Prey Into Hunter The Politics Of Religious Experience:

Prey Into Hunter Maurice Bloch,1992 In this book Maurice Bloch synthesises a radical theory of religion *The Encyclopedia of Politics and Religion* Robert Wuthnow,2013-12-04 Containing over 200 articles from prominent scholars The Encyclopedia of Politics and Religion examines ways in which politics and religion have combined to affect social attitudes spark collective action and influence policy over the last two hundred years With a focus that covers broad themes like millenarian movements and pluralism and a scope that takes in religious and political systems throughout the world the Encyclopedia is essential for its contemporary as well as historical coverage Special Features Encompasses religions individuals geographical regions institutions and events Describes the history of relations between religion and politics Longer articles contain brief bibliographies Attractively designed and produced The Encyclopedia of Politics and Religion will be invaluable for any library public and academic which serves those interested in politics sociology religious studies international affairs and history Contents include Abortion Algeria Anabaptists China Christian Democracy Ethnic Cleansing Gandhi Israel Italy Jesuits Jihad Just War Missionaries Moral Majority Muslim Brethren Temperance Movements Unification Church War Zionism *Congregational Studies in the UK* Karin Tusting,2017-03-02 This book presents the first comprehensive introduction to congregational studies in the UK Through a series of innovative essays it explores the difference that the increasingly post Christian nature of British society is making to life in Christian congregations and compares this to the very different scenario which exists in the USA Contributions from leading scholars in the field include rich case studies of local communities and theoretical analyses which reflect on issues of method and develop broader understandings Congregational studies is revealed as a rich and growing field of interest to scholars across many disciplines and to those involved in congregational life **Architecture, Ritual and Cosmology in China** Xuemei Li,2023-05-31 Drawing on the author s extensive fieldwork in the Dong areas in southwest China this book presents a detailed picture of the Dong s buildings and techniques with new insights into the Dong s cosmology and rituals of everyday life meshed with the architecture and the symbolic meanings It examines how the buildings and techniques of the Dong are ordered and influenced by the local culture and context The timber bridges and drum towers are the Dong s most prominent architectural monuments Usually built elaborately with multiple roofs these bridges and drum towers were designed and maintained by the local carpenters who also built the village suspended houses in an oral tradition carried down from father to son or to apprentice They were funded entirely by the local people and the bridges tend to be built in places without great pressure of traffic or another bridge already existing close by Why does such great expense go into the Dong s buildings with elaboration How were they built And what do they mean to their users and builders This book is an anthropological study on the Dong s architecture and technique and it aims to contribute a discourse on the interdisciplinary research area It is suitable for graduate and postgraduate readers *Encyclopedia of Global Religion* Mark Juergensmeyer,Wade Clark Roof,2012 Presents

entries A to L of a two volume encyclopedia discussing religion around the globe including biographies concepts and theories places social issues movements texts and traditions **Meeting Jesus at University** Edward Dutton,2016-12-05 How does university turn students into who they become Why are student evangelicals such a significant and controversial force at so many universities In many countries university has become the main Rite of Passage between the child and adult worlds University can be enjoyable and fascinating but also life changing and traumatic And at the exact time when a student s identity is the most challenged and uncertain student evangelical groups are highly organised on many university campuses to offer students a powerful identity so that the world makes sense once again For some these groups will protect them from the university s assault on their faith For others they will challenge and even change who they are Meeting Jesus at University explores universities in six countries Drawing upon detailed fieldwork it examines the largest student evangelical group at each university in order to understand in depth the relationship between the student evangelical group and the university which it aims to convert Meeting Jesus at University offers an original contribution to the discussion of Rites of Passage examining what is experienced at university and how university breaks down and remoulds young people It explores why student evangelicals are so active particularly at Britain and America s most prestigious and identity challenging institutions meaning that students at these places are the most likely to find themselves meeting Jesus at university

Living with Separation in China Charles Stafford,2003-09-02 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company **Indian Asceticism** Carl Olson,2015-03-03 Throughout the history of Indian religions the ascetic figure is most closely identified with power A by product of the ascetic path power is displayed in the ability to fly walk on water or through dense objects read minds discern the former lives of others see into the future harm others or simply levitate one s body These tales give rise to questions about how power and violence are related to the phenomenon of play Indian Asceticism focuses on the powers exhibited by ascetics of India from ancient to modern time Carl Olson discusses the erotic the demonic the comic and the miraculous forms of play and their connections to power and violence He focuses on Hinduism but evidence is also presented from Buddhism and Jainism suggesting that the subject matter of this book pervades India s major indigenous religious traditions The book includes a look at the extent to which findings in cognitive science can add to our understanding of these various powers Olson argues that violence is built into the practice of the ascetic Indian Asceticism culminates with an attempt to rethink the nature of power in a way that does justice to the literary evidence from Hindu Buddhist and Jain sources **Tantra, Ritual Performance, and Politics in Nepal and Kerala** Matthew

Martin,2020-08-10 In previous studies of South Asian Tantric ritual scholars tend to focus on one region or context For the first time Tantra Ritual Performance and Politics in Nepal and Kerala Embodying the Goddess clan offers a comparative approach to Tantric mediumship as observed in two locales Navadurg rituals in Bhaktapur Nepal and Teyy am in North Kerala In this book Matthew Martin advances a new theory of ritual which spotlights the way dancer mediums embody

medieval goddess clans and ancestor deities through offerings of food and sacrifice that synchronize their denizens with the land in spiralling web like ritual networks Uniquely interdisciplinary in style this study synthesizes cultural history ethnography and theory to explore the continuities historical societal and political that characterize these ritual traditions across the subcontinent Hunting and the Politics of Violence Before the English Civil War Daniel C. Beaver,2008-04-24 This book is a study of English forests and hunting in early modern England **Questions of Anthropology** Rita Astuti,Jonathan Parry,Charles Stafford,2020-06-08 Anthropology today seems to shy away from the big comparative questions that ordinary people in many societies find compelling Questions of Anthropology brings these issues back to the centre of anthropological concerns Individual essays explore birth death and sexuality puzzles about the relationship between science and religion questions about the nature of ritual work political leadership and genocide and our personal fears and desires from the quest to control the future and to find one s true identity to the fear of being alone Each essay starts with a question posed by individual ethnographic experience and then goes on to frame this question in a broader comparative context Written in an engaging and accessible style Questions of Anthropology presents an exciting introduction to the purpose and value of Anthropology today **Powers of Pilgrimage** Simon Coleman,2022-01-18 This book offers a new theoretical framework for exploring contemporary pilgrimage exploring examples ranging from the Hajj to the Camino and arguing that pilgrimage activity should be understood not solely as going to staying at and leaving a sacred place but also as occurring in apparently mundane or domestic times places and practices The Handbook of Sociocultural Anthropology James G. Carrier,Deborah B. Gewertz,2020-06-29 he Handbook of Sociocultural Anthropology presents a state of the art overview of the subject its methodologies current debates history and future It will provide the ultimate source of authoritative critical descriptions of all the key aspects of the discipline as well as a consideration of the general state of the discipline at a time when there is notable uncertainty about its foundations composition and direction Divided into five core sections the Handbook examines the changing theoretical and analytical orientations that have led to new ways of carrying out research presents an analysis of the traditional historical core and how the discipline has changed since 1980 considers the ethnographic regions where work has had the greatest impact on anthropology as a whole outlines the people and institutions that are the context in which the discipline operates covering topics from research funding to professional ethics Bringing together leading international scholars the Handbook provides a guide to the latest research in social and cultural anthropology Presenting a systematic overview and offering a wide range of examples insights and analysis it will be an invaluable resource for researchers and students in anthropology as well as cultural and social geography cultural studies and sociology **Ritual and Religious Experience in Early Christianities** David John McCollough,2022-09-19 In this volume David John McCollough challenges the common assumptions that Paul thought the Spirit was communicated through water baptism that justification was non experiential and unrelated to ritual that Luke was incoherent or a poor editor and

that water baptism was the cardinal initiation rite among early Christianities **Suffering and Evil** W. S. F. Pickering, Massimo Rosati, 2012 Until recently the subject of suffering and evil was neglected in the sociological world and was almost absent in Durkheimian studies as well This book aims to fill the gap with particular reference to the Durkheimian tradition by exploring the different meanings that the concepts of evil and suffering have in Durkheim's works together with the general role they play in his sociology It also examines the meanings and roles of these concepts in relation to suffering and evil in the work of other authors within the group of the *Ann e sociologique* up until the beginning of World War II Finally the Durkheimian legacy in its wider aspects is assessed with particular reference to the importance of the Durkheimian categories in understanding and conceptualizing contemporary forms of evil and suffering **Religion and Politics in the Ancient Americas** Sarah Barber, Arthur A. Joyce, 2017-09-20 This exciting collection explores the interplay of religion and politics in the precolumbian Americas Each thought provoking contribution positions religion as a primary factor influencing political innovations in this period reinterpreting major changes through an examination of how religion both facilitated and constrained transformations in political organization and status relations Offering unparalleled geographic and temporal coverage of this subject Religion and Politics in the Ancient Americas spans the entire precolumbian period from Preceramic Peru to the Contact period in eastern North America with case studies from North Middle and South America Religion and Politics in the Ancient Americas considers the ways in which religion itself generated political innovation and thus enabled political centralization to occur It moves beyond a Great Tradition focus on elite religion to understand how local political authority was negotiated contested bolstered and undermined within diverse constituencies demonstrating how religion has transformed non Western societies As well as offering readers fresh perspectives on specific archaeological cases this book breaks new ground in the archaeological examination of religion and society *Ritual, Performance and the Senses* Michael Bull, Jon P. Mitchell, 2020-05-18 Ritual has long been a central concept in anthropological theories of religious transmission Ritual Performance and the Senses offers a new understanding of how ritual enables religious representations ideas beliefs values to be shared among participants Focusing on the body and the experiential nature of ritual the book brings together insights from three distinct areas of study cognitive neuroanthropology performance studies and the anthropology of the senses Eight chapters by scholars from each of these sub disciplines investigate different aspects of embodied religious practice ranging from philosophical discussions of belief to explorations of the biological processes taking place in the brain itself Case studies range from miracles and visionary activity in Catholic Malta to meditative practices in theatrical performance and include three pilgrimage sites the Church of the Holy Sepulchre in Jerusalem the festival of Ramlila in Ramnagar India and the mountain shrine of the Lord of the Shiny Snow in Andean Peru Understanding ritual allows us to understand processes at the very centre of human social life and humanity itself making this an invaluable text for students and scholars in anthropology cognitive science performance studies and religious studies *Making Sense of Collectivity*

Sinisa Malesevic, Mark Haugaard, 2002-09-20 The collapse of the Cold War the development of new technologies and the globalisation of the world economy have all had a dramatic impact on societies across the globe Migration new types of wars and changing borders mean that even the stability and security of nation states has become a thing of the past New nationalisms new social movements and the resurgence of identity politics all indicate that we are entering a new era where the very notion of collective identity through nation states or through transnational identity culture is challenged This volume examines concepts of collective identity how they are changing and what this means for our future With contributions from distinguished sociologists including Jenkins Eisenstadt Rex Bauman and Hall it gives a radical new overview of collectivity theory a topic that lies at the heart of sociology anthropology and political science **The Oxford Handbook of the**

Sociology of Religion Peter Clarke, 2011-02-04 The Oxford Handbook of the Sociology of Religion draws on the expertise of an international team of scholars providing both an entry point into the sociological study and understanding of religion and an in depth survey into its changing forms and content in the contemporary world The role and impact of religion and spirituality on the politics culture education and health in the modern world is rigorously discussed and debated The study of the sociology of religion forges interdisciplinary links to explore aspects of continuity and change in the contemporary interface between society and religion Using a combination of theoretical methodological and content led approaches the fifty seven contributors collectively emphasise the complex relationships between religion and aspects of life from scientific research to law ecology to art music to cognitive science crime to institutional health care and more The developing character of religion irreligion and atheism and the impact of religious diversity on social cohesion are explored An overview of current scholarship in the field is provided in each themed chapter with an emphasis on encouraging new thinking and reflection on familiar and emergent themes to stimulate further debate and scholarship The resulting essay collection provides an invaluable resource for research and teaching in this diverse discipline **Zoroastrian Rituals in Context**

Michael Stausberg, 2018-08-14 Rituals it is agreed play a prominent role in Zoroastrianism one of the oldest continuous traditions of mankind In this book scholars from a broad range of disciplines make the first ever collective effort to address this issue From a historical and geographical perspective texts and contexts studied in these pages range from antiquity to modernity all the way from Japan China India Iran Europe to California The essays touch on questions of theory ritual texts change and performances gender and professional religion priesthood lay people The rituals studied are placed in a broad scope of social and local settings ranging from the royal court to the needy from the rural village to the urban metropolis from the domestic to the public
