herbs to rout an infection that is threatening Kate's life. A trust passes between the wizened and the youthful Native women. In that moment Hester recognizes that she belongs to two worlds both intent on possessing her. When Amish Indian Hester realizes that she must leave her tension-filled home for her sake and her father's, she takes only two possessions: the leather-bound book of remedies left for her by the old Lenape woman and her memories of the Amish ways.
