Prez Homage To Lester Young:

PREZ Jamie Reid, 1993 *I, Another, the Space Between* Jamie Reid, 2004 Selected poems relating to the author's activist politics as well as early poems and contemporary work **Double Trouble** Greil Marcus, 2001-09-22 In June of 1992 when all the polls showed that Bill Clinton didn't have a chance he took his saxophone onto the Arsenio Hall show put on dark glasses and blew Heartbreak Hotel Greil Marcus one of America's most imaginative and insightful popular culture critics was the first to name this as the moment that turned Clinton's campaign around and to make sense of why Double Trouble draws on articles Marcus published from 1992 to 2000 to explore the remarkable and illuminating kinship between Bill Clinton and Elvis Presley and moreover to explore how culture is made and shared in today's America and how through culture people remake themselves Double Trouble is a unique and essential book about the final years of the twentieth century This edition also includes a new essay Marcus wrote just before the 2000 presidential election an eerily prescient piece that looks forward to two very different futures for ex President Bill Clinton **Real Life Rock** Greil Marcus, 2015-10-20 For nearly thirty years Greil Marcus has written a remarkable column called Real Life Rock Top Ten It has been a laboratory where he has fearlessly explored and wittily dissected an enormous variety of cultural artifacts from songs to books to movies to advertisements Taken together his musings reflections and sallies amount to a subtle and implicit theory of how cultural objects fall through time and circumstance and often deliver unintended consequences both in the present and in the future Real Life Rock reveals the critic in full direct erudite funny fierce vivid uninhibited and possessing an unerring instinct for art and fraud The result is an indispensable volume packed with startling arguments and casual brilliance Small Press Record of Books in Print Len Fulton, 1994 **Cadence** Bob Rusch, 1999 *Canadian Books in Print. Author and Title Index*, 1975 *Mad Boys* Jamie Reid, Gregg Simpson, 1997 Comprised of two works Baseball Bowering and The Quest of the Mad Boy this is Reid at the height of his powers Text is illustrated with collages by Gregg Simpson **Lester Leaps In** Douglas H. Daniels, 2003-02-17 He was jazz's first hipster He performed in sunglasses and coined and popularized phrases like that's cool and you dig He always wore a suit and his trademark porkpie hat He influenced everyone from B B King to Stan Getz to Allen Ginsberg creating a lyrical style of playing that forever changed the sound of the tenor saxophone In this groundbreaking biography of Lester Young 1909-1959 historian Douglas Daniels brings to life the man and his world and corrects a number of misconceptions Even though others have identified Young as a Kansas City musician Daniels traces his roots to the blues of Louisiana and his early years traveling with his father's band and the legendary Oklahoma City Blue Devils Later we see the jazz culture of New York in the early 1940s when Young was launched to national and international fame with the Count Basie Orchestra and began to accompany his close friend Billie Holiday After a year spent in an Army prison on a conviction for marijuana use Young made changes in his music but never lost his sensitivity or soul The first ever to gain access to Young's family and many musicians who performed with him Daniels

reconstructs the world in which Young lived and played the racism that he and other black musicians faced the feeling of home and family that they created together on the road and what his music meant to black audiences Young emerges as a kind friend a loving parent and a gentle and sensitive man who had in the words of Reginald Scott the saddest eyes I ever saw

Kinds of Blue Jürgen E. Grandt, 2004

Translating Jazz Into Poetry Erik Redling, 2017-02-20 The study develops a new theoretical approach to the relationship between two media jazz music and writing and demonstrates its explanatory power with the help of a rich sampling of jazz poems Currently the mimetic approach to intermediality e g the notion that jazz poetry imitates jazz music still dominates the field of criticism This book challenges that interpretive approach It demonstrates that a mimetic view of jazz poetry hinders readers from perceiving the metaphoric ways poets rendered music in writing Drawing on and extending recent cognitive metaphor theories Lakoff Johnson Turner Fauconnier it promotes a conceptual metaphor model that allows readers to discover the innovative ways poets translate melody dynamics tempo mood and other musical elements into literal and figurative expressions that invite readers to imagine the music in their mind s eye i e their mind s ear

Experiencing Jazz Michael Stephans, 2013-10-17 In *Experiencing Jazz A Listener s Companion* writer teacher and renowned jazz drummer Michael Stephans offers a much needed survey in the art of listening to and enjoying this dynamic ever changing art form More than mere entertainment jazz provides a pleasurable and sometimes dizzying listening experience with an extensive range in structure and form from the syncopated swing of big bands to the musical experimentalism of small combos As Stephans illustrates listeners and jazz artists often experience the essence of the music together an experience unique in the world of music *Experiencing Jazz* demonstrates how the act of listening to jazz takes place on a deeply personal level and takes readers on a whirlwind tour of the genre instrument by instrument offering not only brief portraits of key musicians like Joe Lovano and John Scofield but also their own commentaries on how best to experience the music they create Throughout jazz takes center stage as a personal transaction that enriches the lives of both musician and listener Written for anyone curious about the genre this book encourages further reading listening and viewing helping potential listeners cultivate an understanding and appreciation of the jazz art and how it can help in drummer Art Blakey s words wash away the dust of everyday life

Jazz Solo Styles: Your Personal Jazz & Blues Sax Guide Pasquale De Marco, 2025-07-12 In this comprehensive guide to jazz and blues saxophone renowned musician and educator Pasquale De Marco takes you on a journey through the world of this captivating instrument With over two decades of experience as a

professional saxophonist Pasquale De Marco shares his insights and expertise to help you master the saxophone and unlock your full potential. Whether you're a beginner just starting out or an experienced player looking to refine your skills, this book has something for everyone. Pasquale De Marco covers everything from choosing the right saxophone and developing proper technique to learning essential scales, chords, and rhythms. With clear instructions and step-by-step exercises, you'll gain a solid foundation in jazz and blues saxophone that will enable you to express yourself musically with confidence and creativity. But this book goes beyond just the technical aspects of playing the saxophone. Pasquale De Marco also delves into the rich history and diverse styles of jazz and blues saxophone, exploring the contributions of legendary musicians like Charlie Parker, John Coltrane, and Sonny Rollins. You'll learn about the origins of jazz and blues saxophone, the different styles that have emerged over the years, and the impact that this instrument has had on popular culture. Furthermore, Pasquale De Marco provides invaluable guidance on improvisation, a key element of jazz and blues saxophone. He shares his secrets for creating spontaneous and compelling solos, helping you develop your own unique voice on the instrument. With practice and dedication, you'll be able to improvise with confidence and creativity, captivating your audience with your musical expression. With its comprehensive coverage of technique, history, styles, and improvisation, this book is the ultimate resource for anyone who wants to master the jazz and blues saxophone. Whether you're looking to play for fun, join a band, or pursue a career in music, this book will provide you with the knowledge, skills, and inspiration you need to succeed. If you like this book, write a review.
