Silva, Hank Jenkins-Smith**

## **Presidential Popularity And The Economy:**

Presidential Popularity and the Economy Kristen Renwick Monroe, 1984 An intriguing analysis of the economy's influence on popular support for the incumbent American presidents in the post World War II period      **Economics and Politics**

Helmut Norpoth, Michael S. Lewis-Beck, Jean-Dominique Lafay, 1991 An important study on the effects of economic performance on elections      **Blaming the Government: Citizens and the Economy in Five European Democracies**

Christopher A. Anzalone, 2016-09-16 This work examines the impact of macroeconomic conditions on public support for the government in Britain France Netherlands Denmark and Germany      *The Political Economy of Military Spending in the United States* Alex Mintz, 2002-01-31 This is a timely collection of essays utilizing the political economy approach to military spending primarily by the United States The articles deal specifically with the relationships between defense spending and a political business cycles public opinion and the US Soviet relationship b military action i e war c economic performance the trade deficit guns versus butter issues and fiscal policy      **The Presidency and Economic Policy** Chris J. Dolan, John P. Frendreis, Raymond Tatalovich, 2008 The Presidency and the Economic Policy offers an update on how economic issues have developed and evolved since the first version of the book was published in 1994 This book addresses the extent to which the president influences the domestic and global economy manages and coordinates the economic policymaking process and determines various economic issues on the national public policy agenda      The Fundamentals of Political Science Research

Paul M. Kellstedt, Guy D. Whitten, 2009 This textbook introduces the scientific study of politics supplying students with the basic tools to be critical consumers and producers of scholarly research      **The Presidential Dilemma** Michael A. Genovese, 2017-07-28 This brief thought provoking text evaluates the performance of recent presidents from Johnson to Bush finding that overall each has failed to live up to public expectations Written by one of the top presidency scholars today The Presidential Dilemma reflects on the idea that as our country's problems grow our politicians seem to shrink Arguing that American presidents of the last 40 years have largely failed to meet the needs expectations and responsibilities placed upon them the book discusses how presidents might better maximize their opportunities for leadership and suggests a distinctive theory of presidential politics presidents facing a system of multiple veto points seek to maximize power and influence The third edition of Genovese's stimulating book is thoroughly updated to reflect presidential development in recent years and a new introduction brings his arguments current As he demonstrates the emergence of democracy as a new social and political paradigm undermined traditional authority and legitimacy Subjects no longer automatically follow now citizens must be persuaded They may give to a leader their authority and power or not As Genovese notes in a world of mass consumerism those wishing to lead have precious little to offer by way of inducement Genovese's goal is to examine the reasons why the performance of recent presidents has been underwhelming discuss how they might maximize their opportunities for leadership and ask a key question Can presidents be both powerful and accountable The book follows a clear format and tries

to show why America's officeholders have so rarely been leaders and how presidents can become leaders instead of mere officeholders *The Presidential Expectations Gap* Richard W. Waterman, Carol L. Silva, Hank Jenkins-Smith, 2014-03-14 Today all presidents confront an expectations gap the difference between what the public expects them to accomplish and what is actually possible

**Economics and Politics Revisited** Timothy Hellwig, Matthew Singer, 2023-07-18 What drives government popularity For decades scholars journalists and political pundits alike have converged on a single answer the economy A rising economy lifts the popularity of the government and if the economy's fortunes turn south so too does that of the government This conventional wisdom informs politicians' decisions as well as the scholarly commentary on parties and elections Yet the conditions that underlie this model have changed in many countries as globalization has shifted control away from national policymakers as non economic cultural issues have risen in importance and as our politics have become more polarized At the same time since the Great Recession in 2008 persistent economic volatility has kept the economy on the agenda What then fuels government popularity in our current volatile environment Are political fortunes tied to economic stability as in the past Or has the economy popularity link the popularity function been severed by a host of new and less predictable factors in post industrial societies To answer these questions *Economics and Politics Revisited* uses data from the Executive Approval Project EAP a cross nationally comparable data on leader popularity to model the fundamental dynamics of government support in advanced industrial democracies Eleven country specific chapters each written by experts in the politics of the country examine the role of economic performance in generating leader support in each country In all cases chapter authors show that the economy matters for popularity However the economy popularity link is stronger in some countries than others Further chapters leverage EAP series to highlight change over time Pooled analyses extend these findings highlighting how the public's responses to the economy are reduced when political campaigns shift to non economic issues and when parties are polarization on non economic issues Collectively the volume highlights how evolving issue agendas are changing the nature of political accountability in advanced industrialized democracies While the economy remains important the book calls on students of political accountability to give greater attention to the role of non economic issues

*Comparative Politics* is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterized by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit [www.ecprnet.eu](http://www.ecprnet.eu) The series is edited by Nicole Bolleyer Chair of Comparative Political Science Geschwister Scholl Institut LMU Munich and Jonathan Slapin Professor of Political Institutions and European Politics Department of Political Science University of Zurich

*Controversies In Political Economy* Harold D Clarke, 2019-09-26 This book addresses a number of controversies in political economy of political support in three Anglo American polities Canada Great Britain and the United States It addresses a range of theoretical issues concerning which variables properly belong in

political economy models      **Political Dimensions of the American Macroeconomy** Gerald T. Fox, 2019-11-22 Political macroeconomy refers to the interconnection between macroeconomic politics and macroeconomic performance The expectational Phillips curve may be used to examine the economic aspects of this interrelation Macroeconomic politics relates to voter behavior presidential reelection ambition partisan economic priorities and special interests These factors impact the fiscal and monetary policy actions of the president Congress and central bank According to the electoral effect presidents attempt to boost the economy before an election to increase reelection votes According to the partisan effect conservative presidencies are relatively inflation averse while liberal administrations are relatively unemployment averse The evidence however suggests that the electoral and partisan effects occurred idiosyncratically in the U S economy during 1961 2016 The economy also affects presidential approval Congressional elections consumer sentiment voter participation and macropartisanship An international dimension of the political macroeconomy is the issue of free trade versus protectionism and the perspectives of economic liberalism neomercantilism and structuralism      **A Study of Bill Clinton's Presidential Approval Ratings** Joseph Wert, 2003 This work examines theories about presidential approval as reflected in public opinion polls Several theories have been proposed to explain the factors that determine a president's standing with the public

**The Rule of Law in South Korea** Jongryn Mo, David W. Brady, 2013-09-01 Expert contributors examine the challenges of fully implementing the rule of law in South Korea's fledgling democracy and market economy The expert contributors detail the obstacles that must be overcome such as corruption in politics and corporate governance and a deep rooted cultural indifference to the rights of the individual and offer suggestions on what can and what should not be done      *Guide to the Presidency* Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address and another which provides results from elections and polls and statistics from each office      *The Economic Vote* Raymond M. Duch, Randolph T. Stevenson, 2008-03-17 This book proposes a selection model for explaining cross national variation in economic voting Rational voters condition the economic vote on whether incumbents are responsible for economic outcomes because this is the optimal way to identify and elect

competent economic managers under conditions of uncertainty This model explores how political and economic institutions alter the quality of the signal that the previous economy provides about the competence of candidates The rational economic voter is also attentive to strategic cues regarding the responsibility of parties for economic outcomes and their electoral competitiveness Theoretical propositions are derived linking variation in economic and political institutions to variability in economic voting The authors demonstrate that there is economic voting and that it varies significantly across political contexts The data consist of 165 election studies conducted in 19 different countries over a 20 year time period [Polls and Politics](#) Michael A. Genovese, Matthew J. Streb, 2012-02-01 This hard hitting and engaging examination of polls and American politics asks an essential question do polls contribute to the vitality of our democracy or are they undermining the health of our political system Leading scholars address several key issues such as how various types of polls affect democracy the meaning attributed to polling data by citizens and the media the use of polls by presidents and how political elites respond or do not respond to public polls The contributors assert that while polls tread a fine line between informing and manipulating the public they remain valuable so long as a robust democracy obliges its political leaders to respond to the expressed will of the people

**Readings in Public Choice and Constitutional Political Economy** Charles Rowley, Friedrich Schneider, 2008-08-09 Public choice is the study of behavior at the intersection of economics and political science Since the pioneering work of Duncan Black in the 1940s public choice has developed a rich literature drawing from such related perspectives as history philosophy law and sociology to analyze political decision making by citizen voters elected officials bureaucratic administrators lobbyists and other rational actors in social and economic context with an emphasis on identifying differences between individual goals and collective outcomes Constitutional political economy provides important insights into the relationship between effective constitutions and the behavior of ordinary political markets In *Readings in Public Choice and Constitutional Political Economy* Charles Rowley and Friedrich Schneider have assembled an international array of leading authors to present a comprehensive and accessible overview of the field and its applications Covering a wide array of topics including regulation and antitrust taxation trade liberalization political corruption interest group behavior dictatorship and environmental issues and featuring biographies of the founding fathers of the field this volume will be essential reading for scholars and students policymakers economists sociologists and non specialist readers interested in the dynamics of political economy

**Race, Performance, and Approval of Mayors** S. Howell, 2007-02-05 Please note this is a Palgrave to Order title PTO Stock of this book requires shipment from an overseas supplier It will be delivered to you within 12 weeks This book is a study of why people approve and disapprove of the mayor in four cities with long histories of racial conflict New Orleans Detroit Chicago and Charlotte NC It examines the relative influence of race racial factors racial environment and perceptions of the quality of life in determining mayoral approval *The American Political Economy* Douglas A. Hibbs, Douglas A. Hibbs Jr., 1989-03-15 A comprehensive and authoritative work on relationships between the

economy and politics in the years from Eisenhower through Reagan Hibbs identifies which groups win and lose from inflations and recessions and shows how voters perceptions and reactions to economic events affect the electoral fortunes of political parties and presidents

**Unsurpassed** Helmut Norpoth, 2018-08-27 Franklin Roosevelt was not only the first US president to be covered by public opinion polls but his ratings have consistently exceeded those of all subsequent sitting presidents save for John F Kennedy Moreover Roosevelt also stands out with a popular appeal that is unsurpassed by any of his successors serving at least a full term The key to his approval as this book shows was wartime leadership not economic performance It began with policies preparing the nation for war in the two years before formal entry To use FDR s own coinage it was making the United States the arsenal of democracy in the battle against tyranny That pursuit not the New Deal earned him high marks with the American people and re election to an unprecedented third term World War II and its heavy human toll did nothing to diminish FDR s popularity As such the FDR experience defies major paradigms of presidential politics Yet Roosevelt has been relatively ignored by scholars of public opinion What can FDR s experience teach us and his successors about rousing broad public support particularly during wartime What light does his success shed on the failures of Presidents Truman Johnson and George W Bush in Korea Vietnam and Iraq On key issues mainly with foreign policy FDR had to contend with an American public that opposed his plans at the outset Helmut Norpoth argues that Roosevelt had an unparalleled ability for leadership especially through the fabled fireside chats and his appreciation of opinion polls that enabled him to move the public to embrace his policies In this book Norpoth takes an in depth look at how FDR s leadership swayed public opinion comparing his experience to his successors to draw broad conclusions about what makes for successful presidential politics

## Whispering the Techniques of Language: An Psychological Journey through **Presidential Popularity And The Economy**

In a digitally-driven earth where displays reign great and quick connection drowns out the subtleties of language, the profound secrets and mental subtleties concealed within phrases often get unheard. Yet, located within the pages of **Presidential Popularity And The Economy** a captivating literary treasure pulsing with natural thoughts, lies an extraordinary quest waiting to be undertaken. Published by a talented wordsmith, that charming opus invites visitors on an introspective journey, delicately unraveling the veiled truths and profound influence resonating within ab muscles cloth of each and every word. Within the mental depths of this moving evaluation, we shall embark upon a heartfelt exploration of the book is primary subjects, dissect their fascinating writing style, and yield to the strong resonance it evokes heavy within the recesses of readers hearts.

for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Presidential Popularity And The Economy full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Presidential Popularity And The Economy eBooks, including some popular titles.

### FAQs About Presidential Popularity And The Economy Books

**What is a Presidential Popularity And The Economy PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Presidential Popularity And The Economy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Presidential Popularity And The Economy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Presidential Popularity And The Economy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Presidential Popularity And The Economy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
