and a substantial number of African American writers *Choice* [Comics to Classics](#) Arthea J. S. Reed, 1994-10-01 For each developmental stage between the ages of 10 and 18 educator Arthea J. S. Reed provides lists of books organized by genre and carefully selected for teen appeal In addition to a detailed bibliography Reed focuses on the particular challenges for each age group and highlights strategies for parents to persuade their children to read This guide will help parents and teachers choose the right books for every reading level and interest **Campbell's Scoop** Patty Campbell, 2010-02-19 At the request of her many fans Patty Campbell editor of the Scarecrow Studies in Young Adult Literature series has selected some of her best essays articles columns and speeches in Campbell's Scoop These pieces define the boundaries between children's and adult literature and review the trends censorship problems and glories of the

genre Other essays reflect on some concerns and interests of young adult literature as it has matured the verse novel ambivalent endings violence the sometimes dubious value of awards and honor lists the graphic novel and the difficulties of the genre's recent overwhelming success A section titled Inside ALA looks at the author's many years of service to that organization with among other pieces a firsthand look at the Best Books committee at work and a report of her attempt to unite booksellers and librarians in common cause Many of these selections show the idiosyncratic wit and passion that have made Campbell's column a favorite with Horn Book readers an exploration of the meaning of the glut of YA novels with death as a theme or character an indignant denunciation of the fictional abuse of animals a snarky analysis of chick lit and a technical review from the belly dancing critic of a YA novel featuring that ancient art On a more serious note Campbell pleads for what she calls Godsearch in books for teens and pays tribute to her late friend Robert Cormier Without question the essays in Campbell's Scoop provide readers with the unique insights of an advocate who is passionate about young adult literature and its future

Young Adult Reader's Adviser Marion Sader, 1992-01-30 The best in literature and language arts mathematics and computer science Children's Literature Abstracts, 1999 *Creative and Performing Artists for Teens* Thomas McMahon, 2000 Features biographical entries discussing creative and performing artists from the fields of literature music the visual arts and film and television Using Young Adult Literature in the English Classroom John H. supplement the literature that instructors will use in the course A small sampling of adolescent literature is also included

Children's Literature Association Quarterly ,1996 **Something about the Author** Kevin Hile,1997 Contains biographical information and critical essays concerning the works of over 100 authors and illustrators of children s works
American Studies International ,1992 *Books and Pamphlets* ,1992 Literary Trails of the North Carolina Mountains Georgann Eubanks,2015-12-01 This guidebook is the first of three regional volumes that invite residents and out of state visitors to explore North Carolina while reading literature from our state s finest writers Organized geographically through a series of eighteen half day and day long tours in the western part of the state the book directs curious travelers to the historic sites where Tar Heel authors have lived and worked Along the way travelers can read outstanding excerpts from the writers evoking the places customs colloquialisms and characters that figure prominently in their poetry fiction creative nonfiction and plays More than 170 writers from the past and present are featured in this volume including Sequoyah Elizabeth Spencer Fred Chappell Charles Frazier Kathryn Stripling Byer Robert Morgan William Bartram Gail Godwin O Henry Thomas Wolfe F Scott Fitzgerald Anne Tyler Lillian Jackson Braun Nina Simone and Romulus Linney Each tour provides information about the libraries museums colleges bookstores and other venues open to the public where writers regularly present their work or are represented in exhibits events performances and festivals **Literature for Today's Young Adults** Kenneth L. Donelson,Alleen Pace Nilsen,1997 With 140 fewer pages than the fourth edition the fifth obviously has been tightened it s partly in the format with narrower margins and less white space Otherwise some text has been rephrased or rearranged and topics for example adolescent psychology given shorter shrift Coverage of Holocaust literature has been expanded and discussion of problem novels improved Sports books have been dumped in with humor movies and other stuff including humorous poetry which it seems the authors feel is the only kind teens read for pleasure other types of poetry as well as short stories and drama are relegated to the English classroom coverage of which has been enlarged The chapter on sf and fantasy is good on historical aspects but weak on today s writers A short list of Internet listserves and Web sites has been incorporated as part of using YA literature in the library Once again updating of appendixes seems spotty Nevertheless this is useful as a resource for youth librarians and a tool for teaching YA literature Sally Estes **The Continuum Encyclopedia of Children's Literature** Bernice E. Cullinan,Diane Goetz Person,2005-01-01 Provides articles covering children s literature from around the world as well as biographical and critical reviews of authors including Avi C S Lewis J K Rowling and Anno Mitsumasa **Carolina Comments** ,1988 Major Authors and Illustrators for Children and Young Adults Joyce Nakamura,1993 Contains updated and revised sketches on nearly 800 of the most widely read authors and illustrators appearing in Gale s Something about the author series
