The 12-Step Buddhist 10th Anniversary Edition Darren Littlejohn,2019-11-19 Rediscover the classic guide for recovery with this tenth anniversary edition that transcends genres by seamlessly integrating the 12 Step approach Buddhist principles and a compelling personal struggle with addiction and a quest for spiritual awakening Donald Altman author of Living Kindness The face of addiction and alcoholism is recognizable to many it may be a celebrity a colleague or even a loved one And though the 12 step program by itself can often bring initial success many addicts find themselves relapsing back into old ways and old patterns or replacing one addiction with another Working with the traditional 12 step philosophy Darren Littlejohn first shares his own journey and

how he came to find the spiritual solace that has greatly enhanced his life in recovery Then he details out how his work integrating Buddhism into the traditional 12 step programs validates both aspects of the recovery process With accessible prose and in depth research he illustrates how each step such as admitting there is a problem seeking help engaging in a thorough self examination making amends for harm done and helping other addicts who want to recover fits into the Bodhisattva path This integration makes Buddhism accessible for addicts and the 12 steps understandable for Buddhists who may otherwise be at a loss to help those in need The 12 Step Buddhist is designed to be a complimentary practice to the traditional 12 step journey not a replacement While traditional programs help addicts become sober by removing the drug of choice and providing a spiritual path they rarely delve deep into what causes people to suffer in the first place In this unique synthesis of the traditional 12 Step model and the liberating wisdom of Dharma Mandala Magazine addicts can truly find a deep spiritual liberation from all causes and conditions of suffering for good The Scriptures of Won Buddhism Bongkil Chung,2003-01-31 Won Buddhism one of the major religions of modern Korea was established in 1916 by Pak Chung bin 1891 1943 later known as Sot aesan In 1943 Sot aesan published a collection of Buddhist writings the Correct Canon of Buddhism Pulgyo chongjon which included the doctrine of his new order Four years later the second patriarch Chongsan 1900 1962 had the order compile a new canon which was published in 1962 This work translated here as The Scriptures of Won Buddhism Wonbulgyo kyojon consists of the Canon a redaction of the first part of the Pulgyo chongjon and the analects and chronicle of the founder known as the Scripture of Sot aesan The present translation incorporates critical tenets from the 1943 Canon that were altered in the redaction process and offers persuasive arguments for their re inclusion
