speaking hope and a way forward to life with God that is meaningful, purposeful and joyful. With quotations from the Bible and recovery literature, personal reflections, practical suggestions and prayers, these meditations bring a positive focus and useful strategies to make life in recovery both joyful and successful every day. Topics addressed include how to deal with character defects, build and strengthen healthy relationships, understand God's part and our part in the healing process, recognize wisdom, understand and apply the 12 Steps and find peace with God through prayer. *Fix Me, Love Them* Matt Wells, 2011-09-16. So often we feel it is our calling to fix people for God. But is this really the Christian life as Christ intends? Is it really our place to judge, condemn and mold people into who we believe they need to be, or are we only to focus on bettering ourselves so that we may better love others? *21 Tests of Effective Leadership* Larry Kreider, 2011-07-28. As leaders we all face tests and we should welcome them. The greater our call to leadership, the greater the tests will be. Problems only provide the opportunity for us to grow and become more mature as leaders. Surviving the tests teaches us humility because we have been tested and remained faithful. No matter if we are leaders in the workforce, in our homes, our communities, our church or in a variety of organizations, this book will help us stand when the task becomes difficult and demanding. **Evangelical Dictionary of Theology** Walter A. Elwell, 2001-05. This thoroughly updated edition of a standard reference tool covers systematic, historical and philosophical theology as well as theological ethics. *Money Matters (to God)* J. Bradley Van Vleet Jr., 2021-03-16. I know what you're thinking. Another book on money. And you're right. This is another book on money, but it's probably not quite from the angle that you're thinking. *Money Matters to God* is a book about seeing finances through the eyes of God instead of the eyes of society. Through this book we will walk through the scripture to see what the Bible actually has to say about money and how we should use it. You may be surprised to see what's there. Money is an important topic to God. You can clearly see that through the Old and New Testaments Jesus talked more about money than He did about heaven or hell. Money is important to God simply because it's important to us. Sometimes too important. My prayer is that through this book you will be able to shed the burden of financial stress through priority and perspective.
