Pretend No More My Healing Process From Domestic:

No More Faking Fine Esther Fleece Allen, 2017-01-10 Scripture reveals a God who meets us where we are not where we pretend to be No More Faking Fine is your invitation to get honest with God through the life giving language of lament If you've ever been given empty clichés during challenging times you know how painful it is to be misunderstood by well meaning people When life hurts we often feel pressure from others and ourselves to keep it together suck it up or pray it away But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard For most of her life Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether She was known as an achiever and an overcomer on the fast track to success But in silencing her pain she robbed herself of the opportunity to be healed Maybe you've done the same Esther's journey into healing began when she discovered that God has given us a real world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain It's called lament the gut level honest prayer that God never ignores never silences and never wastes No More Faking Fine is your permission to lament taking you on a journey down the unexpected pathway to true intimacy with God Drawing from careful biblical study and hard won insight Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side teaching you that We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect instead he meets us where we are There is hope beyond your heartache disappointment and grief Like Esther you'll soon find that when one person stops faking fine it gives everyone else permission to do the same **Leaves of Healing**, 1914 *Melody Beattie* 4

Memories of Two Generations Alexander Z. Gurwitz,2016-05-30 The 1935 autobiography of Alexander Ziskind Gurwitz an Orthodox Jew whose lively recounting of his life in Tsarist Russia and his immigration to San Antonio Texas in 1910 captures turbulent changes in early twentieth century Jewish history In 1910 at the age of fifty one Alexander Ziskind Gurwitz made the bold decision to emigrate with his wife and four children from southeastern Ukraine in Tsarist Russia to begin a new life in Texas In 1935 in his seventies Gurwitz composed a retrospective autobiography Memories of Two Generations that recounts his personal story both of the rich history of the lost Jewish world of Eastern Europe and of the rambunctious development of frontier Jewish communities in the United States In both Europe and America Gurwitz

inhabited an almost exclusively Jewish world As a boy he studied in traditional yeshivas and earned a living as a Hebrew language teacher and kosher butcher Widely travelled Gurwitz recalls with wit and insight daily life in European shtetls providing perceptive and informative comments about Jewish religion history politics and social customs Among the book s most notable features is his first hand insider s account of the yearly Jewish holiday cycle as it was observed in the nineteenth century described as he experienced it as a child Gurwitz s account of his arrival in Texas forms a cornerstone record of the Galveston Immigration Movement this memoir represents the only complete narrative of that migration from an immigrant s point of view Gurwitz s descriptions about the development of a thriving Orthodox community in San Antonio provide an important and unique primary source about a facet of American Jewish life that is not widely known Gurwitz wrote his memoir in his preferred Yiddish and this translation into English by Rabbi Amram Prero captures the lyrical style of the original Scholar and author Bryan Edward Stone s special introduction and illuminating footnotes round out a superb edition that offers much to experts and general readers alike

Nightmare in Hostage Hills Christina Mask, 2017-11-20 Sadly Christina s journey and her children s experience of being collateral damage is not atypical Kudos for her strength and bravery in putting her story out there as a cautionary tale for others Dr Susan Weitzman author *Not to People like Us* *Hidden Abuse in Upscale Marriages* Christina Mask s *Nightmare* is constructed around fragments from a life in agony as one woman attempts to escape abuse retain her sanity and regain the custody of three children the family court and her husband have taken from her It s all here the daily records over months then years the diary entries the self blame the excuses the shame the absurdist dialogues with family therapists marginalia from readings or lectures or religious texts letters pleadings with judges and lawyers and evaluators poems letters to and from the children real and imagined the reports that put her claims of abuse in quotations and so so much more These pieces are loosely joined by a narrative and an interior monologue that I sometimes found too much to bear But then I realized I was scanning something akin to a Picasso painting whose underlying truth lay not in what was on the page not the fragments but in the hope that put them out here no more evident than in the endlessly reasonable letters Mask writes to intractable foes Mask has cast her eye on what Yeats termed the broken crumbling battlement of the self and lived to write it As one director famously said about the sixty women and children crowded into her six bedroom shelter If they can manage this they can manage anything Christina s book gives us faith that she is right Evan Stark PhD MSW The writer is professor emeritus at Rutgers University and author of *Coercive Control How Men Entrap Women in Personal Life* Oxford 2007
