Presidential Indiscretions:

Presidential Indiscretions Turner Joy, 2004-06-07 Presidential Indiscretions explores the life of the President and his closest advisors The chapters are glimpses into the world of politics deceit and promiscuity The book begs the question What happens when a political icon uses cruelty and promiscuity as a mechanism of control The President's past present and future relationships impact on all other main prominent characters throughout the book Experience the engaging satire and deception that is woven into each chapter This powerful mix of political and emotional intrigue is set against a backdrop of a Washington D C that few Americans ever see It will touch your heart with its realism warmth surprise sensuality and emotions of unparalleled love for power *Brutal and Ruthless Politics* Leo L. Minasian, 2008-11 *Presidents and Presidencies in American History* Jolyon P. Girard, 2019-10-07 This innovative encyclopedia explores the life and times of America's forty five presidents from the first administration to that of Donald Trump Forty five men have served as President of the United States since George Washington swore the oath of office in 1789 in New York City Some have proved exceptional leaders and others have not Some have faced serious crises both foreign and domestic Franklin Roosevelt was elected to four terms leading the country through a major economic depression and a world war while one held the office for only a single month Each however played a key role in the evolution of United States history Each of their histories therefore remains a critical civics lesson to consider This four volume encyclopedia provides an expansive analysis of the life and times of each United States president in chronological order from George Washington to Donald Trump Each chapter includes a timeline a biographical sketch a historical overview and an analytical essay concerning the president and his presidency Each also includes a substantial selection of related primary documents presenting important presidential speeches and correspondence A suggested reading list for further study of each president rounds out each entry [Presidential Sex](#) Wesley O. Hagood, 1995 When the media revealed the details of John F Kennedy's sexual dalliances while in office the American public was shocked Reporters in the past often looked the other way leading many to erroneously believe that presidential philandering was simply a modern phenomenon Presidential Sex reveals exactly what's been going on in and around the Oval Office since our country's infancy Photos *JFK - The Conspiracy and Truth Behind the Assassination* John Hughes-Wilson, 2023-10-26 The killing of US President John F Kennedy in Dallas Texas in November 1963 sent a shockwave around the world The charismatic young Democrat was seen as a beacon of hope in the West but his liberal reforming policies had made him many powerful enemies at home For sixty years numerous theories have swirled around this key event in American and world history Yet whatever the conclusions of the official Warren Report that the President had been assassinated by a lone gunman Lee Harvey Oswald many people doubt that to be true Indeed President Nixon later admitted on tape that the report was a hoax committed on the American people John Hughes Wilson a former colonel in British Intelligence has sifted through the millions of words and thousands of pieces of evidence to put together an intelligence

assessment of what really happened that dreadful high noon in Dallas in 1963 John Hughes Wilson highlights the facts behind why Marilyn Monroe had to be silenced LBJ's corrupt secrets the Kennedys' secret Cuban coup plans how the Mafia manipulated politicians and the CIA and how the assassination was covered up Reading this astounding book no one can be in any doubt that JFK's death was not at the hands of a lone deranged gunman but a deadly plot to remove a President who threatened vested interests at home and abroad

Democrats Do the Dumbest Things Bill Crawford, 2025-09-23 If you think you've heard every dumb thing they've said or done think again Outrageous indulgent and downright dumb That's right we're talking about the words and deeds committed by politicians our favorite and least favorite people in the whole world In this hilarious collection it's the Democrats who step up to the mike open their mouths and insert their collective feet Democrats do the dumbest things Just ask any Republican who might wonder how Senator Ted Kennedy whose legacy may have as much to do with his partying as with his party affiliation kept his pants on long enough to serve the public When Ted was photographed atop a twenty-two year old woman on a speed boat a fellow senator quipped Well Teddy I see you've changed your position on offshore drilling You'll howl with laughter and wince in pain at the misguided actions bizarre statements and embarrassing moments of notable Democrats including Hillary Clinton Jimmy Carter Rev Al B Sharpton Ed Koch Gary Hart Rev Jesse Jackson Jerry Brown Lyndon Johnson and of course Bill Clinton Find out the latest from presidential campaign 2000 namely what are Al Gore and local Democratic loonies doing to keep the dumb hall of fame from running out of members Highlights include After the Chicago Bulls won their sixth NBA championship in 1998 Vice President Al Gore gushed I tell you that Michael Jackson is unbelievable isn't he John F Kennedy had this to say about aging There are two naked girls in the room but I'm sitting here reading The Wall Street Journal Does that mean I'm getting old Washington D C mayor Marion Barry once said Outside of the killing we have one of the lowest crime rates in the country These funny edgy examinations of crazy political antics are sure to be as controversial as they are entertaining Democrats will hate them Republicans will love them And everyone will want to read more

Grover Cleveland's Rubber Jaw and Other Unusual, Unexpected, Unbelievable but All-True Facts About America's Presidents Stephen Spignesi, 2012-05-01 From George Washington to Barack Obama this collection of weird and wild but true facts will show you a whole other side of our nation's leaders Andrew Jackson was married to a bigamist Martin Van Buren wore pistols in the Senate chamber in case things got too rowdy Franklin Pierce ran over a woman with his horse while in office and was arrested but was released when the police realized he was the president James Garfield could simultaneously write Greek with one hand and Latin with the other Dwight D Eisenhower's nickname for his staff driver was Private Parts Barack Obama can bench press 200 pounds

AmGov Christine Barbour, 2025-01-20 All the fundamentals No fluff Learn more with less AmGov Long Story Short helps students learn the nuts and bolts of American Government Unlike competitors this bestseller responds to the need for quick studying and skimming with ten succinct chapters that make it easy to read revisit and return to content quickly Reading

aids like bullets annotations and arrows walk students through important facts and break up the material in short engaging bites of information Though brief the Fourth Edition of this core book is still robust and current enough to provide everything that students need to be successful in their American Government course Whether for the on the go student who doesn't have time to read and digest a lengthy chapter or for the instructor who wants a book that will stay out of their way and leave room for plenty of supplementary reading and activities AmGov provides a perfectly simplified foundation

Constitutionalism and a Right to Effective Government? Vicki C. Jackson, Yasmin Dawood, 2022-10-27 This interdisciplinary volume highlights the crucial role of effective government in sustaining democratic constitutionalism In each chapter leaders in the fields of constitutional law and politics provide innovative analyses of the relationships between effective government and democratic constitutionalism its principles and its institutions Hillary Clinton in the News Shawn J. Parry-Giles, 2014-02-15 The charge of inauthenticity has trailed Hillary Clinton from the moment she entered the national spotlight and stood in front of television cameras Hillary Clinton in the News Gender and Authenticity in American Politics shows how the U S news media created their own news frames of Clinton's political authenticity and image making from her participation in Bill Clinton's 1992 presidential campaign through her own 2008 presidential bid Using theories of nationalism feminism and authenticity Parry Giles tracks the evolving ways the major networks and cable news programs framed Clinton's image as she assumed roles ranging from surrogate campaigner legislative advocate and financial investor to international emissary scorned wife and political candidate This study magnifies how the coverage that preceded Clinton's entry into electoral politics was grounded in her earliest presence in the national spotlight and in long standing nationalistic beliefs about the boundaries of authentic womanhood and first lady comportment Once Clinton dared to cross those gender boundaries and vie for office in her own right the news exuded a rhetoric of sexual violence These portrayals served as a warning to other women who dared to enter the political arena and violate the protocols of authentic womanhood **The Review**, 1926 **Keeping the Republic** Christine Barbour, Gerald C. Wright, 2025-03-19 Keeping the Republic Brief Eleventh Edition draws students into the study of American politics showing them how to think critically about who gets what and how while exploring the twin themes of power and citizenship With students living through one of the most challenging periods in American life this text is a much needed resource to help them make sense of politics in America today and become savvy consumers of political information Carefully condensed from the Full Edition by authors Christine Barbour and Gerald C Wright Keeping the Republic Brief Eleventh Edition gives your students the same continuity and crucial content in a more concise value oriented package Presidential Campaigns Paul F. Boller Jr., 2004-07-22 Were presidential campaigns always as bitter as they have been in recent years Or is the current style of campaigning a new political development In this revised and updated edition of Presidential Campaigns the answers to these questions are clear the race for the presidency although at times mean and nasty has always been an endlessly entertaining and highly charged spectacle for the American

public This book unveils the whole history of American presidential elections from the seamless ascent of General George Washington to the bitterly contested election of George W Bush bringing these boisterous contests to life in all their richness and complexity In the old days Boller shows campaigns were much rowdier than they are today Back in the nineteenth century the invective at election time was exuberant and the mudslinging unrestrained a candidate might be called everything from a carbuncle faced old drunkard to a howling atheist But there was plenty of fun and games too with songs and slogans speeches and parades all livening up the scene in order to get people to the polls Presidential Campaigns takes note of the serious side of elections even as it documents the frenzy frolic and the sleaze Each chapter contains a brief essay describing an election and presenting campaign highlights that bring to life the quadrennial confrontation in all its shame and glory With a postscript analyzing the major changes in the ways Americans have chosen their Presidents from Washington s time to the present Presidential Campaigns gives the reader a full picture of this somewhat flawed procedure For all of its shortcomings though this great American shindig is an essential part of the American democratic system and for better or for worse tells us much about ourselves *The Politics of Lying* L. Cliffe,M. Ramsay,D. Bartlett,2000-03-17 This book provides the first attempt to synthesise what is a pervasive phenomenon and one that is mentioned tangentially in many political analyses but nowhere receives the systematic and theoretical treatment that its significance to the working of democratic political practice deserves It will thus be a volume that should interest a range of scholars in government and political theory in comparative politics and communications

Andy Borowitz,2022-09-13 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER WASHINGTON POST BESTSELLER Andy Borowitz one of the funniest people in America CBS Sunday Morning brilliantly chronicles our embrace of anti intellectualism Walter Isaacson in American politics from Ronald Reagan to Dan Quayle from George W Bush to Sarah Palin to its apotheosis in Donald J Trump Andy Borowitz has been called a Swiftian satirist The Wall Street Journal and one of the country s finest satirists The New York Times Millions of fans and New Yorker readers enjoy his satirical news column The Borowitz Report Now in Profiles in Ignorance he delivers a wittily alarming polemic that tracks the evolution of American politics from grounds for gravitas to festival of idiocy The New York Times Borowitz argues that over the past fifty years American politicians have grown increasingly allergic to knowledge and mass media have encouraged the election of ignoramus by elevating candidates who are better at performing than thinking Starting with Ronald Reagan s first campaign for governor of California in 1966 and culminating with the election of Donald J Trump to the White House

Borowitz shows how during the age of twenty four hour news and social media the US has elected politicians to positions of great power whose lack of the most basic information is terrifying In addition to Reagan Quayle Bush Palin and Trump Borowitz covers a host of congresspersons senators and governors who have helped lower the bar over the past five decades Profiles in Ignorance aims to make us both laugh and cry laugh at the idiotic antics of these public figures and cry at the cataclysms these icons of ignorance have caused But most importantly the book delivers a call to action and a cause for optimism History doesn't move in a straight line and we can change course if we act now US Defense Politics Harvey M. Sapolsky, Eugene Gholz, Caitlin Talmadge, 2020-12-30 This book provides an accessible overview of US defense politics for upper level students This new edition has been updated and revised with new material on the Trump Administration and Space Force Analyzing the ways in which the United States prepares for war the authors demonstrate how political and organizational interests determine US defense policy and warn against over emphasis on planning centralization and technocracy Focusing on the process of defense policy making rather than just the outcomes of that process US Defense Politics departs from the traditional style of many textbooks Designed to help students understand the practical side of American national security policy the book examines the following key themes US grand strategy the roles of the president and the Congress in controlling the military organizational interests and civil military relations who joins America's military what happens to veterans after wars how and why weapons are bought the management of defense and intra and inter service relations public attitudes toward the military homeland security and the intelligence community The fourth edition will be essential reading for students of US defense politics national security policy and homeland security and highly recommended for students of US foreign policy public policy and public administration Presidential Anecdotes Paul F. Boller, 1996-10-03 Dramatic poignant hilarious and sentimental anecdotes about our presidents are as varied as the presidents themselves This new and revised edition of Presidential Anecdotes recounts some of the most striking stories about America's 42 chief executives from Washington to Clinton shedding light on the presidents as human beings and on the culture that produced them
