

Prison And Plantation

Michael Stephen Hindus

Prison And Plantation:

Prison and Plantation Michael S. Hindus, 2017-11-01 This broad comparative study examines the social economic and legal contexts of crime and authority in two vastly different states over a one hundred year period Massachusetts an urban industrial and heterogeneous northern state chose the penitentiary in its attempt to minimize the role of informal and extralegal authority while South Carolina a rural southern slave state systematically reduced its formal legal institutions frequently relying on vigilantism A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *Prison and Plantation* Michael S. Hindus, 1980 *Prison and Plantation* Michael Stephen Hindus, 1993

Prison Life Writing Simon Rolston, 2021-06-30 Prison Life Writing is the first full length study of one of the most controversial genres in American literature By exploring the complicated relationship between life writing and institutional power this book reveals the overlooked aesthetic innovations of incarcerated people and the surprising literary roots of the U S prison system Simon Rolston observes that the autobiographical work of incarcerated people is based on a conversion narrative a story arc that underpins the concept of prison rehabilitation and that sometimes serves the interests of the prison system rather than those on the inside Yet many imprisoned people rework the conversion narrative the way they repurpose other objects in prison Like a radio motor retooled into a tattoo gun the conversion narrative has been redefined by some authors for subversive purposes including questioning the ostensible emancipatory role of prison writing critiquing white supremacy and broadly reimagining autobiographical discourse An interdisciplinary work that brings life writing scholarship into conversation with prison studies and law and literature studies Prison Life Writing theorizes how life writing works in prison explains literature s complicated entanglements with institutional power and demonstrates the political and aesthetic innovations of one of America s most fascinating literary genres *Encyclopedia of Prisons and Correctional Facilities* Mary Bosworth, 2004-12-15 Click Additional Materials for downloadable samples The two volume Encyclopedia of Prisons and Correctional Facilities aims to provide a critical overview of penal institutions within a historical and contemporary framework The United States has the highest incarceration rate in the world a fact that has caused lawmakers advocates and legal professionals to rethink punishment policies as well as develop new policies on prisoner education and rehabilitation Issues of race gender and class are fully integrated throughout in order to demonstrate the complexity of the implementation and intended results of incarceration The Encyclopedia contains biographies articles describing important legal statutes and detailed and authoritative descriptions of the major prisons in the United States Comparative data and examples are employed to analyze the American system within an international context The Encyclopedia s 400 entries are all written by recognized authorities The appendix contains a comprehensive listing of every federal prison in the U S complete with facility

American Prisons David Musick, Kristine Gunsaulus-Musick, 2017-05-18 Imprisonment has become big business in the United States Using a history of ideas approach this book examines the cultural underpinnings of prisons in the United States and explores how shared ideas about imprisonment evolve into a complex loosely connected nationwide system of prisons that keeps enough persons to populate a small nation behind bars razor wire and electrified fences Tracing both the history of the prison and the very idea of imprisonment in the United States this book provides students with a critical overview of American prisons and considers their past their present and directions for the future Topics covered include a history of imprisonment in America from 1600 to the present day the twentieth century prison building binge the relationship between U S prisons and the private sector a critical account of capital punishment less visible prison minorities including women children and the elderly and sex violence and disease in prison This comprehensive book is essential reading for advanced courses on corrections and correctional management and offers a compelling and provocative analysis of the realities of American penal culture from past to present It is perfect reading for students of criminal justice corrections penology and the sociology of punishment

Slaves of the State Dennis Childs, 2015-02-27 The Thirteenth Amendment to the United States Constitution passed in 1865 has long been viewed as a definitive break with the nation's past by abolishing slavery and ushering in an inexorable march toward black freedom Slaves of the State presents a stunning counterhistory to this linear narrative of racial social and legal progress in America Dennis Childs argues that the incarceration of black people and other historically repressed groups in chain gangs peon camps prison plantations and penitentiaries represents a ghostly perpetuation of chattel slavery He exposes how the Thirteenth Amendment's exception clause allowing for enslavement as punishment for a crime has inaugurated forms of racial capitalist misogynist incarceration that serve as haunting returns of conditions Africans endured in the barracoons and slave ship holds of the Middle Passage on plantations and in chattel slavery Childs seeks out the historically muted voices of those entombed within terrorizing spaces such as the chain gang rolling cage and the modern solitary confinement cell engaging the writings of Toni Morrison and Chester Himes as well as a broad range of archival materials including landmark court cases prison songs and testimonies reaching back to the birth of modern slave plantations such as Louisiana's Angola penitentiary Slaves of the State paves the way for a new understanding of chattel slavery as a continuing social reality of U S empire one resting at the very foundation of today's prison industrial complex that now holds more than 2.3 million people within the country's jails prisons and immigrant detention centers

Prisons for Profit Adam Hanrahan, 2025-10-10 In 1865 the enslaved men and women in America were supposed to be

set free Why then did then did many of these newly freed people find themselves back doing back breaking labor for free The clause in the 13 amendment was except when duly convicted of a crime This clause allowed the state to enslaved anyone convicted of anything they deem a crime Fast forward to the early 1900s and America s convict leasing program kept many states solvent and able to make ends meet While convict leasing has changed names it is still alive in America and is the progenitor of the newest form of indentured slavery Prisons for Profit Read this book to find out how co operations have turned the best years of many Americans lives into years exchanged for tens of thousands of dollars of profit for greedy Corporations that build and fill Prisons For Profit **Introduction to Corrections** Robert D. Hanser,2012-10-18

Introduction to Corrections provides students with an understanding of basic concepts in the field of corrections The book offers comprehensive coverage of both institutional and community corrections with particular emphasis on the perspective of the practitioner Students taking corrections classes often have wild misconceptions about prison work and the corrections environment misconceptions typically derived from movies and the news and even current textbooks In this new text Robert Hanser uses his own on the ground experience to colorfully explain how the corrections system actually works and what s it s like to be a part of it A practioner scholar and experienced teacher whose research has focused on gangs domestic violence and corrections Hanser introduces students to the correctional worker s complex world of sub cultural norms the impact of prisoner classification and assessment and both the theory and legal elements affecting corrections systems today

Pathologizing Black Bodies Constante González Groba,Ewa Barbara Luczak,Urszula Niewiadomska-Flis,2023-05-18
Pathologizing Black Bodies reconsiders the black body as a site of cultural and corporeal interchange one involving violence and oppression leaving memory and trauma sedimented in cultural conventions political arrangements social institutions and most significantly materially and symbolically engraved upon the body with the self often deprived of agency and sovereignty Consisting of three parts this study focuses on works of the twentieth and twenty first century fiction and cultural narratives by mainly African American authors aiming to highlight the different ways in which race has been pathologized in America and examine how the legacies of plantation ideology have been metaphorically inscribed on black bodies The variety of analytical approaches and thematic foci with respect to theories and discourses surrounding race and the body allow us to delve into this thorny territory in the hope of gaining perspectives about how African American lives are still shaped and haunted by the legacies of plantation slavery Furthermore this volume offers insights into the politics of eugenic corporeality in an illustrative dialogue with the lasting carceral and agricultural effects of life on a plantation Tracing the degradation and suppression of the black body both individual and social this study includes an analysis of the pseudo scientific discourse of social Darwinism and eugenics the practice of mass incarceration and the excessive punishment of black bodies and food apartheid and USDA practices of depriving black farmers of individual autonomy and collective agency Based on such an interplay of discourses methodologies and perspectives this volume aims to use literature to further examine the problematic

relationship between race and the body and stress that black lives do indeed matter in the United States

Getting the books **Prison And Plantation** now is not type of challenging means. You could not solitary going following ebook growth or library or borrowing from your associates to door them.
