Loodus, 2015-07-08 We never know how we'll deal with adversity until it confronts us Elna Loodus was in many ways a typical mother doing her best to balance her career and family with her anxiety disorder and spiritual needs When her teenaged daughter Carly became seriously ill with anorexia nervosa Elna sought help in books written from a Christian perspective about how to best support her but couldn't find the guide she needed So she created one This volume lovingly and earnestly documents the journey Elna and Carly undertook to regain their health and offers practical tips encouragement and most importantly hope for other families on similar paths It is a testament to the adage that a mother's love for her children knows no bounds and to the power of God's healing grace **Pressing On...** Dennis Jones, 2010-08 This is an autobiography of my

life In which I have shared different segments of time in order to reach out to those that may relate to my experiences The idea of this book was heavy on my heart for a few years due To The continued reports of sexual abuse that has been broadcast around our country The reality that the total number of registered sex offenders in this nation has increased to staggering numbers beckons for someone to try something to reverse this frightening trend it is clear that a cycle of perversion has swept our country from generation to generation harming many innocent victims along the way it is my goal to create a tool that the Holy Spirit of God can use to change the wicked hearts of those caught in this cycle of perversion My focus through this book is to share how I was freed from the bondage of sexual immorality This book describes To The reader how the Lord Jesus worked in my heart and life Using the wisdom of His Word to re-direct the choices I made on a daily basis I was changed both mentally and spiritually and I have complete faith that the Lord can too change others overtaken in sexual immorality This change is laid out in detail in hopes that those affected will learn from my mistakes in order to deter them from making the same mistakes Pressing on with Hope Joyce Richards Case, 2014-09-30 Dreams Devotion

Often when we find ourselves in a season of weariness we will also find that a season of transition is upon us While we may feel as though nothing is happening nothing is changing or nothing is moving the truth is in the midst of our standstill the Lord is moving and rearranging things on our behalf However when we don t see anything happening in the natural it sometimes becomes too difficult to comprehend that God is truly for us and consequently we need a reason to press on

Lloyd E. Chiasson,1997-08-28 Perhaps no drama catches the interest of the American public more than a spectacular trial Even though the reporting of a crime may quickly diminish in news value the trial lingers while drama builds Although this has become seemingly more pronounced in recent years with the popularity of televised trials public interest in criminal trials was just as high in 1735 when John Peter Zenger defended his right to free speech or in 1893 when Lizzie Borden was tried for the murder of her father and stepmother This book tells the stories of sixteen significant trials in American history and their media coverage from the Zenger trial in 1735 to the O J Simpson trial in 1995 Each chapter relates the history of events leading up to the trial the people involved and how the crimes and subsequent trials were reported      **Take the DE-**
