Some Giants and a Pygmy  
in the White House

THEODORE ROOSEVELT

WOODROW WILSON

FRANKLIN D. ROOSEVELT

HARRY S. TRUMAN

WARREN G. HARDING

Samuel and Dorothy Rosenman

Introduction by James MacGregor Burns

# Presidential Style Some Giants And A Pygmy In The White House

**Arthur C. Paulson**

## **Presidential Style Some Giants And A Pygmy In The White House:**

**Presidential Style** Samuel Irving Rosenman, Dorothy Rosenman, 1976      **The Madman in the White House** Patrick Weil, 2023-05-16 In 1932 Sigmund Freud and diplomat William Bullitt completed a well informed psychobiography of Woodrow Wilson inspired by his irrational handling of the Treaty of Versailles Released decades later in redacted form the book was panned by critics and immediately forgotten Patrick Weil resurrects the original version and reassesses its insights

**The Dying President** Robert H. Ferrell, 1998 In this authoritative account Robert H Ferrell shows how the treatment of President Franklin D Roosevelt s illness in 1944 1945 was managed by none other than the president himself Although this powerful American president knew that he suffered from cardiovascular disease he went to great lengths to hide that fact both from his physician and from the public Why Roosevelt disguised the nature of his illness may be impossible to discern fully He was a secretive man who liked to assign only parts of tasks to his assistants so that he the president would be the only one who knew the whole story The presidency was his life and he did not wish to give it up The president s duplicity though not easily measurable had a critical effect on his performance Placed on a four hour a day schedule by his physicians Roosevelt could apply very little time to his presidential duties He took long vacations in South Carolina Warm Springs the Catocin Mountains and Hyde Park as well as lengthy journeys to Hawaii Canada and Yalta Important decisions were delayed or poorly made America s policy toward Germany was temporarily abandoned in favor of the so called Morgenthau Plan which proposed the pastoralization of Germany turning the industrial heart of Europe into farmland Roosevelt nearly ruined the choice of Senator Harry S Truman as his running mate in 1944 by wavering in the days prior to the party s national convention He negotiated an agreement with Winston Churchill on sharing postwar development of nuclear weapons but failed to let the State Department know And in perhaps the most profoundly unwise decision Roosevelt accepted a fourth term when he could not possibly survive it In his final year a year in which he faced crucial responsibility regarding World War II and American foreign policy Franklin D Roosevelt failed to serve the nation as a healthy president would have Reading like a mystery story The Dying President clears up many of the myths and misunderstandings that have surrounded Roosevelt s last year finally revealing the truth about this missing chapter in FDR s life      **Best Little Stories from the White**

**House** C. Brian Kelly, 2012-08 Behind the White House s impressive facade lies the long history of the men who have lived and governed within it s walls From births to deaths weddings to funerals the White House has seen it all In Best Little Stories from the White House author C Brian Kelly takes us on a tour of the White House s fascinating history giving us a glimpse of the most memorable presidential moments Theodore Roosevelt s children once snuck their pony upstairs in the White House elevator to cheer up their sick brother Winston Churchill once suffered a minor heart episode while struggling with a stuck window in the White House John Quincy Adams was known to skinny dip in the Potomac Woodrow Wilson liked to chase up and down the White House corridors playing rooster fighting with his daughter Nellie      *Upstairs at the*

*Roosevelts'* Curtis Roosevelt, 2017-07 Curtis Roosevelt knew what it was like to live with a president His grandfather was Franklin Delano Roosevelt From the time Curtis with his sister Eleanor and recently divorced mother Anna Roosevelt Dall moved into his grandparents new home the White House Curtis played learned slept ate and lived in one of the most famous buildings in the world with one of its most famous residents Curtis Roosevelt offers anecdotes and revelations about the lives of the president and First Lady and the many colorful personalities in this presidential family From Eleanor s shocking role in the remarriage of Curtis s mother to visits from naughty cousins and trips to the Home Farm Upstairs at the Roosevelts provides an intimate perspective on the dynamics of one of America s most famous families and those who visited were friends and sometimes even enemies      God In The Obama Era Niels C. Nielsen, 2009-10-01 Election 2008 turned out to be a watershed contests looking to crucial decisions of policy change about the war in Iraq the international economy global warming social security and immigration God in the Obama Era is written for general readers and is designed to help give objectivity and perspective on debated issues Its approach is narrative and chronological not dogmatic Its premise is that the contemporary presidency stands in a longer historical tradition which conditions both philosophical and value judgments A scholar who has written in both the history and philosophy of religion the author is interested in the long term moral values and religious symbols that motivate both voters and public officials Of course he is not so na ve as to suppose that truth is always on one side of the election divide Clearly the U S Constitution guarantees both freedom of worship and the non establishment of religion But faith convictions remain a powerful ideological force in American politics      **Presidential Style** Samuel Irving Rosenman, Dorothy Rosenman, 1976      **David McCullough American Presidents E-Book Box Set** David McCullough, 2011-05-24 From America s most beloved biographer David McCullough Time a collection of his bestselling biographies of American Presidents This ebook box set features David McCullough s award winning biographies of American Presidents John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot one of our nation s founders and most important figures who became our second president Mornings on Horseback is the brilliant National Book Award winning biography of young Theodore Roosevelt s metamorphosis from sickly child to a vigorous intense man poised to become a national hero and then president Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea Including a special bonus The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history s enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages      *Harry S. Truman and the News Media* Franklin D. Mitchell, 1998 Based upon extensive research in the papers of President Harry S Truman and in several journalistic collections Harry S Truman and the News Media recounts the story of a once unpopular chief executive who overcame the censure of the news media to

ultimately win both the public's and the press's affirmation of his personal and presidential greatness. Franklin D. Mitchell traces the major contours of journalism during the lifetime and presidency of Truman. Although newspapers and newsmagazines are given the most emphasis, reporters and columnists of the Washington news corps also figure prominently for their role in the president's news conferences and their continuing coverage of Truman and his family. Broadcast journalism's expanding coverage of the president is also explored through chapters dealing with radio and television. President Truman's advocacy of a liberal Fair Deal for all Americans and a prudent and visible role for the nation in world affairs drew fire from the anti-administration news media, particularly the publishing empire of William Randolph Hearst, the McCormick-Patterson newspapers, the Scripps-Howard chain, and the Time-Life newsmagazines of Henry R. Luce. Despite press opposition and the almost universal prediction of defeat in the 1948 election, Truman was victorious in the greatest miscalculated presidential election in journalistic history. During his full term, Truman's relations with the news media became contentious over such matters as national security in the Cold War, the conduct of the Korean War, and the continuing charges of communism and corruption in the administration. Although Truman's career in politics was based on honesty and the welfare of the people, his early political alliance with Thomas Pendergast, Kansas City's notorious political boss, provided the opportunity for a portion of the press to charge Truman with subservience to Pendergast's own agenda of corrupt government. The history and the dynamics of the Truman presidency and the American news media combined with biographical and institutional sketches of key individuals and news organizations make *Harry S. Truman and the News Media* a captivating and original investigation of an American president. Well written and researched, this book will be of great value to Truman scholars, journalists, and anyone interested in American history or presidential studies.

**In the Shadow of FDR** William E. Leuchtenburg, 2011-03-15 A ghost has inhabited the Oval Office since 1945: the ghost of Franklin Delano Roosevelt. FDR's formidable presence has cast a large shadow on the occupants of that office in the years since his death, and an appreciation of his continuing influence remains essential to understanding the contemporary presidency. This new edition of *In the Shadow of FDR* has been updated to examine the presidency of George W. Bush and the first 100 days of the presidency of Barack Obama. The Obama presidency is evidence not just of the continuing relevance of FDR for assessing executive power but also of the salience of FDR's name in party politics and policy formulation.

**Harry S. Truman Versus the Medical Lobby** Monte M. Poen, 1996-09 I have some bitter disappointments as President reflected Harry Truman after leaving office, but the one that has troubled me the most in a personal way has been the failure to defeat organized opposition to a national compulsory health insurance program. *Harry S. Truman versus the Medical Lobby* is a study of one aspect of Harry Truman's domestic leadership and the political conflict it produced. In the book, author Monte Poen examines Truman's quest for national health insurance in the light of the ongoing debate on the subject in this century. It reveals why Truman was the first president to advocate government-financed health care and why he repeatedly took the idea to Congress despite

insurmountable political obstacles      **The Golden Thirteen** Dan Goldberg,2020-05-19 The inspiring story of the 13 courageous Black men who integrated the U S Navy during World War II leading desegregation efforts across America and anticipating the civil rights movement Featuring previously unpublished material from the U S Navy this little known history of forgotten civil rights heroes uncovers the racism within the military and the fight to serve Through oral histories and original interviews with surviving family members Dan Goldberg brings thirteen forgotten heroes away from the margins of history and into the spotlight He reveals the opposition these men faced the racist pseudo science the regular condescension the repeated epithets the verbal abuse and even violence Despite these immense challenges the Golden Thirteen persisted understanding the power of integration the opportunities for black Americans if they succeeded and the consequences if they failed Until 1942 black men in the Navy could hold jobs only as cleaners and cooks The Navy reluctantly decided to select the first black men to undergo officer training in 1944 after enormous pressure from ordinary citizens and civil rights leaders These men segregated and sworn to secrecy worked harder than they ever had in their lives and ultimately passed their exams with the highest average of any class in Navy history In March 1944 these sailors became officers the first black men to wear the gold stripes Yet even then their fight wasn't over white men refused to salute them refused to eat at their table and refused to accept that black men could be superior to them in rank Still the Golden Thirteen persevered determined to hold their heads high and set an example that would inspire generations to come In the vein of Hidden Figures The Golden Thirteen reveals the contributions of heroes who were previously lost to history      In the Shadow of FDR William Edward Leuchtenburg,2001 A ghost has inhabited the Oval Office since 1945 the ghost of Franklin Delano Roosevelt FDR's formidable presence has cast a large shadow on the occupants of that office in the years since his death and an appreciation of his continuing influence remains essential to understanding the contemporary presidency This new edition of In the Shadow of FDR has been updated to examine Bill Clinton's presidency including possible parallels between Hillary Clinton and Eleanor Roosevelt Concluding with an analysis of the 2000 presidential campaign William E Leuchtenburg assesses the influence FDR's legacy is likely to continue to have in the new century      *Working with Truman* Ken Hechler,1996 Available for the first time in paperback is the critically acclaimed Working with Truman a warm and lighthearted memoir of what it was like to work behind the scenes in the White House during Truman's term as president Focusing on the strengths and weaknesses of those who worked closely with Truman and on the Truman not seen by the public Hechler provides insight into one of our greatest presidents      **Electoral Realignment and the Outlook for American Democracy** Arthur C. Paulson,2007 A keen look at the ideologically polarized political realities of red state and blue state America      The Perfect Response Gary C. Woodward,2010-09-20 The Perfect Response is a lucid account of the social origins of fluency from a scholar recognized as a leading analyst of the dramaturgical dimensions of politics In this imaginative study Gary C Woodward creates and elucidates the idea of The Rhetorical Personality using a deft blend of communication theory social

history and rhetorical criticism With unusual capacities for expressiveness persuasiveness and sensitivity Rhetorical Personalities thrive in settings that call for communication that will transcend differences and engage others They typically have a heightened sense of their own persuasive power a skill for reading audiences and the capacity to function effectively in unfamiliar settings Each chapter of *The Perfect Response* probes the nature of these uniquely social persons from a different perspective through the sympathetic characters of a prolific Hollywood filmmaker by examining the nature of the social isolation in individuals with autism spectrum disorders through cross cultural comparisons and by assessing seminal and recent social science research on key benchmarks of rhetorical skill such as high self monitoring other direction and the capacity for engagement with others Focusing on public figures that range from comedian Steve Martin to political leaders as diverse as Bill Clinton and Tony Blair Woodward builds a detailed conceptual map for profiling the kinds of individuals who naturally maximize the possibilities of communication in public settings **Harry S. Truman** Robert H.

Ferrell,2013-07-22 Few U S presidents have captured the imagination of the American people as has Harry S Truman the man from Missouri In this major new biography Robert H Ferrell widely regarded as an authority on the thirty third president challenges the popular characterization of Truman as a man who rarely sought the offices he received revealing instead a man who with modesty commitment to service and basic honesty moved with method and system toward the presidency Truman was ambitious in the best sense of the word His powerful commitment to service was accompanied by a remarkable shrewdness and an exceptional ability to judge people He regarded himself as a consummate politician a designation of which he was proud While in Washington he never succumbed to the Potomac fever that swelled the heads of so many officials in that city A scrupulously honest man Truman exhibited only one lapse when at the beginning of 1941 he padded his Senate payroll by adding his wife and later his sister From his early years on the family farm through his pivotal decision to use the atomic bomb in World War II Truman s life was filled with fascinating events Ferrell s exhaustive research offers new perspectives on many key episodes in Truman s career including his first Senate term and the circumstances surrounding the Truman Doctrine and the Marshall Plan In addition Ferrell taps many little known sources to relate the intriguing story of the machinations by which Truman gained the vice presidential nomination in 1944 a position which put him a heartbeat away from the presidency No other historian has ever demonstrated such command over the vast amounts of material that Robert Ferrell brings to bear on the unforgettable story of Truman s life Based upon years of research in the Truman Library and the study of many never before used primary sources Harry S Truman is destined to become the authoritative account of the nation s favorite president [The Simple Faith of Franklin Delano Roosevelt](#) Christine Wicker,2017-10-10 In *The Simple Faith of Franklin Delano Roosevelt* religion journalist and author Christine Wicker establishes that faith was at the heart of everything Roosevelt wanted for the American people This powerful book is the first in depth look at how one of America s richest most patrician presidents became a passionate and beloved champion of the

downtrodden and took the country with him Those who knew Roosevelt best invariably credited his spiritual faith as the source of his passion for democracy justice and equality Like many Americans of that time his beliefs were simple He believed the God who heard his prayers and answered them expected him to serve others He anchored his faith in biblical stories and teachings During times so hard that the country would have followed him anywhere he summoned the better angels of the American character in ways that have never been surpassed     Newsletter United States. Department of State,1976     *Newsletter* ,1976

As recognized, adventure as skillfully as experience practically lesson, amusement, as skillfully as union can be gotten by just checking out a books **Presidential Style Some Giants And A Pygmy In The White House** next it is not directly done, you could understand even more vis--vis this life, just about the world.
