

Presupposition and the Delimitation of Semantics

Ruth M. Kempson

Presupposition And The Delimitation Of Semantics

Wayne A. Davis

Presupposition And The Delimitation Of Semantics:

Presupposition and the Delimitation of Semantics Ruth M. Kempson, 1975-07-17 In this book first published in 1975 Dr Kempson argues that previous work on presupposition whether in philosophy or linguistics has been mistakenly based on a conflation of two different disciplines semantics the study of the meanings assigned to the formal system which constitutes a language and pragmatics the study of the use of that system in communication The first part of the book deals generally with the nature of semantics in linguistic theory and its formal representation within a transformational grammar Dr Kempson argues against incorporating the relation of presupposition within such a grammar The second part provides a pragmatic account of the foundations of a theory of communication and its detailed application to the problems raised by presupposition The book is intended for those studying both philosophy and linguistics and also for those sociolinguists and psychologists with a more general interest in the theory of communication Semantic Theory Ruth M.

Kempson, 1977-09-15 An introduction to the central topics of linguistic semantics and the philosophy of language assuming no special knowledge of philosophy or logic **Presupposition and the Delimitation of Semantics** Ruth M.

Kempson, 1973 The thesis is divided into three sections In the first I present the general theoretical framework within which the arguments of the thesis are considered This framework contains an interpretive semantic component in the sense of Katz 1966a 1972 Bierwisch 1969 1971 and the formalism assumed is that of Bierwisch I argue however that this formalism in effect constitutes a statement of the necessary and sufficient truth conditions on the sentences of a language and that this is the correct basis for natural language semantics This hypothesis appears to be threatened by the concept of presupposition In the second section I therefore discuss two separate concepts of presupposition and consider the issues both raise for natural language semantics In brief I argue chapter 4 that to incorporate a concept of presupposition defined in terms of speakers belief has consequences which necessitate its exclusion by fiat from a formal linguistic theory Furthermore I argue chapters 4 5 that a logically defined concept of presupposition refers to an empty set of sentences since every postulated presupposition is in fact an example of an entailment relation So I conclude that neither definition of presupposition should be part of natural language semantics Accordingly the semantic framework set up in the first part remains at present unfalsified However in addition to such a semantics in the final section I set up a theory of pragmatics along lines suggested by Grice 1957 1961 1968 1969 to explain those aspects of sentences which are not captured by a truth conditional but non presuppositional semantics In over all terms my aim is two fold i to justify in some detail the formal properties of an interpretive semantic component based on a non presuppositional logic and ii to suggest a tentative specification of a pragmatic theory as part of some more general theory of performance **Irregular Negatives, Implicatures, and Idioms**

Wayne A. Davis, 2016-04-15 The author integrates expands and deepens his previous publications about irregular or metalinguistic negations A total of ten distinct negatives several previously unclassified are analyzed The logically irregular

negations deny different implicatures of their root All are partially non compositional but completely conventional The author argues that two of the irregular negative meanings are implicatures The others are semantically rather than pragmatically ambiguous Since their ambiguity is neither lexical nor structural direct irregular negatives satisfy the standard definition of idioms as syntactically complex expressions whose meaning is non compositional Unlike stereotypical idioms idiomatic negatives lack fixed syntactic forms and are highly compositional The final chapter analyzes other free form idioms including irregular interrogatives and comparatives self restricted verb phrases numerical verb phrases and transparent propositional attitude and speech act reports

The Cambridge Handbook of the Philosophy of Language Piotr

Stalmaszczyk,2021-12-02 The philosophy of language is central to the concerns of those working across semantics pragmatics and cognition as well as the philosophy of mind and ideas Bringing together an international team of leading scholars this handbook provides a comprehensive guide to contemporary investigations into the relationship between language philosophy and linguistics Chapters are grouped into thematic areas and cover a wide range of topics from key philosophical notions such as meaning truth reference names and propositions to characteristics of the most recent research in the field including logicity of language vagueness in natural language value judgments slurs deception proximization in discourse argumentation theory and linguistic relativity It also includes chapters that explore selected linguistic theories and their philosophical implications providing a much needed interdisciplinary perspective Showcasing the cutting edge in research in the field this book is essential reading for philosophers interested in language and linguistics and linguists interested in philosophical analyses

Idioms in English Jürg Strässler,1982

Reasons and Empty Persons: Mind, Metaphysics, and Morality Christian Coseru,2023-02-22 Best known for his groundbreaking and influential work in Buddhist philosophy Mark Siderits is the pioneer of fusion or confluence philosophy a boldly systematic approach to doing philosophy premised on the idea that rational reconstruction of positions in one tradition in light of another can sometimes help address perennial problems and often lead to new and valuable insights Exemplifying the many virtues of the confluence approach this collection of essays covers all core areas of Buddhist philosophy as well as topics and disputes in contemporary Western philosophy relevant to its study They consider in particular the ways in which questions concerning personal identity figure in debates about agency cognition causality ontological foundations foundational truths and moral cultivation Most of these essays engage Siderits work directly building on his pathbreaking ideas and interpretations Many deal with issues that have become a common staple in philosophical engagements with traditions outside the West Their variety and breadth bear testimony to the legacy of Siderits impact in shaping the contemporary conversation in Buddhist philosophy and its reverberations in mainstream philosophy giving readers a clear sense of the remarkable scope of his work

Meaning and Analysis: New Essays on Grice Richard Breheny,2010-10-13 The anthology Meaning and Analysis addresses the key topics

of H Paul Grice s philosophy of language such as rationality non natural meaning communicative actions conversational

implicatures the semantics pragmatics distinction and recent debates concerning minimalist versus contextualist semantics

Pragmatics Yan Huang, 2014-11-27 Yan Huang's highly successful textbook on pragmatics the study of language in use has been fully revised and updated in this second edition It includes a brand new chapter on reference a major topic in both linguistics and the philosophy of language Chapters have also been updated to include new material on upward and downward entailment current debates about conversational implicature impoliteness emotional deixis contextualism versus semantic minimalism and the elimination of binding conditions The book draws on data from English and a wide range of the world's languages and shows how pragmatics is related to the study of semantics syntax and sociolinguistics and to such fields as the philosophy of language linguistic anthropology and artificial intelligence Professor Huang includes exercises and essay topics at the end of each chapter and offers guidance and suggested solutions at the end of the volume Written by one of the leading scholars in the field this new edition will continue to be an ideal textbook for students of linguistics and a valuable resource for scholars and students of language in philosophy psychology anthropology and computer science

Further Advances in Pragmatics and Philosophy: Part 2 Theories and Applications Alessandro Capone, Marco Carapezza, Franco Lo Piparo, 2019-02-13 The two sections of this volume present theoretical developments and practical applicative papers respectively Theoretical papers cover topics such as intercultural pragmatics evolutionism argumentation theory pragmatics and law the semantics pragmatics debate slurs and more The applied papers focus on topics such as pragmatic disorders mapping places of origin stance taking societal pragmatics and cultural linguistics This is the second volume of invited papers that were presented at the inaugural Pragmasofia conference in Palermo in 2016 and like its predecessor presents papers by well known philosophers linguists and a semiotician The papers present a wide variety of perspectives independent from any one school of thought

Conversation and Discourse Paul Werth, 2022-05-29 First published in 1981 *Conversation and Discourse* attempts to draw together papers illustrating the various different approaches to conversational analysis broadly divided into papers of description and experiment on one hand and papers of theory and analysis on the other The ordinary speaker finds conversation to be by far the easiest variety of language and it is perhaps for this reason that its manifold shifting and problematic nature has been overlooked for so long The performance errors and eccentric constructions that characterise conversation make it remarkably difficult to analyse by orthodox syntactic theory hence numerous methodologies have been formulated in the field of inquiry ranging from Gricean theories of conversational implicature to ethnomethodological conversational analysis This book is a must read for scholars and researchers of linguistics language and literature

The Pragmalinguistic Analysis of Narrative Texts Richard J. Watts, 1981

A Pragmatic Analysis of Legal Proofs of Criminal Intent Sol Azuelos-Atias, 2007-07-26 A Pragmatic Analysis of Legal Proofs of Criminal Intent is a detailed investigation of proofs of criminal intent in Israeli courtrooms The book analyses linguistic pragmatic interpretative and argumentative strategies used by Israeli lawyers and judges in order to examine the defendant

s intention There can be no doubt that this subject is worthy of a thorough investigation A person s intention is a psychological phenomenon and therefore unless the defendant chooses to confess his intent it cannot be proven directly either by evidence or by witnesses testimonies The defendant s intention must be inferred usually from the overall circumstances of the case verbal and situational contexts cultural and ideological assumptions and implicatures should be taken into account The linguistic analysis of these inferences presented here is necessarily comprehensive it requires consideration of a variety of theoretical frameworks including speech act theory discourse analysis argumentation theory polyphony theory and text linguistics

Analyzing meaning: An introduction to semantics and pragmatics. Third edition Paul Kroeger, 2022-09-28 This book provides an introduction to the study of meaning in human language from a linguistic perspective It covers a fairly broad range of topics including lexical semantics compositional semantics and pragmatics The chapters are organized into six units 1 Foundational concepts 2 Word meanings 3 Implicature including indirect speech acts 4 Compositional semantics 5 Modals conditionals and causation 6 Tense aspect Most of the chapters include exercises which can be used for class discussion and or homework assignments and each chapter contains references for additional reading on the topics covered As the title indicates this book is truly an introduction it provides a solid foundation which will prepare students to take more advanced and specialized courses in semantics and or pragmatics It is also intended as a reference for fieldworkers doing primary research on under documented languages to help them write grammatical descriptions that deal carefully and clearly with semantic issues The approach adopted here is largely descriptive and non formal or in some places semi formal although some basic logical notation is introduced The book is written at level which should be appropriate for advanced undergraduate or beginning graduate students It presupposes some previous coursework in linguistics but does not presuppose any background in formal logic or set theory

Key Notions for Pragmatics Jef Verschueren, Jan-Ola Östman, 2009-06-25 The ten volumes of Handbook of Pragmatics Highlights focus on the most salient topics in the field of pragmatics thus dividing its wide interdisciplinary spectrum in a transparent and manageable way While the other volumes select specific philosophical cognitive grammatical social cultural variational interactional or discursive angles this first volume reviews basic notions that pervade the pragmatic literature such as deixis implicitness speech acts context and the like It situates the field of pragmatics broadly defined as the cognitive social and cultural science of language use in relation to a general concept of communication and the discipline of semiotics It also touches upon the non verbal aspects of language use and even ventures a comparison with non human forms of communication The introductory chapter moreover explains why a highly diversified field of scholarship such as pragmatics can be regarded as a potentially coherent enterprise

Explorations in Pragmatics Istvan Kecskes, Laurence R. Horn, 2008-09-25 The papers in this volume reflect current trends in international research in pragmatics over recent years The unique feature of the book is that the authors coming from ten different countries represent all aspects of pragmatics and address issues that have emerged as the result of recent research

in pragmatics proper and neighboring fields such as cognitive psychology philosophy and communication Recent theoretical work on the semantics pragmatics interface empirical work within cognitive and developmental psychology intercultural communication and bilingual pragmatics have directed attention to issues that warrant reexamination and revision of some of the central tenets and claims of the field of pragmatics In addition cultural changes originating from globalization have affected the relation of language to the wider world In particular the spread of English as a global language has led to the emergence of issues of usage power and control that must be dealt with in a comprehensive pragmatics of language Pragmatic theories have traditionally emphasized the importance of intention rationality cooperation common ground mutual knowledge relevance and commitment in the formation and execution of communicative acts The new approaches to pragmatic research reflected in this volume while not questioning the central role of these factors extend the purview of the discipline to allow for a more comprehensive picture of their functioning and interrelationship within the dynamics of communication The papers address these issues from a variety of directions In Part I Searle and Horn examine language use and pragmatics from a philosophical perspective In Part II the cognitive aspect of pragmatics is represented in the papers of Moeschler Ruiz de Mendoza Baicchi and Giora They focus on well known domains such as illocutionary constructions the pragmatics of negation and the relevance theoretic concept of explicature However each paper sheds new light on the familiar concepts The papers in Part III by Mey Kecskes and Grundy discuss the intercultural aspects of pragmatics while Terkourafi explores the explanatory potential of an interpretation of Grice's Cooperative Principle Margerie's and Geeraert Kristiansen's articles focus on the application of usage based methodology in different ways within pragmatics

Discourse Pragmatics and the Verb Suzanne Fleischman, LINDA WAUGH, 2016-11-18 First published in 1990 this collection investigates grammatical categories associated with the verb as they are used by speakers and writers in real discourses and texts Focusing on tense aspect mood and voice in French Spanish and Italian each chapter underscores the importance of context in our understanding of how grammatical categories work Above and beyond their basic grammatical functions categories of the verb are shown to operate in such capacities as structuring information in discourse establishing point of view in a text and creating textual cohesion Importantly this volume reflects the crucial role discourse pragmatics factors play in our interpretation of the meanings of categories of grammar *Routledge Library Editions: Discourse Analysis* Various, 2021-06-23 Discourse analysis is a wide ranging area of study that examines the features of language beyond the limits of a sentence including vocal written and sign language along with any significant semiotic events It has been employed from a number of interdisciplinary perspectives in an attempt to reveal a person's socio psychological characteristics through the practical analysis of naturally occurring language rather than artificially created examples *Routledge Library Editions Discourse Analysis* brings together an extensive collection of scholarship that reflects the broad scope of the subject area examining the relationship of discourse to a number of closely related fields including stylistics

pragmatics speech conversation context anaphora grammar and psychology This set published between 1979 and 1993 provides a thorough grounding in this key discipline for students of linguistics and psychology and social sciences in general

Sociobiological Bases of Information Structure Viviana Masia, 2017-11-16 The book tackles the sociobiological bases of Information Structure IS inquiring both its evidential and neurobiological underpinnings in human communication Its purpose is to delve into the epistemic and neurocognitive rationales behind the realization of informational hierarchies in a sentence The book zooms in on an interplay that between IS and evidentiality that has never been explored in IS studies and seeks to recast IS phenomena in an epistemological perspective The neurocognitive approaches discussed propose neurophysiological investigations on IS processing both with ERP and ERS vs ERD measurements In its overall structure and general purposes the book is conceived for interested scholars working in the fields of linguistics neuropragmatics experimental psychology philosophy of language and cognitive sciences in general and it adds some further contribution to ongoing psycholinguistic and neurolinguistic experimental research on the processing of topic focus and presupposition assertion dichotomies

Pragmatic Meaning and Cognition Sophia Marmaridou, 2000-06-15 This book provides a good overview of philosophical and cognitive approaches to language use and meaning A synthesis of such approaches leads to a dynamic concept of pragmatic meaning which is on the one hand grounded in cognition and motivated by linguistic and cultural convention and on the other creates a framework for studying the interactive and social dimensions of the development of meaning in linguistic communication Through an experientialist approach based on connectionist models the author shows that by internalizing pragmatic meaning people become social agents who reproduce challenge or change their social parameters during interaction Pragmatic Meaning and Cognition is suitable as a course book in Pragmatics and Semantics and of interest to those concerned with cognitive models and dynamic and social aspects of linguistic communication

The Enigmatic Realm of **Presupposition And The Delimitation Of Semantics**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Presupposition And The Delimitation Of Semantics** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.

Presupposition And The Delimitation Of Semantics Introduction

Presupposition And The Delimitation Of Semantics Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Presupposition And The Delimitation Of Semantics Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Presupposition And The Delimitation Of Semantics : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Presupposition And The Delimitation Of Semantics : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Presupposition And The Delimitation Of Semantics Offers a diverse range of free eBooks across various genres. Presupposition And The Delimitation Of Semantics Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Presupposition And The Delimitation Of Semantics Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Presupposition And The Delimitation Of Semantics, especially related to Presupposition And The Delimitation Of Semantics, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Presupposition And The Delimitation Of Semantics, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Presupposition And The Delimitation Of Semantics books or magazines might include. Look for these in online stores or libraries. Remember that while Presupposition And The Delimitation Of Semantics, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Presupposition And The Delimitation Of Semantics eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the

Presupposition And The Delimitation Of Semantics full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Presupposition And The Delimitation Of Semantics eBooks, including some popular titles.

FAQs About Presupposition And The Delimitation Of Semantics Books

1. Where can I buy Presupposition And The Delimitation Of Semantics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Presupposition And The Delimitation Of Semantics book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Presupposition And The Delimitation Of Semantics books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Presupposition And The Delimitation Of Semantics audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Presupposition And The Delimitation Of Semantics books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
