Presidents Spy

Samuel Walker

Presidents Spy:

The Presidents of American Fiction Michael J. Blouin, 2022-11-03 The Presidents of American Fiction brings together American literature history and political science to explore the most influential fictionalized accounts of the presidency from the early 19th century to the time of Trump. Of late popular understandings of the presidency are being radically re-written. Consider for example the distinctive myths that accompanied the ascent of the Obama and Trump administrations and many readers of all stripes are radically reimagining the office and its holder. Placing these changes within a broader cultural context, Michael J. Blouin investigates narratives involving fictional presidents from the supposedly factual to the outright fantastical within their distinct literary and historical moments. The author considers representative texts including works penned by James Fenimore Cooper from the Jacksonian moment, Gore Vidal in the age of Nixon and Vietnam, and Philip Roth in the neoliberal period. Through detailed readings that question how American presidents function as characters within the popular imagination, this book examines the presidency as a complex ever-evolving trope and in so doing enhances our appreciation of American literature's inextricable link with American politics.

The President's Spy Joseph L. Mayeux, 2002 One of the major and unanswered questions of World War II and of the attack on Pearl Harbor was that President Franklin Roosevelt knew it was coming and let it happen so we could join England in her fight against Germany. Only four people knew the real truth about the attack on Pearl Harbor: The President, General Marshall, and Deke Mahan, who became a party to the truth when it was discovered that he understood the Japanese as well as anyone could understand the Japanese. And who then was shocked to learn that the President had someone very high in the Japanese government who could keep them informed of every move the Japanese made: someone who was a shadowy figure, fearful of his life and his family's if he was ever discovered. Deke's task was to capitalize on this information source, fighting the FBI's J. Edgar Hoover and an agent who thought he was a German spy and who went to extraordinary lengths to prove what he thought. And also at any cost to keep the secret from becoming known to the American public and even from the woman he loved.

Public Papers of the Presidents of the United States United States. President, 2003 Containing the public messages, speeches, and statements of the President, 1956-1992. *Public Papers of the Presidents of the United States, William J. Clinton* United States. President (1993-2001 : Clinton), 1994

Public Papers of the Presidents of the United States, William J. Clinton, 1999, July 1 to December 31, 1999, 2001-06 Contains public messages and statements of the President of the United States released by the White House from January 1 to June 30, 2002.

We The Presidents Ronald Gruner, 2022-01-11 WE THE PRESIDENTS explores how American presidents over the last century from Warren G. Harding to Donald Trump have shaped today's issues. Every generation tends to believe they live in unique times, but immigration, healthcare, civil rights, tax policy, income distribution, globalization, and the evolving role of government have all had their roots in earlier presidencies and continue to affect every American today. Unlike most presidential biographies, WE THE

PRESIDENTS is devoid of politics A successful presidency is not based on political battles won but rather the well being and prosperity of ordinary citizens For most Americans that s closely related to their pocketbooks So throughout the book are discussions covering economic growth personal income and income inequality taxation and related topics affecting every American It s these issues evolving over decades that have woven the American tapestry WE THE PRESIDENTS tells a small part of that remarkable story PRAISE FROM EARLY READERS This well crafted wonderfully readable book takes the reader on a fascinating journey through the tenures of US presidents over the past 100 years highlighting the events that shaped America and the world and offers a candid yet balanced and objective critique of their stewardship An absorbing and compelling tour de force Howard Handy held senior management positions at the IMF and Institute of International Finance So you think you know your presidential history Think again Ronald Gruner has and he sees more than most He has balanced vision and an eye for detail He has written a knowledgeable and easily read work It is an excellent investment of your time It was for me Jack Falvey Opinion Writer The Wall Street Journal and Barron s This highly readable book is a triumph Author Ronald Gruner with meticulous research has woven a non partisan tapestry embedded with historical parallels as seventeen presidents from Harding to Trump shaped the American century up to the present day when our democracy faces yet another crucial test of its resilience and strength Nicholas G Penniman IV Publisher retired St Louis Post Dispatch Ronald Gruner s clear sighted view of presidents their times and contexts is extraordinary We need the Gruner sensibility in the White House We the Presidents is more than an absorbing read it is a great education about how our country works Gruner s engaging and straightforward writing brings alive a century of presidencies from Harding to Trump and how their actions have led to what America is today Phil Cooper Founder and Managing Partner Pine Island Capital Partners Ronald Gruner is uniquely qualified to write a penetrating presidential history Gruner applied his significant business experience to objectively analyze the impact of past presidencies on today s America His extraordinary research provides facts rather than opinions A must read Dr John R Patrick President Attitude LLC

U. S. Presidents Brianna DuMont,2017 What s so weird about U S presidents Plenty Abraham Lincoln was a great wrestler and Ulysses S Grant got a speeding ticket riding his horse twice Kids are sure to have a blast learning that there s a lot of substance and weirdness in every president s past Full color l color

Presidents and Civil Liberties from Wilson to Obama Samuel Walker,2012-04-16 This book is a history of the civil liberties records of American presidents from Woodrow Wilson to Barack Obama It examines the full range of civil liberties issues First Amendment rights of freedom of speech press and assembly due process equal protection including racial justice women s rights and lesbian and gay rights privacy rights including reproductive freedom and national security issues The book argues that presidents have not protected or advanced civil liberties and that several have perpetrated some of worst violations Some Democratic presidents Wilson and Roosevelt moreover have violated civil liberties as badly as some Republican presidents Nixon and Bush This is the first book to examine the full civil liberties records of each president thus

placing a president's record on civil rights with his record on national security issues and also to compare the performance on particular issues of all the presidents covered

A Spy's Journey Floyd Paseman, 2010-11-10 In 1967 Floyd Paseman joined the Central Intelligence Agency following successful service as an army officer in Germany. He was first stationed in the Far East where he became fluent in Chinese language and culture and then in Germany at what was largely considered the agency's toughest Cold War field posting. Over the years he rose from field spy to division chief and ultimately the top ranks in the Operations Directorate of the CIA. Paseman details the behind-the-scenes intelligence gathering during the major events of eight presidential administrations from Lyndon B. Johnson through George W. Bush

The Literary Spy Charles E. Lathrop, 2008-10-01 *div* The Literary Spy provides a unique view of the intelligence world through the words of its own major figures and those fascinated with them from ancient times to the present. CIA speechwriter and analyst Charles E. Lathrop has compiled and annotated more than 3,000 quotations from such disparate sources as the Bible, spy novels and movies, Shakespeare's plays, declassified CIA documents, memoirs, TV talk shows, and speeches from U.S. and foreign leaders and officials. Arranged in thematic categories with opening commentary for each section, the quotations speak for themselves. Together they serve both to illuminate a world famous for its secrets and deceptions and to show the extent to which intelligence has manifested itself in literature and in life. Engaging, informative, and often irreverent, *The Literary Spy* is an exceedingly satisfying book, one that meets the needs of the serious researcher just as ably as those of the armchair spy in pursuit of an evening's entertainment. *DIV*

Presidential Unrealities Sebastian M. Herrmann, 2014-06-12 This book analyzes and historicizes an important and popular motif in contemporary US political discourse: the notion that politics has become increasingly unreal. At the turn of the millennium, the simulated quality of politics in general and of the US presidency in particular has become a major object of concern across a broad range of venues and media. Publications in media studies and political science, newspaper editorials, novels, films, and TV shows alike worry over how much or how little we can actually know about the reality of the US president when all our knowledge is based on carefully staged media representations. Rather than adding another voice to this concern, *Presidential Unrealities* investigates the cultural work such discussions do. Charting their histories and their cultural resonances, the book argues that debating presidential unreality provides a crucial vocabulary by way of which the US public negotiates the postmodernization of American culture and society

A Compilation of the Messages and Papers of the Presidents United States. President, 1917

The Presidents Decoded Katie Kennedy, 2023-10-17 Ever wonder what the President does? Meet the 45

people who have held the job in this important book that showcases how they each led the country in their time and features their own thoughts and words through their documents letters diaries speeches and so much more Some call it the most important job in the world It s certainly the most powerful And it s one that every citizen needs to know about because we re the ones who vote to put a president in office Lively informative filled with firsts and facts big ideas and compelling anecdotes The Presidents Decoded is a richly layered guide to the leaders who have shaped our nation Featuring over 125 primary sources including documents speeches letters executive orders and diaries each leader s time in office is broken down and explained to show the what how and why of our leaders thoughts decisions and policies Familiar documents like the preamble of the Declaration of Independence The Emancipation Proclamation and The Fugitive Slave Act the part of the Compromise of 1850 that set the country on a path to Civil War are included But there s also George Washington s letter to Martha as he learns that he s been chosen to be the General of the Continental Army a letter to Franklin D Roosevelt from a desperate family during the Great Depression a letter from baseball legend Jackie Robinson urging John F Kennedy to do more for civil rights and the Executive Order limiting the hours of the federal work day and so many more Full color illustrations bring each president and their time in office to life on the page in their career defining moments as history marches forward and changes the job and our way of life through inventions like the camera the telephone the first metal detector services like the Navy and the Red Cross and the rise of social media platforms like Twitter As she did in The Constitution Decoded Katie Kennedy shines a light on American History this time through the lens of the leaders who shaped our nation Very clever of you to catch this the number is off by 1 because Grover Cleveland was the 22nd and the 24th president

Public Papers of the Presidents of the United States: William J. Clinton, 1999 Clinton, William J.,2000-01-01 Public Papers of the Presidents of the United States Public Papers of the Presidents of the United States: William J. Clinton, 1994 Clinton, William J.,1994-01-01 Public Papers of the Presidents of the United States In the President's Secret Service Ronald Kessler,2010-08-03 After conducting exclusive interviews with more than one hundred current and former Secret Service agents bestselling author and award winning reporter Ronald Kessler reveals their secrets for the first time Never before has a journalist penetrated the wall of secrecy that surrounds the U S Secret Service that elite corps of agents who pledge to take a bullet to protect the president and his family Kessler portrays the dangers that agents face and how they carry out their missions from how they are trained to how they spot and assess potential threats With fly on the wall perspective he captures the drama and tension that characterize agents lives and reveals what they have seen providing startling previously untold stories about the presidents from John F Kennedy and Lyndon Johnson to George W Bush and Barack Obama as well as about their families Cabinet officers and White House aides Weekly Compilation of Presidential Documents ,1994
