Abstract

Since the return of democracy in 1990, party identification has been declining steadily among the Chilean public. Very few studies have attempted to understand this process in a longitudinal perspective. We address this gap by studying the evolution of mass level partisanship through an age-period-cohort analysis applied to repeated cross sectional data from 1994 to 2014. Results from Bayesian random intercept models indicate the presence of significant and negative effects associated to all three elements of social change. First, strong period effects have shrunked the overall level of partisan identification, though with some noticeable setbacks during election years. Second, pronounced aging effects have reduced individuals' propensity to identify with a party as they become older. Lastly, we find significant cohort effects whereby each successive generation is less partisan. Consequently, the effects of all three sources of change have consistently pointed in the direction of extinguishing mass partisanship from Chilean society.

1 Introduction

During the last decades several Latin American countries experienced dramatic dealignment processes whereby significant portions of the population ceased to support or affiliate with any of the existing political parties (Lupu, 2014a; Morgan, 2007). Within the region, Chilean society stands out as one in which these processes adopted its sharpest form. Indeed, according to national surveys, while in 1994 more than 73% of the Chilean adult population mentioned to identify or sympathize with a political party, in 2014 this figure dropped to 32%.¹ Similarly, the proportion of the public that mentioned to identify or sympathize with one of the political coalitions decreased more than 30 percentage points from 71% 1994 to 40% in 2013. While there certainly are some years where the aggregate levels of identification recover, particularly during election years, the indisputable trend is one of decline. As a result of this brake down of mass partisanship, Chile

President And Congress In Post Authoritarian Chile:

The President and Congress in Post-authoritarian Chile Peter M. Siavelis, 1996 **Chile and the Neoliberal Trap**
Andrés Solimano, 2012-04-30 This book analyzes Chile's political economy over the last 30 years and the country's attempt to build a market society in a highly inegalitarian society now as a member country of the Organization for Economic Cooperation and Development OECD The investigation provides a historical background of Chilean economy and society and discusses the cultural underpinnings of the imposition of free markets the macroeconomic and growth performance of the 1990s and 2000s and the social record of privatization of education health and social security The treatment documents the growing concentration of economic power among small groups of elites in Chile and discusses the limits of the democratic system built after the departure of the Pinochet regime Political Representation in Southern Europe and Latin America
André Freire, Mélanie Barragán, Xavier Collier, Marco Lisi, Emmanouil Tsatsanis, 2020-06-03 This collective volume with contributions from experts on these regions examines broader questions about the current crises The Great Recession and The Commodity Crisis and the associated changes in political representation in both regions It provides a general overview of political representation studies in Southern Europe and Latin America and builds bridges between the two traditions of political representation studies affording greater understanding of developments in each region and promote future research collaboration between Southern Europe and Latin America Finally the book addresses questions of continuity and change in patterns of political representation after the onset of the two economic crises specifically examining issues such as changes in citizens democratic support and trust in political representatives and institutions in descriptive representation in the sociodemographic profile of MPs and in substantive representation in the link between voters and MPs in terms of ideological congruence and or policy issue orientations This book will be of key interest to scholars and students of political elites political representation European and Latin American politics studies and more broadly to comparative politics **Capital City Politics in Latin America** David J. Myers, Henry A. Dietz, 2002 As Latin America's new democratic regimes have decentralized the region's capital cities and their elected mayors have gained increasing importance Capital City Politics in Latin America tells the story of these cities how they are changing operationally how the empowerment of mayors and other municipal institutions is exacerbating political tensions between local executives and regional and national entities and how the cities growing significance affects traditional political patterns throughout society The authors weave a tapestry that illustrates the impact of local national and transnational power relations on the strategies available to Latin America's capital city mayors as they seek to transform their greater influence into desired actions **After the Washington Consensus**
Pedro-Pablo Kuczynski, John Williamson, 2003-03-26 This volume is a successor of sorts to the Institute's 1986 volume Toward Renewed Economic Growth in Latin America which blazed the trail for the market oriented economic reforms that were adopted in Latin America in the subsequent years It again presents the work of a group of leading Latin American economists

who were asked to think about the nature of the economic policy agenda that the region should be pursuing after a decade that was punctuated by crises achieved disappointingly slow growth and saw no improvement in the region's highly skewed income distribution. The study diagnoses the first generation liberalizing and stabilizing reforms that are still lacking the complementary second generation institutional reforms that are necessary to provide the institutional infrastructure of a market economy with an egalitarian bias and the new initiatives that are needed to crisis proof the economies of the region to end its perpetual series of crises. Contributors: Daniel Artana, Nancy Birdsall, Roberto Bouzas, Saul Keifman, Pedro Pablo Kuczynski, Ricardo Lopez Murphy, Claudio de Moura Castro, Fernando Navajas, Patricio Navia, Liliana Rojas Suarez, Jaime Saavedra, Miguel Székely, Andrés Velasco, John Williamson, and Laurence Wolff.

The Politics of Electoral Systems

Michael Gallagher, Paul Mitchell, 2005-09-15. Electoral systems matter. They are a crucial link in the chain connecting the preferences of citizens to the policy choices made by governments. They are chosen by political actors and once in existence have political consequences for those actors. They are an important object of study for anyone interested in the political process and in this book we subject them to systematic analysis. In addition to some comparative chapters, the book contains full accounts of the operation of electoral systems in 22 countries: France, the UK, Germany, Italy, Israel, Spain, Austria, Belgium, Denmark, Finland, The Netherlands, Ireland, Hungary, Russia, Australia, Canada, India, the USA, Japan, New Zealand, Chile, and South Africa. The book provides detailed analyses of the operation of a diverse set of electoral systems in their national context. Each chapter explains how the electoral system really works in the given country, examining the strategic incentives the system provides to voters, candidates, and parties. All country chapters have a common format and structure. Successive sections analyse the institutional context, how each electoral system was chosen historically, how the current electoral system operates, the rules, mechanics, and ballot structure, and the political consequences of the current system: the impact on the party system, the internal life of parties, and the impact on parliament and government formation. Each country chapter then contains a final section which focuses on the politicization of electoral institutions. In recent years, many countries have changed their electoral systems, either entirely or in part, so there is a strong focus on the processes of electoral reform, both historically and prospectively. The book concentrates on the real world politics as well as the political science of electoral systems. The book will be of interest to those concerned with the practical political business of electoral reform. The book contains a wealth of evidence about the performance of various kinds of proportional representation and of non-PR systems. This will be invaluable for anyone interested in the question: What would be the best electoral system for my country?

Democratic Latin America Craig L. Arceneaux, 2020-10-26. The third edition of *Democratic Latin America* retains its classic institutional approach to understand contemporary Latin American politics. Each chapter focuses on a different institution and compares how they are constructed differently across countries. Placing a premium on accessibility, the chapters open with a story and end with a detailed country case study, making use of contemporary examples to feed student

interest in current events with comparison based tables and box features interspersed throughout to stimulate analysis Every chapter finishes with a set of questions and recommended readings This approach allows for a very practical approach to politics that encourages critical analysis Updates to this new edition include updated comparison based tables and box features to stimulate analysis new Country in the Spotlight to include developments unique to each country and discussions on political change in Cuba indigenous peoples and political power neopopulism impeachment procedures transitional justice the 2019 protests the new militarism the mobilization of women against violence LGBT rights the evangelical movement and the Colombian peace process A clear eyed look at political institutions to provide a roadmap to the political activity in a country Democratic Latin America continues to offer an original way of teaching and learning about Latin American politics

The Selection of Ministers around the World Keith Dowding, Patrick Dumont, 2014-08-13 Governing cabinets are composed of ministers who come and go even as governments march on They work for the chief executive the prime minister or the president for their parties and for the constituent groups from which they come They are chosen for their role and dismissed from it for all sorts of reasons that vary across time and country This book examines the process of selection shuffling and removal of ministers in national cabinets around the world Drawing on original data over several decades it offers a series of case studies of countries from around the world with differing institutional and cultural structures including presidential and semi presidential systems and parliamentary unitary and federal systems some of which have experienced periods under authoritarian regimes Featuring 14 case studies on North and South America Asia Africa Australia and New Zealand this book complements the earlier volume *The Selection of Ministers in Europe* Routledge 2009 This volume will be an important reference for students and scholars of political science government executives comparative politics and political parties

Informal Institutions and Democracy Gretchen Helmke, Steven Levitsky, 2006-08-28 The volume emerged out of two conferences on informal institutions The first entitled *Informal Institutions and Politics in the Developing World* was held at Harvard University in April 2002 The second conference entitled *Informal Institutions and Politics in Latin America Understanding the Rules of the Game* was held at the Kellogg Institute for International Studies University of Notre Dame in April 2003 Pref

Leftovers Jorge G. Castañeda, Marco A. Morales, 2009-09-10 Written by specialists on the region this book provides a comprehensive account of the left across Latin America

Rent-Seeking in Private Pensions Mark Hyde, Silvia Borzutzky, 2016-08-31 This book argues that the implementation of compulsory highly regulated privately administered defined contribution pensions facilitates rent seeking behaviour on the part of the pension fund administrators and undermines the retirees income and well being While the book focuses primarily on Chile its analysis and conclusions are applicable to several Latin American and Eastern European countries where privately administered pension systems have been implemented Chapters evaluate the scholarly literature and empirical evidence around three aspects of the pension fund industry structure pricing and performance The authors conclude that state regulation has facilitated the accumulation

of capital in the hands of the pension fund administrators They also demonstrate that these systems owe more to the values and principles of conservative philosophy than to neoliberalism in providing alternative solutions to the rent seeking approach to retirement

Latin American Democracy Richard L. Millett, Richard L. Millet, Jennifer S. Holmes, Orlando J. Pérez, 2010-04-26 Nearly thirty years have passed since Latin America began the arduous task of transitioning from military led rule to democracy In this time more countries have moved toward the institutional bases of democracy than at any time in the region's history Nearly all countries have held free competitive elections and most have had peaceful alternations in power between opposing political forces Despite these advances however Latin American countries continue to face serious domestic and international challenges to the consolidation of stable democratic governance The challenges range from weak political institutions corruption legacies of militarism transnational crime and globalization among others In *Latin American Democracy* contributors both academics and practitioners North Americans and Latin Americans explore and assess the state of democratic consolidation in Latin America by focusing on the specific issues and challenges confronting democratic governance in the region

Democratization by Institutions Leslie E. Anderson, 2016-08-25 In this pioneering study of democratization in Argentina Leslie Anderson challenges Robert Putnam's thesis that democracy requires high levels of social capital She demonstrates in *Democratization by Institutions* that formal institutions e.g. the executive the legislature the courts can serve not only as operational parts within democracy but as the driving force toward democracy As Anderson astutely observes the American founders debated the merits of the institutions they were creating Examining how and how well Argentina's American style institutional structure functions she considers the advantages and risks of the separation of powers checks and balances legislative policymaking and strong presidential power During the democratic transition the Argentinian state has used institutions to address immediate policy challenges in ways responsive to citizens and thereby to provide a supportive environment in which social capital can develop By highlighting the role that institutions can play in leading a nation out of authoritarianism even when social capital is low Anderson begins a new conversation about the possibilities of democratization *Democratization by Institutions* has much to say not only to Latin Americanists and scholars of democratization but also to those interested in the U.S. constitutional structure and its application in other parts of the world

Care Work and Class Merike Blofield, 2015-06-29 Despite constitutions that enshrine equality until recently every state in Latin America permitted longer working hours in some cases more than double the hours and lower benefits for domestic workers than other workers This has in effect subsidized a cheap labor force for middle and upper class families and enabled well to do women to enter professional labor markets without having to negotiate household and care work with their male partners While elite resistance to reform has been widespread during the past fifteen years a handful of countries have instituted equal rights In *Care Work and Class* Merike Blofield examines how domestic workers mobilization strategic alliances and political windows of opportunity mostly linked to left wing executive and legislative allies can lead to improved

rights even in a region as unequal as Latin America Blofield also examines the conditions that lead to better enforcement of rights *The Rule of Law in Nascent Democracies* Rebecca Bill Chavez, 2004 This book explains how the rule of law emerges and how it survives in nascent democracies The question of how nascent democracies construct and fortify the rule of law is fundamentally about power By focusing on judicial autonomy a key component of the rule of law this book demonstrates that the fragmentation of political power is a necessary condition for the rule of law In particular it shows how party competition sets the stage for independent courts Using case studies of Argentina at the national level and of two neighboring Argentine provinces San Luis and Mendoza this book also addresses patterns of power in the economic and societal realms The distribution of economic resources among members of a divided elite fosters competitive politics and is therefore one path to the requisite political fragmentation Where institutional power and economic power converge a reform coalition of civil society actors can overcome monopolies in the political realm **Ceremony and Ritual in Parliament**

Shirin M. Rai, 2013-10-18 *Ceremony and Ritual in Parliament* breaks new ground in the study of legislatures It combines mainstream historical and social science approaches with cultural theory to consider how parliamentary ritual is constructed through ceremony space and socialisation The focus is on the marginalised groups especially women and members of ethnic minorities who seek inclusion as representatives in democratic legislatures This book assesses aspects of the role that ceremony and ritual in legislatures play especially but not exclusively in their gendered and racialised dimensions Within this broad frame it considers the impact of space identity ritual and or ceremony on the institutional form of parliament how power is shaped within it how the behaviour of members is facilitated constrained and shaped how power and rituals interact to and how they impinge upon the relationships between representative institutions and citizens Contributions are theoretical and empirical comparative or single country studies of national or sub national legislatures They have interdisciplinary historical or postcolonial perspectives that contribute to this emerging field in the study of parliaments This book was previously published as a special issue of the *Journal of Legislative Studies* **Beyond Neoliberalism in Latin America?**

J. Burdick, P. Oxhorn, K. Roberts, 2009-01-05 While the neoliberal model continues to dominate economic and political life in Latin America people throughout the region have begun to strategize about how to move beyond this model Twelve cutting edge papers investigate how Latin Americans are struggling to articulate a future in which neoliberalism is reconfigured *Constructing Democratic Governance in Latin America* Jorge I. Domínguez, Michael Shifter, 2013-07-31 After more than a century of assorted dictatorships and innumerable fiscal crises the majority of Latin America's states are governed today by constitutional democratic regimes Some analysts and scholars argue that Latin America weathered the 2008 fiscal crisis much better than the United States How did this happen Jorge I Domínguez and Michael Shifter asked area specialists to examine the electoral and governance factors that shed light on this transformation and the region's prospects They gather their findings in the fourth edition of *Constructing Democratic Governance in Latin America* This new edition is

completely updated Part I is thematic covering issues of media constitutionalism the commodities boom and fiscal management vis vis governance Part II focuses on eight important countries in the region Argentina Brazil Bolivia Chile Colombia Mexico Peru and Venezuela Already widely used in courses Constructing Democratic Governance in Latin America will continue to interest students of Latin American politics democratization studies and comparative politics as well as policymakers

Presidentialism, Parliamentarism, and Democracy Jose Antonio Cheibub, 2007 This book questions the reasons why presidential democracies more likely to break down than parliamentary ones

Legislative Politics in Latin America Scott Morgenstern, Benito Nacif, 2002-03-04 This theoretically inspired study explores legislative politics in Argentina Brazil Chile and Mexico Instead of beginning with an assumption that these legislatures are either rubber stamps or obstructionist bodies the chapters provide new data and a fresh analytical approach to describe and explain the role of these representative bodies in these consolidating democracies For each country the book provides three chapters dedicated in turn to executive legislative relations the legislatures organizational structure and the policy process

This is likewise one of the factors by obtaining the soft documents of this **President And Congress In Post Authoritarian Chile** by online. You might not require more mature to spend to go to the book establishment as capably as search for them. In some cases, you likewise attain not discover the notice President And Congress In Post Authoritarian Chile that you are looking for. It will extremely squander the time.

However below, subsequently you visit this web page, it will be as a result categorically simple to get as skillfully as download guide President And Congress In Post Authoritarian Chile

It will not bow to many era as we tell before. You can do it even if take action something else at house and even in your workplace. for that reason easy! So, are you question? Just exercise just what we present below as with ease as evaluation **President And Congress In Post Authoritarian Chile** what you as soon as to read!

President And Congress In Post Authoritarian Chile Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading President And Congress In Post Authoritarian Chile free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading President And Congress In Post Authoritarian Chile free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for

offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading President And Congress In Post Authoritarian Chile free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading President And Congress In Post Authoritarian Chile. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading President And Congress In Post Authoritarian Chile any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About President And Congress In Post Authoritarian Chile Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. President And Congress In Post Authoritarian Chile is one of the best books in our library for free trial. We provide a copy of President And Congress In Post Authoritarian Chile in digital format, so the resources that you find are reliable. There are also many eBooks related to President And Congress In Post Authoritarian Chile. Where to download President And Congress In Post Authoritarian Chile online for free? Are you looking for President And Congress In Post Authoritarian Chile PDF? This is definitely going to save you time and cash in something you should think about. If you're trying to find then search around for online. Without a doubt, there are numerous of these available and many of them have the freedom. However, without a doubt, you receive whatever you

purchase. An alternate way to get ideas is always to check another President And Congress In Post Authoritarian Chile. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of President And Congress In Post Authoritarian Chile are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with President And Congress In Post Authoritarian Chile. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with President And Congress In Post Authoritarian Chile To get started finding President And Congress In Post Authoritarian Chile, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with President And Congress In Post Authoritarian Chile So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading President And Congress In Post Authoritarian Chile. Maybe you have knowledge that, people have search numerous times for their favorite readings like this President And Congress In Post Authoritarian Chile, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. President And Congress In Post Authoritarian Chile is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, President And Congress In Post Authoritarian Chile is universally compatible with any devices to read.
