Presidential Power In Latin American Politics Special Studies:

Presidential Power in Latin American Politics Thomas V. DiBacco, 1977 *Presidential Power in Latin America* Dan Berbecl, 2021-12-23 What explains variance in presidential power between countries In *Presidential Power in Latin America* Dan Berbecl provides a general systematic theory for explaining presidential power in practice as opposed to presidential power in theory Using expert survey data from *Varieties of Democracy V Dem* alongside interviews with high level figures in politics the judiciary the public administration NGOs and academia in Argentina and Chile Berbecl argues that constitutional presidential power formal power is a very poor predictor of presidential power in practice informal power Given the poor predictive value of formal rules he provides an explanation why hyperpresidentialism emerges in some countries but not in others Berbecl attributes the root causes of hyperpresidentialism to three independent variables the strength of state institutions the size of the president's party in congress and whether or not the country has a history of economic crises which together determine how likely it is that a president will be able to concentrate power *Presidential Power in Latin America* will be of key interest to scholars and students of executive politics Latin American politics and more broadly comparative politics **Presidential Campaigns in Latin America** Taylor C. Boas, 2016-03-04 Taylor C Boas argues that new democracies are likely to develop nationally specific approaches to electioneering through success contagion The theory of success contagion holds that the first elected president to complete a successful term in office establishes a national model of campaign strategy that other candidates will adopt in future **Emergency Politics in the Third Wave of Democracy** Claire Wright, 2015-12-09 *Emergency Politics in the Third Wave of Democracy* aims to make an important contribution to the study of emergency politics by offering an up to date study of how it works in practice Specifically it studies the uses given to the regime of exception mechanism in Bolivia Ecuador and Peru in the first decade of the 21st century and analyzes potential incompatibilities with the two pillars of democratic governability efficiency and legitimacy This book offers a thorough review of existing literature on emergency politics offering conceptual clarification identifying three types or paradigms of emergency politics repressive administrative and disaster and pointing to regimes of exception as a useful route to their study It also provides an overview of emergency politics in Latin America throughout history pointing to the predominance of regimes of exception and the repressive paradigm The book describes the continuity of the repressive paradigm in Peruvian emergency politics to deal with both social protest and the apparent threat of organized crime and terrorism as well as how Bolivia has shifted from a repressive to a disaster paradigm in the face of pressure to deal with climate change It also analyzes the predominance of an administrative paradigm in Ecuadorian emergency politics in the context of weak institutions and difficulties in implementing policy as well as a populist style of leadership Ultimately the book offers some best practices in relation to the design and use of regimes of exception in democratic contexts Other studies on emergency politics tend to focus on legal or formal issues in the context of the United States War on Terror This

study is decidedly political and empirical in focus offering analysis and interpretation as a result of intensive fieldwork carried out by the author in Bolivia Ecuador and Peru Consequently this volume offers important contributions to our understanding of emergency politics in general with evidence from the periphery as well as to our understanding of democratization processes in the Third Wave

Latin America in Times of Turbulence Mariana Llanos, Leiv Marsteintredet, 2023-06-23 The Open Access version of this book available at <http://www.tandfebooks.com/doi/view/10.4324/9781003324249> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license This book accounts for and analyses the latest developments in Latin American presidential democracies with a special focus on political institutions The stellar line up of renowned scholars of Latin American politics and institutions from Latin America Europe and the United States offer new insights into how democratic institutions have operated within the critical context that marked the political and social life of the region in the last few years the eruption of popular protest and discontent the widespread distrust of political institutions and of course the COVID 19 pandemic Combining different methodological approaches including cross national studies small N studies case studies and quantitative and qualitative data the contributions cluster around three themes the problem with fixed terms and other features of presidentialism inter institutional relations and executive accountability and old and new threats to democracy in these times of turmoil The volume concludes with an assessment of the political consequences of the COVID 19 pandemic in Latin America Beyond current scholars and students of comparative political scientists Latin America in Times of Turbulence will be of great interest to a wide spectrum of readers interested in comparative systems of government democracy studies and Latin American politics more generally

Global Encyclopedia of Public Administration, Public Policy, and Governance Ali Farazmand, 2023-04-05 This global encyclopedic work serves as a comprehensive collection of global scholarship regarding the vast fields of public administration public policy governance and management Written and edited by leading international scholars and practitioners this exhaustive resource covers all areas of the above fields and their numerous subfields of study In keeping with the multidisciplinary spirit of these fields and subfields the entries make use of various theoretical empirical analytical practical and methodological bases of knowledge Expanded and updated the second edition includes over a thousand of new entries representing the most current research in public administration public policy governance nonprofit and nongovernmental organizations and management covering such important sub areas as 1 organization theory behavior change and development 2 administrative theory and practice 3 Bureaucracy 4 public budgeting and financial management 5 public economy and public management 6 public personnel administration and labor management relations 7 crisis and emergency management 8 institutional theory and public administration 9 law and regulations 10 ethics and accountability 11 public governance and private governance 12 Nonprofit management and nongovernmental organizations 13 Social health and environmental policy areas 14 pandemic and crisis management 15 administrative and governance reforms 16

comparative public administration and governance 17 globalization and international issues 18 performance management 19 geographical areas of the world with country focused entries like Japan China Latin America Europe Asia Africa the Middle East Russia and Eastern Europe North America and 20 a lot more Relevant to professionals experts scholars general readers researchers policy makers and manager and students worldwide this work will serve as the most viable global reference source for those looking for an introduction and advance knowledge to the field **Political Parties** Jorge I.

Domínguez,2001-12-07 With the fall of the Soviet Union and the acceleration of global economic political and social pressures Mexico Central and South America have undergone vast transformations This collection details these changes and updates the scholarship on a region once defined by the cold war and now struggling to define itself within the era of economic globalization and democratization Rapid changes in the area have produced new and contentious scholarship the best of which is contained in this new five volume set Collected by one of the premiere authorities on the region each volume contains a valuable introduction and considers a key discipline of study Together the volumes provide a comprehensive view which will prove an indispensable research tool for students and scholars alike **Presidents, Parties, and Prime**

Ministers David J. Samuels,Matthew S. Shugart,2010-05-17 This book provides a framework for analyzing the impact of the separation of powers on party politics Conventional political science wisdom assumes that democracy is impossible without political parties because parties fulfil all the key functions of democratic governance They nominate candidates coordinate campaigns aggregate interests formulate and implement policy and manage government power When scholars first asserted the essential connection between parties and democracy most of the world s democracies were parliamentary Yet by the dawn of the twenty first century most democracies had directly elected presidents David J Samuels and Matthew S Shugart provide a theoretical framework for analyzing variation in the relationships among presidents parties and prime ministers across the world s democracies revealing the important ways that the separation of powers alters party organization and behavior thereby changing the nature of democratic representation and accountability **The Oxford Handbook of**

Historical Institutionalism Orfeo Fioretos,Tulia G. Falletti,Adam Sheingate,2016-03-17 The Oxford Handbook of Historical Institutionalism offers an authoritative and accessible state of the art analysis of the historical institutionalism research tradition in Political Science Devoted to the study of how temporal processes and events influence the origin and transformation of institutions that govern political and economic relations historical institutionalism has grown considerably in the last two decades With its attention to past present and potential future contributions to the research tradition the volume represents an essential reference point for those interested in historical institutionalism Written in accessible style by leading scholars thirty eight chapters detail the contributions of historical institutionalism to an expanding array of topics in the study of comparative American European and international politics *Government Formation and Minister Turnover in Presidential Cabinets* Marcelo Camerlo,Cecilia Martínez-Gallardo,2017-11-28 Portfolio allocation in presidential systems is a

central tool that presidents use to deal with changes in the political and economic environment Yet we still have much to learn about the process through which ministers are selected and the reasons why they are replaced in presidential systems This book offers the most comprehensive cross national analysis of portfolio allocation in the Americas to date In doing so it contributes to the development of theories about portfolio allocation in presidential systems Looking specifically at how presidents use portfolio allocation as part of their wider political strategy it examines eight country case studies within a carefully developed analytical framework and cross national comparative analysis from a common dataset The book includes cases studies of portfolio allocation in Brazil Chile Colombia Costa Rica Ecuador the United States Peru and Uruguay and covers the period between the transition to democracy in each country up until 2014 This book will be of key interest to scholars and students of political elites executive politics Latin American politics and more broadly comparative politics

Anti-Neoliberal Populisms in Comparative Perspective Enrico Padoan,2020-11-15 In this book Enrico Padoan proposes an original middle range theory to explain the emergence and the internal organisation of anti neoliberal populist parties in Latin America and Southern Europe and the relationships between these parties and the organised working class Padoan begins by tracing the diverging evolution of the electoral Lefts in Latin America and Southern Europe in the aftermath of economic crises and during the implementation of austerity measures within many of these nations A causal typology for interpreting the possible outcomes of the realignments within the electoral Lefts is proposed Hereafter the volume features five empirical chapters four of which focus on the rise of anti neoliberal populist parties in Bolivia Argentina Spain and Italy while a fifth offers an analysis on four shadow cases in Venezuela Uruguay Portugal and Greece Scholars of Latin America and Comparative Politics will find *Anti Neoliberal Populisms in Comparative Perspective* a highly valuable resource offering a distinctive perspective on the impact of different populisms on party systems and on the challenges that such populisms posed to syndicalism and to traditional left of centre parties

The Oxford Handbook of Political Executives Rudy B. Andeweg,Robert Elgie,Ludger Helms,Juliet Kaarbo,Ferdinand Müller-Rommel,2020-07-30 Political executives have been at the centre of public and scholarly attention long before the inception of modern political science In the contemporary world political executives have come to dominate the political stage in many democratic and autocratic regimes The Oxford Handbook of Political Executives marks the definitive reference work in this field Edited and written by a team of world class scholars it combines substantive stocktaking with setting new agendas for the next generation of political executive research

Presidents and Terminal Logic Behavior Genevieve M. Kehoe,2014-04-02 Presidents of nations with constitutionally imposed term limits are often viewed as growing weaker as they approach the end of their time in office However in this important new study political scientist Genevieve M Kehoe argues that because such chief executives are free from reelection constraint and often still enthusiastic to create a legacy by pursuing bold projects they may accomplish significant initiatives Kehoe has developed a concept for this which she calls Terminal Logic Behavior TLB *Presidents and Terminal Logic Behavior*

Term Limits and Executive Action in the United States Brazil and Argentina provides both case studies and quantitative evidence to show how US presidents of the last three decades have utilized decrees on foreign domestic and environment policy during their final months in office She finds a systematic pattern of decree use consistent with the mark of TLB in a most unexpected place presidents use of national emergency powers In a careful comparative analysis she also finds support for her argument in the Argentinean and Brazilian experience of the same period

Routledge Handbook of Latin American Politics Peter Kingstone, Deborah J. Yashar, 2013-03-05 The Routledge Handbook of Latin American Politics brings together the leading figures in the study of Latin America to present extensive empirical coverage and a cutting edge examination of the central areas of inquiry in the region

The Oxford Handbook of Comparative Politics Carles Boix, Susan Carol Stokes, 2007 The Oxford Handbooks of Political Science is a ten volume set of reference books offering authoritative and engaging critical overviews of the state of political science Each volume focuses on a particular part of the discipline with volumes on Public Policy Political Theory Political Economy Contextual Political Analysis Comparative Politics International Relations Law and Politics Political Behavior Political Institutions and Political Methodology The project as a whole is under the General Editorship of Robert E Goodin with each volume being edited by a distinguished international group of specialists in their respective fields The books set out not just to report on the discipline but to shape it The series will be an indispensable point of reference for anyone working in political science and adjacent disciplines The Oxford Handbook of Comparative Politics offers a critical survey of the field of empirical political science through the collection of a set of chapters written by 47 top scholars in the discipline of comparative politics Part I includes chapters surveying the key research methodologies employed in comparative politics the comparative method the use of history the practice and status of case study research the contributions of field research and assessing the possibility of constructing a science of comparative politics Parts II to IV examine the foundations of political order the origins of states and the extent to which they relate to war and to economic development the sources of compliance or political obligation among citizens democratic transitions the role of civic culture authoritarianism revolutions civil wars and contentious politics Parts V and VI explore the mobilization representation and coordination of political demands Part V considers why parties emerge the forms they take and the ways in which voters choose parties It then includes chapters on collective action social movements and political participation Part VI opens up with essays on the mechanisms through which political demands are aggregated and coordinated This sets the agenda to the systematic exploration of the workings and effects of particular institutions electoral systems federalism legislative executive relationships the judiciary and bureaucracy Finally Part VII is organized around the burgeoning literature on macropolitical economy of the last two decades

Presidentialism, Parliamentarism, and Democracy Jose Antonio Cheibub, 2007 This book questions the reasons why presidential democracies more likely to break down than parliamentary ones

Latin American Politics David Close, 2009-01-01 Highlighting eleven different topics in

separate chapters the thematic approach of Latin American Politics offers students the conceptual tools they need to analyze the political systems of all twenty Latin American nations Such a structure makes the book self consciously comparative allowing students to become stronger analysts of comparative politics and better political scientists in general

Impeachment in the Nigerian Presidential System Omololu Fagbadebo,2020-08-26 This book explores the politics associated with the exercise of the legislative power of impeachment as intended by the drafters of the Constitution in Nigeria It interrogates the exercise of the power of impeachment with reference to the intended purpose and examines its failures in the cases of impeachment in the country It analyzes the interplay of power in the governing institutions in Nigeria's political system which involved the understanding of a web of interactions among elites within a political structure relating with others outside its sphere of operation It presents an analysis of the politics associated with impeachment within the framework of the activities of different political actors operating in different political structures assigned to perform certain statutory roles in the political system The book shows how the selective use of impeachment provisions as instrument of political vendetta and harassment has weakened the potency of this oversight power of the legislature thereby engendering accountability problem in the Nigerian presidential system

Neoliberalism, Accountability, and Reform Failures in Emerging Markets Luigi Manzetti,2015-10-13 The agenda of neoliberal market reform known as the Washington Consensus which was meant to turn around the economies of developing and postcommunist countries and provide the bedrock of economic success on which stable democracies could be built has largely proved to be a failure with Russia and many Latin American countries like Argentina left in severe economic crisis by the end of the 1990s Some proponents of neoliberal reform such as Anne Krueger have attributed this failure to the piecemeal and incomplete implementation of reform measures while others including Nobel Prize economist and former World Bank vice president Joseph Stiglitz have pointed to technical flaws in the policies While both of these assessments focus narrowly on economic factors Luigi Manzetti highlights the crucial importance of political institutions and processes to a fully adequate explanation His argument is that the ideology of neoliberal reform rooted in the theories of Friedrich von Hayek and Milton Friedman assumed political checks and balances that did not exist in many of these countries undergoing market reform and that only by taking political accountability as an influential variable in the equation for success can we really understand what happened Where accountability was weak patterns of corruption collusion and patronage worked to undermine the intended aims of market reform Manzetti uses both large N statistical analyses and small N case studies of Argentina Chile and Russia to provide empirical evidence for his argument

Checking Presidential Power Valeria Palanza,2019-01-17 Provides the first comparative look into executive decree authority It explains why presidents issue decrees and why checks and balances sometimes fail

Getting the books **Presidential Power In Latin American Politics Special Studies** now is not type of inspiring means. Presidential Power In Latin American Politics Special Studies Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Presidential Power In Latin American Politics Special Studies free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Presidential Power In Latin American Politics Special Studies free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Presidential Power In Latin American Politics Special Studies free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Presidential Power In Latin American Politics Special Studies. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Presidential Power In Latin American Politics Special Studies any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Presidential Power In Latin American Politics Special Studies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Presidential Power In Latin American Politics Special Studies is one of the best book in our library for free trial. We provide copy of Presidential Power In Latin American Politics Special Studies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Presidential Power In Latin American Politics Special Studies. Where to download Presidential Power In Latin American Politics Special Studies online for free? Are you looking for Presidential Power In Latin American Politics Special Studies PDF? This is definitely going to save you time and cash in something you should think about.
